"Sometimes brotherhood can be another word for conspiracy. . . . Dennis Mira just had two unpleasant surprises. First he learned that his cousin Edward was secretly meeting with a real estate agent about their late grandfather's magnificent West Village brownstone, despite the promise they both made to keep it in the family. Then, when he went to the house to confront Edward about it, he got a blunt object to the back of the head. Luckily Dennis is married to Charlotte Mira, the NYPD's top profiler and a good friend of Lieutenant Eve Dallas. When the two arrive on the scene, he explains that the last thing he saw was Edward in a chair, bruised and bloody. When he came to, his cousin was gone. With the mess cleaned up and the security disks removed, there's nothing left behind but a few traces for forensics to analyze. As a former lawyer, judge, and senator, Edward Mira mingled with the elite and crossed paths with criminals, making enemies on a regular basis. Like so many politicians, he also made some very close friends behind closed--and locked--doors. But a badge and a billionaire husband can get you into places others can't go, and Eve intends to shine some light on the dirty deals and dark motives behind the disappearance of a powerful man, the family discord over a multimillion-dollar piece of real estate . . . and a new case that no one saw coming"--

Includes an excerpt from the author's *Devoted in death*.

In the latest novel in the #1 New York Times bestselling series, homicide detective Eve Dallas sifts through the wreckage of the past to find a killer. The body was left in a dumpster like so much trash, the victim a woman of no fixed address, known for offering paper flowers in return for spare change—and for keeping the cops informed of any infractions she witnessed on the street. But the notebook where she scribbled her intel on litterers and other such offenders is nowhere to be found. Then Eve is summoned away to a nearby building site to view more remains—in this case decades old, adorned with gold jewelry and fine clothing—unearthed by recent construction work. She isn't happy when she realizes that the scene of the crime belongs to her husband, Roarke—not that it should surprise her, since the Irish billionaire owns a good chunk of New York. Now Eve must enter a complex world of real estate development, family history, shady deals, and shocking secrets to find justice for two women whose lives were thrown away...

A birthday bash sets the scene for a frightening reunion with a killer from Eve Dallas's past in this novel in the #1 New York Times bestselling *In Death* series. At exactly 7:30 p.m., Walter Pettibone arrived home to over a hundred friends and family shouting, "surprise!" It was his birthday. Although he had known about the planned event for weeks, the real surprise was yet to come. At 8:45 p.m., a woman with emerald eyes and red hair handed him a glass of champagne. One sip of birthday bubbly, and he was

dead. No one at the party knew who she was, but Detective Eve Dallas remembers her all too well. Eve was personally responsible for Julianna Dunne's incarceration nearly ten years ago. And now, let out on good behavior, she still has nothing but bad intentions. It appears she wants to meet Dallas again—in a reunion neither will forget...

Investigating the baffling murder case of an ordinary and much-loved private school teacher, New York City lieutenant Eve Dallas struggles to identify who may have wanted the death of an innocent man.

In "Naked in Death," Eve Dallas is in over her head when she breaks the rules and falls in love with Roarke, an Irish billionaire and a suspect in her most recent case, and in "Glory in Death," Eve Dallas suspects there is a link between the murders of two beautiful and highly successful women.

Lieutenant Eve Dallas returns in *Dark in Death*, by J.D. Robb, the #1 New York Times bestselling master of suspense, and takes on a case of death imitating art... It was a stab in the dark. On a chilly February night, during a screening of *Psycho* in midtown, someone sunk an ice pick into the back of Chanel Rylan's neck, then disappeared quietly into the crowds of drunks and tourists in Times Square. To Chanel's best friend, who had just slipped out of the theater for a moment to take a call, it felt as unreal as the ancient black-and-white movie up on the screen. But Chanel's blood ran red, and her death was anything but fictional. Then, as Eve Dallas puzzles over a homicide that seems carefully planned and yet oddly personal, she receives a tip from an unexpected source: an author of police thrillers who recognizes the crime—from the pages of her own book. Dallas doesn't think it's coincidence, since a recent strangulation of a sex worker resembles a scene from her writing as well. Cops look for patterns of behavior: similar weapons, similar MOs. But this killer seems to find inspiration in someone else's imagination, and if the theory holds, this may be only the second of a long-running series. The good news is that Eve and her billionaire husband Roarke have an excuse to curl up in front of the fireplace with their cat, Galahad, reading mystery stories for research. The bad news is that time is running out before the next victim plays an unwitting role in a murderer's deranged private drama—and only Eve can put a stop to a creative impulse gone horribly, destructively wrong. From the author of *Echoes in Death*, this is the latest of the edgy, phenomenally popular police procedurals that *Publishers Weekly* calls "inventive, entertaining, and clever."

A woman standing at the crossroads of her life discovers a new path she can take with a man of extraordinary abilities in #1 New York Times bestselling author Nora Roberts' *Enchanted*, a Donovan Legacy novel. Drawn together like kindred spirits, Rowan and Liam are more than willing to let fate guide their hopeful relationship. A man who claims to be his half brother. A man who kills

for a living—and who burns with hatred for him. Eve is quick to suspect that the victim’s spouse—resentful over his wife’s affair and poised to inherit her fortune—would have happily paid an assassin to do his dirty work. Roarke is just as quick to warn her that if Lorcan Cobbe is the hitman, she needs to be careful. Law enforcement agencies worldwide have pursued this cold-hearted killer for years, to no avail. And his lazy smirk when he looked Roarke’s way indicates that he will target anyone who matters to Roarke...and is confident he’ll get away with it. Eve is desperate to protect Roarke. Roarke is desperate to protect Eve. And together, they’re determined to find Cobbe before he finds them—even if it takes them across the Atlantic, far outside Eve’s usual jurisdiction...
