At any one time, hundreds of thousands of people feel stuck professionally and don't know what to do to get out of their rut. In today's complex business world, the brutal reality is that there are no guarantees for success. Surprisingly, many of us are unconsciously conditioned to fail although, ironically, it's not all that difficult to dramatically reverse the odds. John Assaraf has developed a unique and amazing formula that will help people overcome obstacles, transform their careers and businesses and start making the kind of money needed to live an extraordinary life. In his latest book, *The Answer*, Assaraf draws on new findings in neuroscience, understanding why we do what we do and, more importantly, why we don't do what we know we should be doing. His methods will help individuals 'rewire' their brains for success so they can emerge as winners no matter what they currently know or understand. It will also teach them how to attract and use newly discovered 'uncommon' sense to achieve business success.

A guide to entrepreneurial freedom with only one focused hour a day, covering time management, marketing, business assets, and more.

After 50 years of teaching success, Nightingale Learning Systems has gathered together the common bonds and shared values of those individuals who occupy the rarest positions in their industries—the top 2 percent. With *The Top 2 Percent*, our intention is to

provide the latest research on what it takes to reach the top in the 21st Century—the road map for the next generation of achievers starting with you. The fact is that the top 2 percent set the trends in every industry. They set the trends by imagining and dreaming things that didn't exist and then doing what it took to make it happen. Whether you're in business, entertainment, sports, politics or some other industry, if you're in the top 2 percent, you have the power and influence to make things happen. Find your overarching sense of purpose and focus on it, you'll find yourself with a drive and a passion you never felt before! As Dostoyevsky put it, "The secret of a man's being is not only to live, but to have something to live for." Find out what you're living for, and you'll be on your way to the STARS.

Our schools and parents teach us only a small fraction of what we need to learn in order to reach our true potential and achieve success. The rest we must learn through our own trials and tribulations. 'Street kid' John Assaraf broke free from a troubled past to create a multi-million dollar empire. In *Having it All*, Assaraf tells of his discovery that, no matter what kind of difficult circumstances someone happens to be in at any one time, he or she can achieve whatever they want in life. By combining old-world wisdom and street-smart tactics, Assaraf created the life of his dreams. He shares his method here.

A gut-wrenching memoir of brutal crime, prison time, and ultimate redemption. "The Upside of Fear" allows readers to experience the harsh reality of a criminal life and creates a riveting portrait of true crime at its fundamental level. From buying the duct tape for an armed robbery to saving the life of a prison guard, author Weldon Long recounts his harrowing journey of self-discovery and how he went from being a drunk in a jail cell to the CEO of a multimillion-dollar business. Twenty years of drinking, drugging, robbing, and lying led Long to more than a decade of time spent in prisons, jails, and halfway houses -- and a strained relationship with a son he barely knew. Through the revealing perspective of an eloquent criminal, readers will discover how to use fear as a positive motivating force and use the mind to strengthen the will, even in the bleakest of circumstances. Long's story demonstrates that love can redeem even the most hopeless criminal, and that there can be no emotions stronger than the desire for redemption and the love of a father separated from his son by prison bars.

Outlines a strategy for personal success that explains how readers can adjust the telling of their life stories to promote goals and change how they are seen by others. By the author of *The Power of Full Engagement*. Reprint. 35,000 first printing.

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint."

We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you

do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

The founder and CEO of NeuroGym, a company dedicated to using the most advanced technologies and evidence-based brain training methods, he has built five multimillion-dollar companies, written two New York Times bestselling books and has been featured in eight movies, including the blockbuster hit *The Secret*.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book,

you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

The ultimate tool for unleashing your inner entrepreneur and for achieving enlightened wealth. This is a step-by-step guide to cracking your personal millionaire code and turning your enlightened ideas into millions. It showcases real-life stories of men and women who discovered and capitalised on their own "million-dollar ideas", or MDIs. These MDIs, the authors contend, are right under our noses - from bottled water to Post-It notes to less well-known but highly lucrative ideas - if only we can crack our personal millionaire code that will lead us to wealth. Throughout the book there are inspirational stories of ordinary people who cracked their code and created extraordinary fortunes from a single idea, often in the face of severe challenges. Hansen and Allen show how to overcome personal fears, gather an amazing team, discover and soul-storm not one but dozens of million-dollar ideas, as well as incredible, enlightened ways to market ideas and then hundredfold them.

A hundred-thousand years ago one of the biggest differences between humans and the rest of the animal kingdom was that we were better at catching them than they were at catching us. Today things have changed...somewhat. Thinking is easy. Anyone can think. What's important is thinking intelligently. The problem is that a battle for our minds is taking place, and most people don't even notice. We're influenced from the news, social gatherings, what we read, what we are told, and what everyone else is thinking. Salespeople, marketers, and politicians know thousands of ways to push our minds in one direction or another. The result is that society is littered with people who retain beliefs they cannot explain for reasons they do not know. What you think matters. People fight for their beliefs, defend them, and in some cases even die for them. Lesser minds might be content with easy answers and poorly thought out explanations. But if you seek a strong mind, you first must ensure that you are capable of overcoming the elements that influence the way you think. Intellectual Warfare is designed to equip you with the tools necessary to win the battle for your mind. The book spans a host of topics ranging from the human ego, natural biases, cognitive illusions, and an entire section on the weapons of persuasion constantly attacking your thought process. Aimed at anyone seeking to improve their intellect, this book will ensure you are making the most of your mind.

If your goal is prosperity, longevity, and a life and business on your terms, this book is for you.

In this original and groundbreaking book, Dr Andrew Newberg and Mark Robert Waldman turn their attention to the pinnacle of the human experience: enlightenment. Through his brain-scan studies on Brazilian psychic mediums, Sufi mystics, Buddhist meditators, Franciscan nuns, Pentecostals, and participants in secular spirituality rituals, Newberg has found the specific neurological mechanisms responsible for an enlightenment experience - and how we can activate those circuits in our own brains. In his survey of more than one thousand people who have experienced enlightenment, Newberg has also discovered that in the aftermath they have had profound, positive life changes. Enlightenment offers us the possibility to become permanently less stress-prone, to break bad habits, to improve our collaboration and creativity skills, and to lead happier, more satisfying lives. Relaying the story of his own transformational experience as well as including the stories of others who try to describe an event that is truly indescribable, Newberg brings us a new paradigm for deep and lasting change. Most people wake up and drive to a job that they hate. Think about your five closest friends. Are they happy? Do they live their lives with purpose? Do you? We put on a fake front for what we want people to see and think about us, but the reality is most people aren't happy. We're lost. We settle. We aren't happy with where we are. You can't be happy if you don't know your purpose. It's not possible. You want more but you don't even know where to start. You know there is more out there. You see others having success and you want it, too; there is nothing wrong with that. You just need help finding your purpose so you can find the success you see all around you. You can be productive, crush your goals, pretend that all the things that you've acquired actually mean something...but at the end of the day, if you don't know your purpose, you'll always feel like there's something missing. You'll know that you're capable of more and that you're not living the life you should be. You might be fooling the world, but you're not fooling the person looking back at you in the mirror. You need to find your actual power source. Your purpose is your source of power. Once you find your purpose it'll fuel you for life. You'll do things that you never thought you were capable of. Achieving your purpose will force you to morph into a stronger version of yourself. You'll have to push through fears, insecurities, and doubts that held you back. But somehow it'll all feel possible and necessary because you're purpose-driven now...and that's the only thing you'll ever need.

Max believes he is the strongest boy in the world. His cheeky pet bird, Bruce tells him just how strong he is too. One day, they both go to a

birthday party and Max thinks he is the strongest, mightiest, coolest kid there. But why was everyone mad at him?

If money were about math, none of us would be carrying any debt. The numbers are simple. What's complicated is what we do with money. We use money to soothe our feelings and buy respect, to show how much we care or how little. We don't simply earn, save, and spend money: we flirt with it, crave it, and scorn it; we punish and reward ourselves with it. Without realizing it, we give money meaning it doesn't really have—what former psychiatrist and current business coach David Krueger calls our “money story.” And in the process of playing out that money story, we often sacrifice the most important things in our life: our health, freedom, relationships, and happiness. What is your money story? Do you consistently spend more than you have? Do you follow the herd in your investments—even though you know the herd is usually wrong? Have you neglected to save for the future, even when you have the means? Do you feel controlled or shackled by debt? Is your money somehow never “enough”? Is money, or the lack of it, always on your mind? The Secret Language of Money is a guided tour to the subconscious meanings we give money, the conflicted ways our brains deal with money, the reasons we tend to make the same money mistakes over and over—and most importantly, how you can change all that. A brilliant blend of cutting-edge science and real-world application, The Secret Language of Money helps you rewrite your money story and find that elusive balance of wealth, health, and joy we all seek.

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. Think and Grow Rich for Women is a powerful new book—from the award-winning author of Think and Grow Rich: Three Feet from Gold and coauthor of the multimillion-selling Rich Dad, Poor Dad. It combines Hill's classic Thirteen Steps to Success with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleezza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.

"A practical and inspirational program for reinventing yourself, whether you are out of work or want to change your professional trajectory"--

Did you know that asking a new kind of question can immediately change your life? One morning in 1997, college student Noah St. John was in the shower when he asked himself a question that changed his life: Why are we trying to change our lives saying statements we don't believe . . . when the human mind responds automatically to something even more powerful? That's when he invented the stunningly simple yet amazingly effective method he named Afformations—a method that's since helped tens of thousands of people around the world to attract more money, lose hundreds of pounds, find their soul mates, grow their businesses, and dramatically improve their lives, with just four simple steps. *The Book of Afformations* isn't just another book on abundance. It's a proven, step-by-step guidebook to living the life of your dreams. Inside this book, you'll discover:

- What the Belief Gap is and why it's keeping you stuck
- How a struggling insurance salesman increased his income by 560 percent in less than a year—and found the love of his life—using this method
- How a 13-year-old girl cured her chronic insomnia using this simple technique—in just one night
- What they told you about the Law of Attraction that's just flat-out wrong
- How to quit smoking and overcome depression without drugs or therapy
- The 2 most effective questions of all time, and the 1 question you should never

ask • How to create instant superstar performance in yourself and everyone in your organization • And that's just the beginning . .
. Are you ready to join the Affirmations Revolution?
