Each 320-page book includes fun learning activities covering a range of topics in math and reading. The activities review skills from the previous grade and gradually increasing in difficulty to prepare a child for the grade ahead. Summer Link Math Plus Reading is designed for parents looking for a fun and affordable way to help their children stop the summer learning slide and prepare for the grade ahead during the 10 weeks of summer. The easy-to-use full-color activities review and extend essential skills and increase confidence at school. A Test Practice section at the end of each book provides tips and practice for standardized tests and will allow the child to review the topics covered. A skills checklist for parents, a recommended summer reading list, and an answer key are also included.

The Only Book Your student will Ever Need to ACE the STAAR Math Exam! Effortless Math STAAR Workbook provides students with the confidence and math skills they need to succeed on the STAAR Math, providing a solid foundation of basic Math topics with abundant exercises for each topic. It is designed to address the needs of STAAR test takers who must have a working knowledge of basic Math. This comprehensive workbook with over 1,500 sample questions and 2 complete 4th Grade STAAR tests is all your student needs to fully prepare for the STAAR Math. It will help your student learns everything they need to ace the math section of the STAAR. There are more than 1,500 Math problems with answers in this book. Effortless Math unique study program provides your student with an in-depth focus on the math portion of the exam, helping them master the math skills that students find the most troublesome. This workbook contains most common sample questions that are most likely to appear in the mathematics section of the STAAR. Inside the pages of this comprehensive workbook, students can learn basic math operations in a structured manner with a complete study program to help them understand essential math skills. It also has many exciting features, including: Dynamic design and easy-to-follow activitiesA fun, interactive and concrete learning processTargeted, skill-building practicesFun exercises that build confidenceMath topics are grouped by category, so the students can focus on the topics they struggle onAll solutions for the exercises are included, so you will always find the answers2 Complete STAAR Math Practice Tests that reflect the format and question types on STAAR Effortless Math STAAR Workbook is an incredibly useful tool for those who want to review all topics being covered on the STAAR test. It efficiently and effectively reinforces learning outcomes through engaging questions and repeated practice, helping students to quickly master basic Math skills.
