

The Billionaires Box Set

Free Babes and Billionaires is a compilation of sizzling hot free books by Serena Grey. **DRAWN TO YOU** A one-night stand leaves two strangers craving for more. On the night she discovers her ex's engagement, Rachel meets Landon, the sexiest man she's ever seen, who, for some reason, mistakes her for a hooker. The thing is, he's so sexy, and it's just one night. What harm can there be in giving in to the desire to lose herself in his touch? Landon prefers his women beautiful and sophisticated, with no desire for romance or commitment, so when his brother ignores his protests and sends him a hooker on his birthday, he's surprised by how willing he is to continue paying for her services. It should be easy, except she's no hooker, and she has no intention of letting him into her life. As the billionaire owner of Swanson Court Hotels, Landon is accustomed to getting what he wants, and Rachel is not going to be an exception. **WILD SEXY THING** Daphne doesn't want love, or romance, or sex, or even a relationship. She wants some time alone without casual sex with guys whose names she can't be bothered to remember in the morning—a temporary period of celibacy. Too bad her new roommate's brother is hot, insanely hot, like melt your panties and spread your legs kind of hot. From the moment she sets eyes on Jason Wild, Daphne can't stop craving the sensual delight she knows she will find in his arms. Her self-imposed celibacy is no match for his blatant sexuality and all the naughty things he promises to do to her. Jason is not interested in commitment, and Daphne is done with hookups, but it's only a matter of time before they indulge in their naughty fantasies about each other. Only, what happens after, when it's time to walk away? **UNDENIABLE** Her passion for him ruined her life once already, but he still has the power to make her crave him with just one touch. Olivia Wilder fell in love with Jackson Lockwood the first time she laid her eyes on him. She gave him her heart and her love, and she ended up alone, heartbroken, and with scars that were almost too much for her to bear. Seven years later, they cross paths again. Jackson is everything she remembers, only more irresistible. Underneath his disdain, his desire to possess her lights a response within her, but she has no desire to rekindle their past or face the pain of all those years ago. However, Jackson has no intention of making it easy for her. This time, he's determined to make her pay for the past, and for the future they should have had, even if it means destroying her in the process. Book 1 – The Billionaire's Desire (A Dark Billionaire Romance Short Story) He was tall with long, black hair. He wore a suit, and he wore it well – it was tight-fitting and hugged his lithe body. He was talking heatedly with another man in a suit near a door marked “employees only.” As Molly watched he laughed and patted the other man on the shoulder, and then turned and made to walk away – but then he caught her eye. She suppressed a squeal – she didn't know why, but she would have squealed if she hadn't made the conscious effort to stop it – and looked away. She was near the eggs now, so she focused on them. She felt more than heard his presence behind her, and her whole body froze. She felt like a shadow had just descended on the entire aisle. Who was this man and why was he standing behind her? She suppressed the urge to turn around. She didn't know why but the idea of turning around was terrifying to her. Well, she did know why – he was incredibly attractive and he was close to her. She wasn't very good with attractive men. She wasn't very good with men in general. Finally she heard him – heavy breathing, in and out, slow, rugged breaths. Book 2 – The Billionaire's Deal (A Dominant Billionaire Romance Short Story) I love it when the trees are so tall they have grown together above the lane so that I am driving in a tunnel of trees, the light just sparkling through the leaves like shiny copper pennies falling from heaven. Of course, I know Copper Ridge Ranch was named for the natural element once found in its soil, and if anything rains down on Marcus Elliott - it's not copper. It's thousand dollar bills. Do they even make those? If they do, I'm sure Mr. Elliott uses them like tissue paper. I take the corner a little too fast and hear the rattle of the food trays in the back. Great, that's all I need! On the day Marcus

welcomes August Kalle into his home, I'm going to show up with a cheesecake covered in road rash! I'm lucky though. Not too much to unload on this trip. I started Carrie's Catering because I liked to cook and I needed a job. Little did I know I'd spend most of my time being a roadie - spending more time loading and unloading the van than mixing, baking or frosting all together. But, Copper Ridge Ranch is my flagstone client. They spend so much money and time on catering Mr. Elliott once asked me to consider moving into a guest house and just living here.

Book 3 – The Billionaire's Trust (A Female Billionaire Romance Short Story) An urgent flashing of the house lights beckoned the audience back to their seats for the Second Act. Vicki had spent the intermission backstage, chatting with two of her favorite singers who would soon grace the stage once more as the booming baritone Magnifico and his daughter Angelina, a dazzling soprano whose career had reached new heights during these ten, high-profile New York performances. Vicki couldn't conceal her delight at the absolutely full house. "I guess the new marketing firm really hit one out of the park," she commented quietly to Martin as the lights dimmed. "All ten performances are sold out!" Her lawyer friend smiled. "It's the inspired leadership they've been getting," he replied. "New blood, new ideas. It's just magnificent." The maestro appeared at the edge of the orchestra pit and received enthusiastic applause. "Although even I would admit that Rossini's genius might have something to do with it," Martin said, raising his voice over the audience's appreciation. "Still, you've broken the glass ceiling yet again, I would say. Bravo, Miss Vydra." "You're too kind," she said, patting his hand as the strings stirred in a quiet but ominous tremolo, quickly ushering in a sudden and violent orchestral tutti, brassy and loud, which filled the huge auditorium with the dark ferocity of the storm it depicted. Vicki let the eruption pass through her, finding herself carried by its torrential force, allowing the moment to fill her with an awed respect for nature's power. She knew that it could not last, and the audience was soon deposited kindly into the peaceful meadow of the storm's passing. Horn calls signaled the all-clear and, as one can always expect from Rossini, the good humor and delicate, social fun-poking resumed.

Three big beautiful women Alicia, Bethany, and Chloe will teach them the ABCs of love. Follow these couples as they negotiate the riskiest deal of all, falling in love. Book 1- His Dirty Demands It's hard to believe when I get the call: an offer to work for one of the Sabatini brothers. Cesare and Dante head a real estate firm that buys, sells, and owns some of the most spectacular real estate in Chicago. Dante Sabatini is the youngest of the brothers, and even though he's an arrogant

manwhore he doesn't come close to the asshole level of the oldest Sabatini, Cesare. While I work for Dante, Cesare is in the office across the hall—and too close for comfort.. Even if I weren't a virgin, I'm very aware getting involved with Cesare Sabatini would be a complete disaster. Until the moment I find out Cesare is having the same problem. The insanely gorgeous billionaire wants me? I'm a plus-size woman who has become numb to insults I have heard about my weight. I'm far from numb at the idea of throwing caution to the wind and giving in to the dirty demands Cesare whispered in my ear. Then I do something I never thought I would do. I steal twenty-five thousand dollars. I'm borrowing it, I'll put it right back. When Cesare finds out, he demands twenty-five days and nights of my body in return for the money. Book 2- His Dirty Promises Dante Sabatini. Billionaire, manwhore extraordinaire—and my new next-door neighbor. Two years ago, my sister married his brother. Over the years I've heard all about him and seen his pictures everywhere, yet between me away in school and Dante's hectic... ahem, "social life," we keep missing each other. Until the day I move in across the hall from him. Nothing could have prepared me for Dante Sabatini in person. He's more gorgeous than a photo could do justice—and more of an asshole than I thought was humanly possible. Oh yeah, and he wants me. Me? Plus size, virgin, twenty-four to his thirty-five, nobody to the models and actresses he's been with. Seriously? Only the jerk refuses to take me up on my begging to learn everything I can under his expert tutelage. We're family now, and there's too much at stake when we crash and burn he insists. Book 3- His Dirty Bargain My biological clock has been pounding, any minute now I'm going to hit buy on the sperm that's been sitting in my online cart for the last six months.... any minute. I want to be a single mom. The last five years without a man have been the best years of my life. Except, I do want kids, six if I had my way. But if I'm doing it alone I can't really afford more than one. At least what I need I can get off a website. I had no idea men had biological clocks too, Enzo Sabatini proved otherwise. The control-freak billionaire married a gold-digging womb to get the children he wanted, and not surprisingly it blew up in his face. With the ink barely dry on his divorce that lasted longer than his marriage, I'm tasked with finding him a new place to live. I can't believe it's really heat I see in his eyes when he looks at me. I'm nothing like his usual women, plus size compared to size zero Shock is an understatement when I see the ring. I can barely process his insane proposal of me getting the dream house and the multifamily property I want in exchange for at least ten years and two kids. Is there any way we can find a happy ever after from this dirty bargain?

Book 1 – The Secretary's Seduction (A Standalone Billionaire Boss and Secretary Love Story)

The funeral was short. Laurel was surprised that she cried during the service. It had been small, primarily populated by Laurel and her husband's family. He didn't have many friends and she had no family to speak of so the service was short and sweet. The sky was unbearably bright and they held the service in the late afternoon. Maybe not a sweet funeral, but it was short. Richard Ericson had died at the age of thirty five of a massive heart attack. He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him. Richard and Laurel had lived quietly side by side, she kept the house and he went to his office job from eight to six. He came home and she had dinner ready. They never had children. There was little love in the marriage. Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground. Her mother-in-law patted her briskly on the shoulder. The woman's face was tight and devoid of emotion as she gave her a stiff hug. Without another word she walked to where her husband stood, a somber man. The two made a lovely emotionless pair. Her mother and father-in-law were silent and shed few tears. There was little love in the family as well. Book 2 – Saved by the Billionaire (A Standalone

Billionaire's Second Chance Love Story) The sun was rising, gently pouring into my bedroom. I stretched out in the sheets, feeling them beneath my fingertips. They felt better this morning – softer and nicer. I had met a boy. It sounded silly but I had. Not my type either. There was no way around the fact he was a dork. A nerd. Silly and flustered when he spoke to me, trying to make eye contact but failing because I was a cheerleader. And I loved it. He was so adorable that I couldn't stand it. On a whim and three drinks later, I had given him my number in hopes he'd contact me. Book 3 – Second Chance with the Billionaire (A Standalone Billionaire Romance Short Story) Breanna and Josh are two college students who are madly in love. Sarah is Breanna's best friend and roommate. Josh is a computer science student and Breanna is a cheerleader on a scholarship, Josh is the valedictorian as well. The three of them graduate together and start their new lives. All goes well for Josh and Breanna in their new life, until the unexpected happens. They thought they had forever but when Josh gets something that he always wanted, something he needs, a hard decision has to be made. Book 4 – The Actress (A Standalone Billionaire and Actress Erotic Romance Novel) As Jan looked up the address of the hotel nearest LAX, LA's airport. A casting call looking for young female leads had caught her attention from the back of a literary magazine. She was going out on a limb, and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires. When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump. Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious, it was something that she'd learned back many years ago. Cheerleading had taught Jane a lot, and often times her minds drifted back to the life lessons. Teamwork was something that few people in high school seemed to understand, besides maybe a few of the all star athletes. Jane learned it took others to really excel. She still believed that the individual was important, but she saw them as cogs in a larger framework of other cogs. WARNING: This collection which contains some very steamy love scenes. It is only appropriate for mature readers age 18+.

Deanna, 5 star Goodreads Review for Fearless In Love BOOK DESCRIPTION: Daniel Spencer is proud of the billion-dollar business he's built, but there are few things he enjoys more than creating something with his bare hands. Lake Tahoe has everything he's looking for—the lakefront cabin he's building for family and friends to enjoy, crystal clear water and lush green mountains. Everything except the perfect woman to share it with. Until Tasha Summerfield literally falls into his arms. After learning that her family has lied to her for pretty much her entire life, Tasha flees San Francisco for the mountains. As she tries to bury her heartache by hammering her dilapidated cabin back together, the last thing she expects is to fall for a sexy billionaire. But when a storm blows in and she desperately needs help, there is Daniel, waiting with open arms. Tasha believes Daniel deserves a woman from a perfect, loving, tight-knit family like his. Yet how can she possibly resist a man this sweet and generous...who looks positively sinful in his tool belt? With every delicious taste of him, Tasha finds it harder to quell the hopes and dreams she thought were crushed forever. But when it turns out that Daniel's family isn't picture perfect after all, will the truth set them both free? Or will it destroy any chance they ever had? Settle in for these three full-length romances full of men who take charge in the boardroom and the bedroom! Don't miss this set of hot Bad Boy billionaire bosses waiting to be found out! Dirty Little Secret: A Secret Baby - Second Chance Romance (The Sons of Sin Book 1) Once upon a time, I was nothing more than a bad boy seeking all the tail I could get ... Something happened to change all that. Suddenly, chasing women turned into chasing the dream of becoming a doctor. Hard work and determination had me meeting my dream a hell of a lot sooner than most. And with the title of doctor came ready and willing women, set on landing themselves a wealthy physician. Little did they know that I would readily give them some hot, steamy memories to keep, but my heart belonged to someone else. Someone I didn't want to share with anyone. But then she came along, claiming what had always been only mine. And maybe she would claim my heart as well ... The Virgin's Baby: A Forced Marriage Romance (The Sons of Sin Book 2) Having a stranger's baby wasn't a thing I'd ever dreamt of doing... As a busy college student, I didn't have time for the opposite sex. The center of my world was my approaching career. Until he came along. Stimulating. Virile. Obsessive. I was supposed to have his baby and nothing more. Only, he wanted much more than I could give. His slightest touch turned me into a puddle of melting flesh. If I allowed it, he would own me-body and soul. I would give him his heir, but never my heart. His Secret Virgin: A Forbidden Romance (The Sons of Sin Book 3) He took me by storm. From the moment I saw him, I knew he was the one to show me a world I'd never experienced. I didn't care that he was my father's age; maturity looked good on this man. And I couldn't shake the feeling that he was as attracted to me as I was to him. He had an ex-wife who didn't want to let him go and a couple of daughters older than me that followed right along in their mother's footsteps and my father was in my way. With so much between us, would I ever get to feel him touch me in a way I'd never been touched in my twenty years? Would his mouth ever take mine in a savage kiss? Would my hips ever grind against his? Would he be willing to fight with me for our love?

They thought they had forever but when Josh gets something that he always wanted, something he needs, a hard decision has to be made. Book 2 – The Actress (A Standalone Billionaire and Actress Erotic Romance Novel) As Jan looked up the address of the hotel nearest LAX, LA's airport. A casting call looking for young female leads had caught her attention from the back of a literary magazine. She was going out on a limb, and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires. When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump. Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious, it was something that she'd learned back many years ago. Cheerleading had taught Jane a lot, and often times her minds drifted back to the life lessons. Teamwork was something that few people in high school seemed to understand, besides

maybe a few of the all star athletes. Jane learned it took others to really excel. She still believed that the individual was important, but she saw them as cogs in a larger framework of other cogs. A person together with other people could construct all kinds of designs and ideas, something that cheerleading manifested with the tight triangle pyramids and graceful kicks that sent their flies flashing. Jan still liked the attention but now acting was the foremost activity on her mind. To her acting represented the perfect fusion of business and pleasure; the ability hold someone's attention and manipulating them into feeling a certain way. Jan was good at it, and she knew it. Agents knew it as well, and her career thus far had been like a rocket—or so it seemed. But something had been bugging her; in the back of the mind she had a reoccurring thought that maybe people kept giving her roles simply because of her looks. Did that mean that they secretly wanted to sleep with her? She would never know, or so she thought. But it didn't take long to find out. Not too far into her career as an up and coming model she made the switch to extra in rap videos while trying to land more roles as a supporting actress. She was in graduate school at the time and really needed the money, so it didn't take much for her to be able to rationalize her decision. The rap video gigs made her so much money that she didn't have to keep pulling long shifts at the local coffee place. She kept telling herself that she wasn't being viewed as just a sexual object, but then one night she was confronted by three close friends of a celebrity rapper with demands for sex. Jan had walked that night, on that job, but the years of struggling while watching some of the same girls who hadn't refused to spread their legs take off career wise had made her bitter. Jan was determined to be something respectable in life, even though life had been complicated the last few years. She'd split with Hal amidst not being able to help pay the bills when he'd been laid off from the local plant. It had been hard, and she'd had to briefly move back in with her mother. It seemed like so long ago now, when she thought back on it. Almost like it had been grade school stuff. But unlike grade school the crushes she made had never heart her like they did now. **WARNING:** This collection which contains some very steamy love scenes. It is only appropriate for mature readers age 18+.
