

Sunset Flames Baytown Boys

Lighthouse Security Investigations The Lighthouse SI Keepers were men and women from the SEALs, Rangers, Special Forces, Deltas, and AF Special Ops. All having been trained in CIA Special Ops, the Keepers were the best of the best and ready to take on any mission. Julie Baxter, chaperone to three teenage girls to the Mayan ruins in Mexico was having the vacation of a lifetime. Everything was perfect until an earthquake shattered their world. Now, stuck with no way to get out, they needed a rescuer. Good thing one of the girl's father was a Senator who knew just who to call. James Walker, a former SEAL & CIA Special Ops and now a Keeper for Lighthouse Security, was known for quick analysis of missions gone awry. He and another Keeper flew to Mexico for the simple pick-up of the four stranded women. One thing after another goes wrong and he finds himself hiding in a Mayan temple with the beautiful Julie after his fellow Keeper is able to get the teens home safely. On the run, they discover love among the ruins in the tropical paradise but when danger follows her back to the States, can he keep her safe once again? And, will they have a chance at a happily ever after?

Military duty called them away to war zones, but after tours overseas, the group of friends found their way back home as men, seeking the peaceful little seaside town. Now, the band of brothers, together once more, work to provide a place for less fortunate veterans to call home. Zac Hamilton, one of the original Baytown Boys, had returned from the Navy to become the Fire Chief for the small town. But, the Eastern Shore was gripped in fear as an arsonist continued to set fires all over the county just after sunset. Madelyn Stover returned reluctantly to Baytown to bury her estranged father, but finding journals he had written left her wondering what secrets her parent's marriage had held. A fire on her property led Zac to the beautiful newcomer and as they grew closer, discovered they had more in common than either realized. When the arsonist strikes too close to home again, can Zac keep his promise to keep her safe? **The language and sexual scenes in the book are similar to what you would see in an R rated movie, therefore the book is for 18+ readers.**

He was ready to give up the party life. After years of no commitments with the vacationing women who visited his family's pub, Aiden MacFarlane yearned for more out of life. But for single mom, Lia Smith, the last thing she was interested in was the town's Peter Pan. First impressions were not favorable... for either of them, but eventually see what lies beneath the surface. Her job is to find out who might be stealing money from the town and knows her investigation will ruffle feathers. As Aiden falls for Lia and her adorable daughter, he takes on the role of protector when she is threatened. Will Aiden be able to save them before someone takes away his chance to truly live life to the fullest? Baytown Boys... Military duty called them away to war zones, but after tours overseas, the group of friends found their way back home as men, seeking the peaceful little seaside town. Now, the band of brothers, together once more, work to provide a place for less fortunate veterans to call home.

Packed up, loaded up, and ready to move. Heading from Wyoming to Maine to take on his new position with Lighthouse Security Investigations, Levi was hauling his possessions on a leisurely trip across the country, enjoying the sights he rarely had the time to see in his former career with the FBI. Time to get off the highway and take the backroads. Stopping to help a stranded woman was not in his plans. Offering her a ride wasn't either, but the more he was around her, the more he liked her. Claire was on the run, grateful for the man who stopped to help, and discovered her traveling companion was someone she could fall for. But as her secrets came out, so did the danger. With the help of the LSI Keepers, can Levi untangle Claire's mystery in time to save her life? *Lighthouse Security Investigations* The security and investigation company is filled with handpicked men and women from the SEALs, Rangers, Special Forces, Deltas, and Air Force Special Ops. All trained in CIA Special Operations, the Keepers were the best of the best and ready to take on any mission.

A columnist's examination of the celebrity affairs and sexual liaisons indulged in by the members of high society is seen through the experiences of a troubled writer, a mega-businessman, a famous underwear model, and others.

Home is no longer the place he left... but it's all he's got. John Roster is flying to his childhood home in Maine after a medical discharge from the Army. No one will be there to welcome him home other than his cranky grandfather... a personality trait the two men share. No job. No friends. And with a storm canceling all flights at the moment, no plane to catch. Killing time at the USO in the airport, he bonded with a few fellow servicemen also waiting out the storm, as well as the irrepressible hostess who offered a suggestion... find a purpose by thanking someone who'd helped while he was stationed overseas. Lucy Carrington's special project for her history class has come to an end. The letters they had written to a fellow-Maine soldier had stopped now that he was leaving the military. Staring at the picture of the handsome soldier with the haunted eyes, she wished they could meet in person. One day, in the middle of their lesson, he appeared. He's much more gorgeous in person... and just as haunted. John expected a matronly teacher to greet him, not the bright-eyed, friendly-smile, knock-out that made up the whole package of Lucy. Sparks fly, but he's got a long way to go to have more to offer than a beat-up former soldier, so he'll settle for friendship. A new job offer with a prestigious security firm might lead him to the future he wants. A threat against her thrusts him into the role of protector. Keeping her safe is his mission... earning her love is his goal. And a soldier never quits.

The true measure of a man is not in the mistakes he makes...but in how he handles those mistakes. After leaving the Army, Zander King wants nothing more to do with being a hero. His life plan is to keep his nose clean, work hard to make his bar successful and avoid damsels in distress. Old habits died hard, though, so when a beautiful stranger walks into the bar to drink alone, his protective instincts kicked into high gear. It was a good thing too, because his was not the only eye she caught in his rough-side-of-town establishment. When a man won't take no for an answer from her, Zander kicks him out, but he sends the woman, who doesn't belong there, packing too. Too late, he realizes his mistake in releasing the petite, vulnerable woman out into the neighborhood alone, when he finds her near death outside the bar at closing time. Racked with guilt, Zander's conscience won't let him abandon her until he knows she'll be okay. At the hospital days later, his sleeping beauty, Jane Doe, finally wakes up, but she doesn't remember who she is or how she got there. Zander vows to help her put the pieces of her memory back together, but would regaining her memory only put her in more danger? A *Heroes at Heart* novel based loosely on the fairy tale, *Sleeping Beauty*.

Two outcasts shared a friendship in childhood, but for Asher Swain, his memories were tortured by an accident that claimed his only friend. Years later, he met a woman reading as she sat by a pond in a park. The two strangers began a friendship over a love of literature that developed into love for each other. But, when Asher realized they shared a past as well as their present, he kept his secret, afraid for Penelope to find out who he really was. When the truth is revealed, will they be ripped apart or will their love make them stronger? Loosely based on the fairy tale, *The Ugly Duckling*. Language
