Now totally revised -- the 3rd edition of The Ten-Day MBA includes the latest topics taught at America's top business schools, including leadership, corporate ethics and compliance, financial planning, and real estate. This internationally acclaimed guide (more than 200,000 copies sold in the United States and around the world) distills the material of the most popular business-school courses taught at Harvard, Stanford, the University of Pennsylvania, the University of Chicago, Northwestern, and the University of Virginia. Silbiger's research comes straight from the notes of real MBA students attending these top programs today. You will learn how to: Read and understand financial statements Develop effective and comprehensive marketing plans Understand accounting rules and methods Manage your relationship with your boss Develop corporate strategies Understand the present value concept Use quantitative techniques to evaluate projects Value stock, bond, and option investments Understand the language of business law Master the most-used MBA jargon At the rate of one easy-to-understand chapter a day, this classic business book enables readers to absorb the material, speak the language, and acquire the confidence and experience needed to succeed in the competitive global business world of the twenty-first century.

By now, many know that MBA programs are too expensive and offer little benefit compared to the huge cost. Not only are they a waste of money, they also require a huge amount of time investment. Are you someone looking to get an MBA education but don't want to pay hundreds of thousands of dollars to get it? Are you looking to save time by getting a "real life MBA" in as little as a weeks time? Are you looking to get a "real life MBA" from the comfort of your own home, never having to leave the couch? If so, then this book is for you. Some of the topics covered are: - Mini MBA programs - Online courses - The best programs - How to register - How to start - Free courses - How to set yourself up for success -->
