Caught in a blizzard on Christmas Eve, Georgia Beckett finds herself at her old childhood home, now the residence of her childhood sweetheart, Sebastian Corder. Mega wealthy Tanner Storm has it all - great looks, wealth, and nothing holding him down. Then, his father decides to play games with him and his siblings, handing him an apartment complex in downtown Seattle that Tanner wants nothing to do with. When the conditions of his father's terms ensure that he do something with this building or lose his inheritance, he at first thinks, so what. But, then it becomes a challenge that he has to accept, because he's never before backed down. He decides to tear down the building and start fresh with something far more appealing that will add to his already fat wallet. The only problem is that the residents don't want to leave, and under the contract with his father, he can't force them out. When he ends up before Judge Kragle

from all the complaints made against him, the judge decides the best punishment for him will be two weeks of living in the very apartment complex he despises and two weeks of community service, playing Santa Claus at the mall. Perfect! This is not the Christmas of his dream. The plot thickens when he meets his neighbor, Kyla and falls into instant lust. Will this turn out to be Tanner's secret angel, or will he forget all about her the minute he leaves? "...Ms. Silk's uplifting stories pull you in and make you fall in love..." Elizabeth Lennox, Bestselling Romance Author I received an advance copy of this book, and what an amazing opportunity that was granted to me by our super talented author Gloria Silk whose two previous books are still fresh in my romantic mind! She deserves an honest review for this latest book From Geek to Greek Billionaire which is just as phenomenal as her other books! A gripping story about young love torn by doubts, immaturity and insecurities — they were abruptly separated from their first romantic meeting, until fate played a great surprise — meeting each other after almost a decade, both Olivia and Alexander experienced angst with twists and turns, their immature indecisions destroying first love that had beautifully blossomed inexplicably under magical circumstances!!! I love the way the storyline weaves into an interracial romantic connection between an equally magnificent portrayal of beautiful and talented Olivia Moore, an American and Alexander Anderson whose joint family heritage has led them to a more wonderful relationship with the family, adoptive parents of Alexander whose biological parents are from Greece. Following a complicated young lovers' story like Olivia's and Alexander's strengthens my faith in fate and destiny! When there is true love, forgiveness and redemption are easier to refresh a fully
