Enjoy this fun, spicy, urban fantasy cozy mystery series! From the authors of the MYTHVERSE and POWERS OF THE ZODIAC paranormal series. GRAVE NEW WORLD Sometimes you have to play dirty. I'm Paige Harper and I clean up supernatural messes. But my personal life is something I can't seem to straighten out. I accidentally married a fae, and even though we've been divorced for years, Jax still manages to land me in hot water. Like, putting my house on the table at a high stakes poker game type of hot. Now, he's been arrested for murder and the cops want to pin a series of vampire killings on him. I don't know if he did it or not. But I do know he needs to be at that poker game or else my house is gone. In order to get Jax out, I turn to Nico, a one-eyed werewolf private detective, for help. Nico is a handsome, dangerous, ladies man and I have no intention of falling prey to his charms. Although, that's easier said than done as the two of us begin crawling through the dirty underbelly of the supernatural world... It's a good thing I brought my broom. GRIME AND PUNISHMENT The only thing worse than a serial killer that hates you...is a serial killer that likes you. The only upside to his attention is that Nico, a one-eyed werewolf private detective, has decided to assign himself as my personal bodyguard. Even though Nico gets me hot and bothered, I'm done with bad boys. Instead, I'm determined to make things work with a new guy that I've met. A nice HUMAN guy. But I can't take this relationship to the next level with a werewolf on my tail. As if that wasn't enough, I'm also juggling a new cleaning job at a supernatural brothel and trying to hunt down a kidnapped baby. Can I juggle work, romance, and an obsessed serial killer? I can, or I'll die trying. A FAREWELL TO CHARMS Sex sells...for everyone except the person cleaning up after it! I'm Paige Harper, and I've got problems paying the bills. My cleaning service for paranormal messes has only one major client. Charms is half gambling den, half brothel, and 100 percent of my income. Unfortunately, on the same week I'm due to get paid - Charms gets robbed. The ogre madame can't pay me, cover her bribes, or keep her teenage daughter in-line. Somehow, I'm in charge of fixing all these things - while trying to figure out if the guy I'm dating is a serial killer. On top of all that, Nico - a one-eyed werewolf private detective - is on the case, too. He gets under my skin, and has made it clear he wouldn't mind getting under my clothes. Somehow, I've gotta keep things strictly professional. Sure, no problem. It's a lot of balls to keep in the air, but it's a juggling act I've got to ace, or else it's farewell to Charms, my livelihood, and maybe even my life. Sweeping the Series

The art and science of chimney sweeping are examined in detail for the first time in this lively and fascinating book.

Nineteen essays by Briley focus on major league baseball as it reflected the changing American culture from about 1945 to about 1980. He examines the era through the lens of race, gender and class—categories which have increasingly become essential analytical tools for scholars. The accounts of Roman Mejias and Cesar Cedeno offer some disturbing insights regarding the

acceptance of Latinos in baseball and American society. In one essay, Briley refers to baseball as the heart of the nation's democratic spirit, noting that the son of a rural farmer could play alongside a governor's son and both would receive only the praise that their playing merited. However, in writing about the Milwaukee Braves' move to Atlanta, the lamentations of fans—that baseball had succumbed to the age of affluence—are compared to the changing patterns of demographics and economic power in American society. Even with the increased participation of women on the field with teams like the Silver Bullets, the final essay comments on organized baseball's perception of them as primarily spectators.
