

The Art Of French Kissing Kristin Harmel

It is the first week of July, in the year 1956, and four teenaged siblings are spending time on a rural farm in Arkansas; bored and restless. They, along with their parents are just beginning their summer vacation paying the obligatory visit to the grandparents, and Uncle Romey, the adult son with Down's syndrome. Instead of spending their time searching for four-leafed clovers in the grass, the youngsters would rather be going to the beach every day and hanging out with their friends back home in Long Beach, California. The vacation seems as though it will be the same as the last one and the one before that. But at least the arrival of an aunt and uncle and cousin makes things a little more fun for the youngsters, as they find ways to entertain themselves; which of course translates as getting into mischief. Also, with the arrival of the aunt and uncle, tensions begin to escalate between the adults when a long held secret, previously known only to the grandparents is brought to light. Then with the unexpected arrival of the argumentative, prodigal daughter, who has decided to join the family in the Fourth of July celebration, things really begin to heat up within the household and the dissention magnifies. What was expected to be a routine holiday celebration, turns into an extraordinary adventure. With the discovery of long buried human remains, the story unfolds into one of dark secrets, assault, deception, lies, dead bodies, ghosts, and murder; and the life of each remaining family member is affected forever.

Restoration artist Sean Quinn is perfectly content spending his downtime devouring classical literature, while keeping his OCD and fourth-degree black belt under wraps. But when his FBI agent brother coerces him into investigating stolen artifacts, Sean becomes the target of a ruthless smuggling ring that funds terrorists. Gretch Allen, a beautiful man-magnet, hides a world of hurt under her icy exterior. When Sean rescues her from a stalker, she discovers her co-worker has an alpha-hot fire burning beneath his geeky exterior. As barriers between them begin crumbling, however, she accidentally places herself in much more extremist danger. Unable to stop the unraveling events from turning deadly, Sean must conjure his inner hero to save his city and capture the heart of the queen.

Avoid the most common kissing mistakes and learn how to kiss like a pro! Being a good kisser is crucial to your dating life and future relationships. Survey says that 90% of men and women said that they would not date someone who was a bad kisser. But you shouldn't worry, because this book will definitely help you to master the art of kissing. This is the most comprehensive and fun book on kissing you'll ever read. Here you will find tons of great information on how to kiss for guys and gals. Because YOU still want to know the timing, the moves and the atmosphere.

The dictionary says that a kiss is "a salute made by touching with the lips pressed closely together and suddenly parting them." From this it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing. If we are to get the real meaning of the word kiss, instead of going to the old fogies who compile dictionaries, we should go to the poets who still have the hot blood of youth coursing in their veins. For, instance, Coleridge called a kiss, "nectar breathing." Shakespeare says that a kiss is -a "seal of love. Martial, that old Roman poet who hid ample opportunity to do research work on the subject, says that a kiss was "the fragrance of balsam extracted from aromatic trees; the rise odor yielded by the teeming saffron; the perfume of fruits mellowing in their winter buds; the flowery meadows in the summer; amber warmed by the hand of a girl; a bouquet of flowers that attracts the bees." Yes, a kiss is all of these ... and more. Others have said that a kiss was: the balm of love; the first and last of joys; love's language; the seal of bliss; love's tribute; the melting sip; the nectar of Venus; the language of love. Yes, a kiss is all of these . . . and more. For a kiss can never be absolutely defined. Because each kiss is different from the one before and the one after. just as no two people are alike, so are no two kisses alike. For it is people who make kisses. Real, live people pulsating with life and love and extreme happiness. In this book you will learn: Different Kinds of Kisses, Why People Kiss, Why Kissing Is Pleasant, Approved Methods of Kissing, Kisses Are But Preludes to Love, Preparing for the Kiss, How to Approach a Girl, The Technique of Kissing, How to Kiss Girls with Different Sizes of Mouths, Enjoy the Thrills of Kissing, The French "Soul" Kiss, Put Variety into Your Kisses, The "Vacuum" Kiss, The "Spiritual" Kiss, The Eyelash Kiss, The "Pain" Kiss The "Nip" Kiss, Variation Kisses Are the Spice of Love, Electric Kissing Parties, The Dancing Kiss, The Surprise Kiss, Kissing Under the Mistletoe, Kissing Games...and much more In How to French Kiss with Confidence, William Cane reveals that there is more to French kissing than simply locking lips and wiggling tongues. Don't you wish you could get the most out of it always when you try to kiss someone? Get ready to explore the most fascinating techniques and advice that will ROCK your imagination. I think you'll be shocked by what you're about to read. This book provides you with the most ingenious tips that are very simple to learn. Turn into a king or a queen of kissing and enjoy the life's most treasured moments. Ever since time immemorial, a kiss has always served as a cultural foundation of romantic love. A kiss is your innermost passion and desire for another person manifested. It is a mutual promise of love. And for couples who have been together for a long time, a kiss serves as a reaffirmation of that love. The first kiss means something even more. It is a seal that binds two people together. A kiss can be the precursor to anything... love, sex, a relationship. It can be a prelude to a great love story in the making. When it comes to dating, kissing has a more practical purpose. People use kissing to determine the suitability of one's partner as a potential mate. Thus, a single kiss can make all the difference between getting rejected and being asked inside for a nightcap (or possibly even more). And yet for something as basic and instinctual as kissing, it is surprising how very few people can do it right. Through this book, you will learn not just how to kiss but how to do it correctly. When it comes to the first kiss, the when is just as important as the how. These are just one of the things that you'll learn in these pages Here Is A Preview Of What You'll Learn... What's in a Kiss? How Do You Give Someone Their First Kiss? How Do You Progress From No-tongue Kiss To a French Kiss? Giving The Best French Kiss The Most Powerful Kissing Techniques The Most Ingenious Techniques for Kissing During Intercourse Other Types of Kisses that You Can Use to Deepen Intimacy and Desire Much, much more!
