The Dark Swan series by #1 New York Times bestselling author Richelle Mead is together at last in this complete bundle! Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants... Storm Born--Book One Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy--one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her... Thorn Queen--Book Two Eugenie Markham is paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It's hardly an envious life, not with her kingdom in tatters, her love life in chaos, and Eugenie eager to avoid the prophecy about her firstborn destroying mankind. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyo is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, Eugenie must venture deep into the Otherworld and trust in an unpredictable power she can barely control. Reluctant queen or not, Eugenie has sworn to do her duty--even if it means facing the darkest--and deadliest--side of her nature... Iron Crowned--Book Three Eugenie Markham is the best at banishing entities trespassing in the mortal realm. But as the Thorn Land's queen, she's fast running out of ways to end the brutal war devastating her kingdom. Her only hope: the Iron Crown, a legendary object even the most powerful gentry fear... Who Eugenie can trust is the hardest part. Fairy king Dorian has his own agenda for aiding her search. And Kiyo, her shape-shifter ex-boyfriend, has every reason to betray her along the way. To control the Crown's ever-consuming powers, Eugenie will have to confront an unimaginable temptation--one that will put her soul and the fate of two worlds in mortal peril... Shadow Heir--Book Four Eugenie Markham strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld... The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyo is endangered by secrets he can't--or won't--reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice...

I'm not like them.....the vampires.No, I'm something very different. I'm the flicker in your mind while you sleep at night. My image projections ignite that burning passion deep within you, bringing out your carnal desires. Whether I choose to show myself to you physically, is of my discretion.That was until I killed my master.Why did I kill him? I was tired of being a broken toy.Who was my master? Oh, I'll tell you a tale you'll soon never forget.I've seen the rise and fall of the vampires. Their kind leaving a bitter mark on this world. I was cast out of the Dominion Plain, Hell if you will...where all demons originate from and return to when they die. Yes, even the vampires.Their King and Queen keep everything in order, every vampire belonging to a coven, except for the rogue vampires.....they are the ones mainly tracked down and executed by the hunters.They don't like to play by the rules.Sentenced to a life of emptiness and seclusion, I am stuck in corporeal form. I live a life I regret most days, feeding on the energy of humans.I

keep to myself, working at the Dv8 strip club in Portland, Oregon I make money and feed on the clientele to sustain myself. I have one rule. Stay away from vampires. Why? I can't seduce them, and they have no soul. I can feel their energy, but I cannot steal it. They are nothing but trouble. So, you can imagine my bewilderment, when one night I end up in a private room performing for a vampire. Not just a vampire.....a pureblood. Not just a pureblood.....a rogue. Why did a pureblood go rogue? Your guess is as good as mine, but I'm sure we'll find out together.

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Pettersson "A delicious treat for Georgina fans!" -Kat Richardson "If damnation is this fun, sign me up!" -Lilith Saintcrow
