Miller Test Prep's study guide for the ATI TEAS 6 exam is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the TEAS 6 first time.

It's no secret that the TEAS exam is difficult. In fact, most people take the exam not once, not twice but several times before they get a good score. There are nightmare stories about the struggles people have endured while preparing for this exam. The problem is not that these students are unprepared, the problem is that the TEAS exam is extremely difficult. The TEAS exam is a standardized test that covers a wide array of subjects, including; reading, math, science, english and language usage. In order to prepare for this exam, students would have to read and memorize over 3,000+ pages of information! And here's the worst part, 95% of that information is not relevant in the nursing field. Unfortunately, we don't have the ability to make the TEAS exam more practical but we do have the ability to help make your journey preparing for the exam easier. Here at UGO Prep, we specialize in studying exam behaviors to a science. We've spent years evaluating the methods of the TEAS exam in order to create our study program. Our goal, when we first started this journey, was to create a test prep that closely resembled the official TEAS exam. After countless months of research, we had accumulated a wealth of knowledge regarding each section of the TEAS exam. We then took our findings and began formulating strategies on how to unlock high scores for each section. Finally, we created the official UGO Prep TEAS Exam Prep, otherwise known as the most straight forward TEAS prep on the market. Time and time again, people who used our program prepared faster and scored higher. Our #1 priority here at UGO

Prep is to help you quickly and easily unlock a high score on your TEAS exam. You shouldn't have to 'get serious' or change your priorities in life just so you can do well on this exam.
