the Pacific War's best Army, Navy, and Marine pilots have chosen to tell. Meet Frank Holmes, who defied death in an outmoded P-36 while still clad in a seersucker suit he had worn to mass earlier that morning. Fly with Scott McCuskey as, single-handed at Midway, he takes out two waves of Japanese dive-bombers that are attacking his precious aircraft carrier. Sweat out the last precious drops of fuel in a defective Marine Wildcat fighter as Medal of Honor recipient Jeff DeBlanc bores ahead to his target to keep the faith with the bomber crews he has been assigned to protect. Experience the ecstasy of total victory as Ralph Hanks becomes the Navy's first Hellcat ace-in-a-day when he destroys five Japanese fighters over the Gilbert Islands in a single mission. A superb interviewer, Hammel has collected some of the very best air-combat tales from America's war with Japan. Combined with the four other volumes in The American Aces Speak series, this work will stand as an enduring testament to the brave men who fought the first and last air war in which high-performance, piston-engine fighters held sway. These are stories of bravery and survival, of men and machines pitted against one another in heart-stopping, unforgiving high-speed aerial combat. The American Aces Speak is a highly-charged emotional rendering of what men felt in the now-dim days of personal combat at the very edge of our living national history. There was never a war like it, and there never will be again. These are America's eagles, and the stories are their own, in their very own words. Eric Hammel is the author of nearly thirty other books, including Pacifica Press's Carrier Clash, Carrier Strike, Aces Against Germany, Aces Against Japan II, Aces at War, and Aces in Combat. He lives with his family near San Francisco. Critical Acclaim for The American Aces Speak Series The Marine Corps Aviation Association Yellow Sheet says: "The recounting of each story is done in the pilot's own words. This is a powerful technique that
