I woke up at 5:55 A.M. with the words, "Transmissions from Home!" How it All Began - The California sun was still below the horizon, and after a long complex dream of being in someone else's house and realizing it was time for me to leave. I got up and went into my office to receive this transmission. I am ready for your transmission now. Would you please send me your message? Then I heard the words again, "Transmissions from Home." In my mind's eye, I saw a man sitting at a desk looking like a newscaster. He was blonde and had on a uniform, which I thought looked like the Uniform of a member of the Galactic Federation. His uniform was white and gold with an insignia over his heart. There were also golden adornments on his shoulders, and his collar was straight up, like a military uniform. In fact, it was a dress military uniform, but not from our military. After hearing twice that he had "Transmissions from Home," I turned on my computer, put my hands over the keyboard and prepared my consciousness for his message by saying, "I am ready for your transmission." I was surprised when the first message came from a female named, Mytria.

There were just the two of us on the ship. I had not been on the ship very long when I had my first experience of the Mothership's Oversoul. I had been there long enough, however, to understand that the ship was a living, multidimensional being.

"Our Dear Emissaries to Earth, We come to you in this NOW to inform you that we will be landing soon, but only in a frequency of reality in which "Power Within Self" has replaced all remnants of "Power Over Others." Hence, the frequency in which we land will be determined by humanity. We know that those who live via Power Within are not responsible for those who linger in the lower dimensional format of Power Over Others. All that our beloved returnees to lightbody can do to assist the ones lost to Power Over, is to send them Unconditional Love and Violet Fire. Then you must release them from your consciousness, as it is their decision to awaken or remain asleep within a reality of fear and domination.

By remaining in the format of fear and domination they will have chosen to attach their lower states of consciousness to the remnants of Gaia's Lower Astral Plane. The Lower Astral Plane is much like the cellar of an old house that has been abandoned. This "old house" is being renovated from the "roof" down. As the "house" is renovated, the frequency rate will expand into higher dimensions that are not accessible to those who choose to live in the darkness of the cellar among that which has been long ago been stored and forgotten. In other words, as our awakening ones remember to forget the lost ones, their consciousness will expand beyond "frequency range of experience" of those lost to the "cellar." Hence, the lost ones will remain in the lowest planes of existence, while the ascending ones align with higher and higher frequencies of reality. Eventually, the frequency of the planet will be so wonderfully high that the lower astral plane will be shed from Gaia's body. Just as an animal takes on a heavy fur coat for the long, cold winter and sheds it in the spring, Gaia will shed Her heavy, Lower Astral Plane. As She returns to Her beloved fifth dimensional frequency, She will first shed the density of the Lower Astral Plane and, eventually, shed all of remnants of Her third and fourth dimensional planetary body. As we have often said, Gaia is an extremely loving Mother. Therefore, as long as She carries any remnants of third/fourth dimensional

"Thomas Wingfold, Curate or The Curate's Awakening" is the first novel of the series that begins with the story of a compliant and lifeless curate in the Church of England and the profound changes that happen in his life and the people around him.

Thomas Wingfold is a clergyman who is losing belief in the faith, but he goes through many transformations as the story unfolds. "Paul Faber, Surgeon or The Lady's Confession" is the sequel to The Curate's Awakening and it tells the story of a village doctor and a proven atheist. His friend and village curate, Thomas Wingfold is trying to bring him closer to the Church, but constantly ends up failing in those attempts. Doctor believes that only victories and tragedies of life can bring one to Jesus.

However, after one accident, Faber saves life of a beautiful woman and they fall in love, but her secret past comes in between. "There and Back or The Baron's Apprenticeship" is the third and final novel that completes the series. In Waking the Goddess, Book Two of the Body Ascension Series, Angela courageously shares the gifts of her deep exploration of the creative and sexual energy, as she opens the circuitry within her body through Explosive Sexual Healing and G-spot orgasm. The opening of the pathways within her body and the activation of the sacred feminine Shakti energy initiates her into the deepest transformation of her life, as this awakened energy draws her to her Twin Flame. Many believe in the fairy tale concept of happily-ever-after when Twin Flames meet, but the truth is much different. While the gift of eternity is literally experienced in a single meeting of the eyes, it is also the most intense catalyst of spiritual awakening one can imagine. Anything that stands between where you are and true unconditional love gets served up for incineration. Every illusion and false belief around relationship, love, sex, money and religion rises to be transmuted on behalf of self and the collective. Angela's extensive training in

esoteric and yogic practice poises her to handle deep cellular, mental, emotional and spiritual lessons as she literally transmutes millennia of feminine pain and illusion through her very body. Despite barriers that are destined to keep them apart, Angela and her twin Max are drawn together by a tractor beam of divine eternal love, and walk bravely into the flames of transformation, trusting a higher purpose within the blueprint of the true divine union. The gifts are as immense as the pain as they swing in the polarity of human experience, discovering the meaning of divine union in the act of unifying the polarity into oneness. Ultimately twins find each other to embody unconditional love and awaken to their roles of being in service to humanity. This is the most raw and naked sharing of truth as Angela bares it all in every way imaginable, reaching deeper levels of authenticity in her quest to inspire all others to the courage to be their truest, most authentic selves. guides, the relayed messages bring readers up close and personal with the ascension process, sharing pertinent information regarding the light body and Earth's ascension. This invaluable text supports Lightworkers and Starseeds in their path of remembrance and the activation of their light body and star-seed. This book holds written and energetically coded messages from star councils and the Archangels. "I pretty much cried through many of the chapters, it was almost like a code of remembering my light and my assignment here on the earth plane at this time of 'now'." -Karina Olszweski, Canada "Activating The Starseed goes straight to the heart of enlightenment. I found that it offered practical steps toward raising one's frequency and understanding our energetic bodies, along with a nearly palpable energy that worked on other levels as I read the book. I truly enjoyed the chance to go along on Amy and Connie's journey toward discovery as their friendship grew and as their insight from the councils strengthened and came together. As a whole, this book is a refreshing yet profound reminder that we are not alone, that we are here during this time frame for a reason, and that our light is spreading and taking root. I feel that this book will serve as a priceless tool toward the awakening, activation, and ascension of all who are led to it!" -Lindsay Golden Johnson, USA "This is a greeting for you the reader, as we welcome you to

this book, to these teachings, and into these understandings. Please know that as you continue in your journeys of raising your vibrations and sharing your light, you are supported by the love divine. It is through your intentions and activations that your desired ascensions will relate your imparted knowledge, understandings, and remembrances. For once the light body is activated and the star seed (for those who are seeded) ignited, memories of your soul's origin and purposes will unfold. Surfacing from your mind, the subconscious, you will begin having recollections and innate, instinctually guided, instructions as the light codes within your being relay their formulated plans and your desires; the desires that you set forth upon yourself prior to this incarnation. And so it is at this time that we greet you, with love and in love. It is at this time that we say hello and extend a greeting to you from us, who are of the stars, of your home and of your space of origin." -The Council of 8 Starseeds, Lightworkers, Earth Angels, Indigo, Crystal and Rainbow children, Energy Healers and those awakening to the extrasensory worlds around them will benefit from the information and messages found in *Activating the Starseed*. *Activating the Starseed* is written from a Starseed perspective for all Lightworkers, Starseeds, Earth Angels, and those in their journey towards ascensions and enlightenment, including the Indigo, Crystal, and Golden Children.
