Based on more than 40 interviews with Jobs conducted over two years--as well as interviews with more than 100 family members, friends, adversaries, competitors, and colleagues--Isaacson has written a riveting story of the roller-coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing.

For investment information you can trust, why go anywhere but the source? And for data on over 14,000 stocks and bonds, the unmatched source is Standard & Poor's, the nation's leading securities information company.
