

Swedish Tutor Grammar And Vocabulary Workbook Learn Swedish With Teach Yourself Advanced Beginner To Upper Intermediate Course

Norwegian is one of the five North Germanic languages and Swedish, Danish, Icelandic, and Faroese. These languages are sometimes also called Scandinavian, but that is more a geographical distinction than linguistic. All five languages evolved from Old Norse, the language of the Vikings. When the Vikings arrived in England in the early middle ages, they encountered the "locals", who had actually arrived from modern-day Germany and Netherlands (the Angles and the Saxons) a few hundred years before. Learning Norwegian is not as much of a time commitment (and not as hard) as you might think. With Babbel, learning Norwegian online is easy, intuitive and under your control: learn at your own pace, choose the lessons you want, and review and practice vocabulary on the go. Norwegian is a close cousin to English with thousands of words and grammar rules in common. -Learn your first words in Norwegian in this colorful book for children. -Illustrated with beautiful color photos. -A pronunciation guide for each word is provided on every page.
