An updated and revised edition of the Objective CAE course, which prepares students for Cambridge English: Advanced, also known as Certificate in Advanced English (CAE). The Student's Book with Answers contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exams skills. The 25 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors and ensuring that students are learning the most up-to-date and useful language required at this level. A phrasal verb list provides a handy reference for students. The CD-ROM provides comprehensive extra practice of the language and topics covered in the book. The Audio CDs contain the listening material to accompany the Student's Book.

A sourcebook to the intersection between art and technology identifies the major female players in this movement, featuring a series of essays exploring the line between these two fields written by artists and promoters who are well respected in their fields. (Fine Arts)
Ten terrifying tales of life as a wartime fighter pilot, from the master of the short story, Roald Dahl. During the Second World War Roald Dahl served in the RAF and even suffered horrific injuries in an air crash in the Libyan desert. Drawing on his own experiences as a fighter pilot, Dahl crafted these ten spine-tingling stories: of air battles in the sky; of the nightmare of being shot down; the infectious madness of conflict; and the nervy jollity of the Mess and Ops room. Dahl brilliantly conveys the bizarre reality of a wartime pilot's daily existence, where death is a constant companion and life is lived from one heartbeat to the next.
