

## The Argonauts

The first new Penguin Classics translation of the Argonautica since the 1950s. Now in a riveting new verse translation, Jason and the Argonauts (also known as the Argonautica) is the only surviving full account of Jason's voyage on the Argo in quest of the Golden Fleece aided by the sorceress princess Medea. Written in the third century B.C., this epic story of one of the most beloved heroes of Greek mythology, with its combination of the fantastical and the real, its engagement with traditions of science, astronomy and medicine, winged heroes, and a magical vessel that speaks, is truly without parallel in classical or contemporary Greek literature and is now available in an accessible and engaging translation. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This revelatory exploration of Book One of the Argonautica rescues Jason from

his status as the ineffectual hero of Apollonius' epic poem. James J. Clauss argues that by posing the question, "Who is the best of the Argonauts?" Apollonius redefines the epic hero and creates, in Jason, a man more realistic and less awesome than his Homeric predecessors, one who is vulnerable, dependent on the help of others, even morally questionable, yet ultimately successful. In bringing Apollonius' "curious and demanding poem" to life, Clauss illuminates two features of the poet's narrative style: his ubiquitous allusions to the poetry of others, especially Homer, and the carefully balanced structural organization of his episodes. The poet's subtextual interplay is explored, as is his propensity for underscoring the manipulation of the poetry of others through ring composition. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1993.

Deep in the heart of enemy territory, through mountainous seas and uncharted lands, Jason and his fearless crew, the Argonauts, do battle with giants, dragons, monsters and a merciless sea god, to bring the legendary Golden Fleece back to Greece.

Thrillingly retold for today's readers, this heroic tale of myths and monsters in the ancient world remains as fresh and exciting as the day it was first written.

The story of Jason and the Argonauts is one of the most famous in Greek myth, and its

development from the oldest layers of Greek mythology down to the modern age encapsulates the dramatic changes in faith, power and culture that Western civilization has seen over the past three millennia. From the Bronze Age to the Classical Age, from the medieval world to today, the Jason story has been told and retold with new stories, details and meanings. This book explores the epic history of a colorful myth and probes the most ancient origins of the quest for the Golden Fleece--a quest that takes us to the very dawn of Greek religion and its close relationship with Near Eastern peoples and cultures.

"Few classical stories are as exciting as that of Jason and the Golden Fleece. The stirring tale of an adventurer who was also the son of a disenfranchised king and a daring sea-captain has resonated through the ages, rumbling and echoing like the clashing rocks which almost pulverised the Argo. The themes of the legend are perennial, and endlessly engaging. Even while it tells of a quest to the ends of the earth, of the villainous usurper King Pelias, of dragons' teeth, of the loss of Hylas (beloved of Hercules) ravished by nymphs, and of Jason's passionate liaison with the sorceress Medea, it speaks to us of more: of gender and sexuality; of heroism and lost integrity; of powerful gods and terrifying monsters; of identity and otherness; of exploration and exploitation. The Argonauts are emblems of collective heroism, yet also of the emptiness of glory. From Pindar to J. W. Waterhouse, Apollonius of Rhodes to Ray Harryhausen, and Robert Graves to Mary Zimmerman, the Argonaut myth has inspired later interpretations as rich and diverse as the ancient versions. Helen Lovatt here unravels the various strands of the tangled narrative and its numerous and fascinating afterlives in a book

that will both inform and endlessly entertain all those who love classical literature and myth"-- Retells the story of Jason and the Argonauts in graphic novel format.

**LEGENDS** When he was very young, Jason's uncle took the kingdom of Iolkos from his father, but now Jason wants it back. First he must find and bring back the Golden Fleece. It is a dangerous mission but Jason and a crew of heroes set sail on the Argo to the Black Sea. The Argonauts must battle against giants, huge birds and sea monsters before their journey ends.

**Dossiers:** Greek Pottery, Greek Mythology

The voyage of Jason and the Argonauts and their hunt for the Golden Fleece is one of the most enduringly popular of all of the Ancient Greek heroic myths. Accepting the quest in order to regain his kingdom, Jason assembled a legendary crew including many of Greece's greatest heroes such as Hercules, Orpheus, Atalanta, Telamon, and the twins Castor and Pollux. With this band of heroes and demi-gods, Jason set sail in the Argo on a journey across the known world. During their quest, the Argonauts faced numerous challenges including the harpies, the clashing rocks, the Sirens, Talos the bronze man, the sleepless dragon that guarded the fleece, and of course the fickle will of the gods of Olympus. Dr. Neil Smith retells this classic myth, examining its origins, its history, and its continued popularity. The text is supported by numerous illustrations both classical and modern, including numerous artwork plates especially commissioned for this work.

A genre-bending memoir that offers fierce and fresh reflections on motherhood, desire, identity and feminism. At the centre is a love-story, between Nelson and the artist Harry Dodge, who is undergoing gender reassignment, while Nelson undergoes the transformations of pregnancy. Personal, honest and wide-ranging, Nelson explores the challenges and complexities that

make up a modern family.

The final chapter of the Kingdom of Hades comes to a close. Uncover the secrets of Jason and his Argonauts in this action-packed final issue! Ships with 2 covers in equal ration.

"The Golden Fleece and The Heroes Who Lived Before Achilles" by Padraic Colum. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Check out this special edition which has never before seen images and character designs from the collection. From the writer of Dr Who comes a new Ray Harryhausen Presents adventure. The quest to find the Golden Fleece is over, but now Jason and his band of Argonauts must embark on a new and more difficult journey-- the journey home. Pursued by a vengeful Aeetes, the Argonauts will brave many dangers, and encounter old friends and new, and old enemies and new... but when the gods play games, no one can avoid reaching the lands of the dead forever...

Enter the living world of Greek myth. Join Jason, Acastus, Hercules and the rest of the crew of Argo on their epic quest for the Golden Fleece. It is a world of gods and monsters, a world where prophecies and curses come true, a world haunted by demons and populated by epic heroes. And it is a world where male love was accepted, celebrated and even revered. Jason's native city Iolcus is under a curse. The king is tormented, people are abandoning the haunted city and it is slowly dying. The only hope appears to be retrieving the Golden Fleece, which was lost to Iolcus generations earlier. Jason and his cousin Acastus take on the daunting task of assembling a company of athlete/heroes to recover the Fleece from Colchis, the legendary land at the end of the world. Along the way they find adventure, danger—and love. The Loves of the Argonauts, based on the original Greek myths in their various versions, vividly recreates that world and the Argo's storied journey on a truly epic scale.

With echoes of Jerome K. Jerome's 'Three Men in a Boat', Adjacent to the Argonauts is a humorous sailor's yarn written both for the Old Salt and Landlubber, and which also combines many characteristics of a guide-book. Enter a world where harpies torment mortals, the Argonaut Orpheus sings, the mighty god Zeus wages war on the Titans, and Prometheus steals fire. Author Padraic Colum weaves the tales of Jason and his Argonauts with classic Greek

mythology to create this captivating epic about life, war, and astounding beings who lived in a time long past.

The story of Jason and the Argonauts and their quest for the Golden Fleece. Includes a detailed and easy-to-read retelling of "Argonautica" by Apollonius of Rhodes, as well as the tragedy "Medea" by Euripides and other ancient sources. The book is based on the translation of the bestseller "What The Ancient Greeks And Romans Told About Their Gods And Heroes" by Nikolay A. Kun. The content of this book is also included in the compilation "Myths and Legends of Ancient Greece."

Sent by his uncle on a mission from which he's not expected to return. Impossible obstacles and dangers stacked against him. Inexperienced captain of a crew of heroes and demi-gods with mysterious powers. It's going to be epic.

The Argonauts of California being the reminiscences of scenes and incidents that occurred in California in early mining days.

### The Argonauts

Reproduction of the original: The Argonauts by Eliza Orzesko

The Argonautica is the dramatic story of Jason's quest for the Golden Fleece and his relations with the dangerous princess Medea. The only surviving Greek epic to bridge the gap between Homer and late antiquity, this epic poem is the crowning literary

achievement of the Ptolemaic court at Alexandria, written by Appolonius of Rhodes in the third century BC. Appollonius explores many of the fundamental aspects of life in a highly original way: love, deceit, heroism, human ignorance of the divine, and the limits of science, and offers a gripping and sometimes disturbing tale in the process. This major new prose translation combines readability with accuracy and an attention to detail that will appeal to general readers and classicists alike.
