This package contains the following components: -0205648606: MyCompLab with Pearson eText -0205741754: Allyn & Bacon Guide to Writing, The: MLA Update Edition  
The most successful college rhetoric published in over a decade, The Allyn & Bacon Guide to Writing: Brief Edition offers the most progressive and teachable introduction now available to academic and personal writing. The four-color guide offers engaging instruction in rhetoric and composition, a flexible sequence of comprehensive writing assignments, numerous examples of student and professional writing, and a thorough guide to research. Solidly grounded in current theory and research, yet eminently practical and teachable, The Allyn & Bacon Guide to Writing: Brief Edition has set the new standard for first-year composition courses in writing, reading, critical thinking, and inquiry. Part One, "A Rhetoric for College Writers," provides a conceptual framework for The Allyn & Bacon Guide to Writing, Brief Edition, by showing how inquiring writers pose problems, pursue them through discussion and exploratory writing, and solve them within a rhetorical context shaped by the writer's purpose, audience, and genre. Part Two, "Writing Projects," contains thirteen self-contained assignment chapters arranged according to the purposes for writing. Each chapter guides students through the process of generating and exploring ideas, composing and drafting, and revising and editing. Concluding each chapter are "Guidelines for Peer Reviewers," which sum up the important features in the assignments and facilitate detailed, helpful peer reviews. Part Three, "A Guide to Composing and Revising," is comprised of three self-contained chapters of nuts-and-bolts strategies for composing and revising. Part Four "A Rhetorical Guide to Research," presents pedagogically sequenced instruction for helping students learn to conduct searches, evaluate sources, and incorporate sources into their own writing. Research skills are taught within a rhetorical context with special attention to the rhetoric of websites. Part Five, "A Guide to Special Writing and Speaking Occasions," gives students helpful advice on working in groups, giving speeches and presentations, writing essay exams, assembling portfolios, and writing reflective self-evaluations.

This brief and inexpensive book helps students compile effective portfolios for a variety of situations and courses. Shows students how to understand what type of portfolio is called for, recognize the material most appropriate for inclusion, and submit a portfolio that shows learning. This guide does not approach portfolios as the driving force of a course; rather, it teaches students who are asked to submit portfolios - with or without direct instructor supervision - how to construct successful portfolios. Anyone looking to compile a portfolio.
