Fans of Louise Penny will love the Emily Kincaid mysteries by Elizabeth Kane Buzzelli! A Kirkus Reviews Best Book of 2011! "Emily is a detective for our times: She can't afford health care, but she can make flour out of cattails and work three jobs at once." —Christian Science Monitor Nothing could have prepared part-time journalist Emily Kincaid for the sight of a brutally slain woman left in an abandoned farmhouse, but when she and brooding Deputy Dolly link the execution-style murder to a rash of dead dogs being left on the doorsteps of migrant farm workers, she knows a new form of darkness has descended on her quiet northern Michigan town. Unsure whether the events are acts of retribution, warnings to silence potential witnesses, or omens of even more sinister deeds to come, Emily discovers an alarming string of clues in a book she's editing for an eccentric Englishman. The flamboyant author hardly seems the type for such gruesome acts, but the eerie plot seems too similar to be coincidental, and too ghastly to ignore. When another macabre murder takes a life at the Englishman's own home, an investigation already laced with fear becomes downright terrifying. Drawing on the strength of a friendship that's been tested to the limits, Emily and Dolly will have to put all their squabbles aside to protect each other and catch a killer, because life can be cruel, but fiction can be fatal. Rave reviews for the Emily Kincaid Mysteries: Dead Dancing Women "Every woman who's ever struggled with saying no, fitting in, and balancing independence against loneliness will adore first-timer Emily." —Kirkus Reviews Dead Floating Lovers "A mystery that keeps you guessing, together with the story of a woman slowly finding her voice" —Kirkus Reviews Dead Sleeping Shaman "Buzzelli's well-crafted third Emily Kincaid . . . [features] sharp prose and spirited characterizations." —Publishers Weekly Praise for A Most Curious Murder: "Fans of [Lewis] Carroll will delight in Zoe's flights of fancy, and the northern Michigan setting in all its splendor is a charmer . . . an entertaining series with a quirky premise and captivating characters." —Library Journal "This quirky, clever cozy series launch . . . [is] hard to resist." —Publishers Weekly "Quirky main characters, lyrical dialogue and a story sure to appeal to bookworms as well as cozy mystery fans are all elements that give this novel a distinctive voice. A clever mystery and intriguing supporting cast round out the mix." —RT Book Reviews (four star review)

Born in Lincolnton, North Carolina, in 1837, Stephen Dodson Ramseur rose meteorically through the military ranks. Graduating from West Point in 1860, he joined the Confederate army as a captain. By the time of his death near the end of the war at the Battle of Cedar Creek, he had attained the rank of major general in the Army of Northern Virginia. He excelled in every assignment and was involved as a senior officer in many of the war's most important conflicts east of the Appalachians. Ramseur's letters--over 180 of which are collected and transcribed here by George Kundahl--provide his incisive observations on these military events. At the same time, they offer rare insight into the personal opinions of a high-ranking Civil War officer.

Correspondence by Civil War figures is often strictly professional. But in personal letters to his wife, Nellie, and best friend, David Schenk, Ramseur candidly expresses beliefs about the social, military, and political issues of the day. He also shares vivid accounts of battle and daily camp life, providing colorful details on soldiering during the war.

In understanding who I am and the journey it took to get me from one point in my life to another, I have written this book of poetry as the link to a creative process of true and honest emotions. I am the force behind my own energy and fate. Through purpose and passion it is with joy and happiness I share my unshakeable truths. My world revolves around interpretations of rhythm and rhyme. While some may view these poems as thought-provoking, they are merely words of beauty and power that surround me in my space and time. The passion and light reflected in this book are responses to inspirations, tragedies, love, and faith, a way that helps me to connect with the modern reader. They are words that I have spoken and thought of in my mind and heart. Poetry is love in any language and because I am in love with life, I have written these love songs to those that have achieved something greater than the power of words. Poetry is wisdom and the humility that comes from wisdom. All the knowledge that I have gained

from wisdom comes from heaven. I am but a lonely dreamer.

If the Shoe Fits  
If the shoe fits  
Go ahead, put them on  
Lace them up  
And then walk around  
The red ones  
With the shiny little bow  
Or the clear glass slippers  
That Cinderella lost  
The brogan boots  
With the worn out sole  
With the ran over hill  
With the steel plated toes  
The tennis shoes  
That's comfy as can be  
Or the high heel pumps  
That makes you walk, with a slump  
You see, shoes come in all colors  
Shapes and size  
So before you start walking, think and decidelf the shoe fits...

In the Name of Friendship (English Version) "Shinta, please let me go for my sisters!" Aiman pleaded. "I am sorry, Aiman. This is my duty. I can't help you," Shinta said regretfully. Aiman suddenly knelt before Shinta and caught her hand in both of his. "Please, Shinta! I acknowledged that I've done wrong. But please let me go just this once! Please, for our friendship's sake!" he begged. Shinta took a deep breath before she stated firmly, "Fine. In the name of our friendship, I'll let you go this time, Aiman." In the name of friendship, Shinta helped her best friend, Aiman, even though she realized what he had done was wrong. Little did she know that her help would put Aiman's life in jeopardy instead.

The effect produced upon the general mind by the appearance of Charlotte Brontë in literature, and afterwards by the record of her life when that was over, is one which it is nowadays somewhat difficult to understand. Had the age been deficient in the art of fiction, or had it followed any long level of mediocrity in that art, we could have comprehended this more easily. But Charlotte Brontë appeared in the full flush of a period more richly endowed than any other we know of in that special branch of literature, so richly endowed, indeed, that the novel had taken quite fictitious importance, and the names of Dickens and Thackeray ranked almost higher than those of any living writers except perhaps Tennyson, then young and on his promotion too. Anthony Trollope and Charles Reade who, though in their day extremely popular, have never had justice from a public which now seems almost to have forgotten them, formed a powerful second rank to these two great names. It is a great addition to the value of the distinction gained by the new comer that it was acquired in an age so rich in the qualities of the imagination. But this only increases the wonder of a triumph which had no artificial means to heighten it, nothing but genius on the part of a writer possessing little experience or knowledge of the world, and no sort of social training or adventitious aid. The genius was indeed unmistakable, and possessed in a very high degree the power of expressing itself in the most vivid and actual pictures of life. But the life of which it had command was seldom attractive, often narrow, local, and of a kind which meant keen personal satire more than any broader view of human existence. A group of commonplace clergymen, intense against their little parochial background as only the most real art of portraiture, intensified by individual scorn and dislike, could have made them: the circle of limited interests, small emulations, keen little spites and rancours, filling the atmosphere of a great boarding school, the Brussels Pensionnat des filles—these were the two spheres chiefly portrayed: but portrayed with an absolute untempered force which knew neither charity, softness, nor even impartiality, but burned upon the paper and made everything round dim in the contrast. I imagine it was this extraordinary naked force which was the great cause of a success, never perhaps like the numerical successes in literature of the present day, when edition follows edition, and thousand thousand, of the books which are the favourites of the public: but one which has lived and lasted through nearly half a century, and is even now potent enough to carry on a little literature of its own, book after book following each other not so much to justify as to reproclaim and echo to all the winds the fame originally won. No one else of the century, I think, has called forth this persevering and lasting homage.
