

The Charisma Factor

An edge-of-your-seat thriller from the bestselling author of, *Nerve*, the book behind 2016's hottest YA film, starring Emma Roberts, Dave Franco & Juliette Lewis. A chance at the ultimate makeover means deadly consequences... Aislyn suffers from crippling shyness - that is, until she's offered a dose of Charisma, an underground gene therapy drug guaranteed to make her shine. The effects are instant. She's charming, vivacious, and popular. But strangely, so are some other kids she knows. The media goes into a frenzy when the disease turns contagious, and then deadly, and the doctor who gave it to them disappears. Aislyn must find a way to stop it, before it's too late. Praise for Charisma '...this fast-paced and edgy novel has enough thrills, romance, and family drama to please a wide audience. This Robin Cook-like thriller zips along at breakneck speed to a satisfying conclusion.' Booklist 'Ryan (*Nerve*) offers a cautionary tale about the perils of designer genetics and what happens when scientists' aspirations get ahead of ethics. Her take on the topic is fresh and intriguing.' Publishers Weekly 'Suspense balances with discussions of bioethics for a provocative and entertaining read. A sympathetic protagonist combines with intriguing medical possibility for a solid thriller.' Kirkus Reviews 'Charisma by Jeanne Ryan is at its best when it gets technical. Considering Ryan has a PHD and has worked with youth development programs and social workers, it's obvious she knows what she talking about.' Hypable 'Not a far step from Ned Vizzini's *Be More Chill*...The science is explained well enough for non-scientist readers to understand, and gives teens much to think about regarding medical ethics and experimentation.' School Library Journal 'The science is both sharp and accessible here, and readers will get a sense of the nuances and messiness of genetic alterations while staying in Aislyn's world.' BCCB

In the updated 2020 edition of this classic text, Allan J. Lichtman applies his trademark 13 keys to predicting the outcome of presidential elections to every election since 1860 and shows readers the current state of the 2020 race, dispelling much of the mystery behind electoral politics. An indispensable resource for political junkies!

Self help.

HOW TO GET ON WITH ANYONE WILL GIVE YOU THE LIFE-CHANGING PEOPLE SKILLS YOU NEED TO CONNECT WITH ANY PERSONALITY TYPE. Most people lack the tools to deal with awkward situations and difficult people. But what if you could find out the secrets of dealing with ANY personality type? *How to Get On with Anyone* will give you the knowledge, principles and skills you need to improve your interactions with everyone, build your confidence and change your life. Part One – work out which of the 4 different personality styles you are and understand how they each operate. Part Two – recognise the personality styles in others, better understand how to get on with different types and anticipate where conflict and problems may arise. Part Three – use the

appropriate tools and strategies for typical situations including influence and impact, communication, power and control, and building resilience. Understand others, use your charisma and communicate effectively to build better relationships.

The chilling Saga of Darren Shan, the ordinary schoolboy plunged into the vampire world.

Provides valuable insights into corporate leadership as practiced by executives who, lacking the authority of a CEO, must rely on strategies and techniques unique to middle-layer corporate culture.

Small changes for big results in your social life, presence, and relationships.

Learn how to be captivating, memorable, and magnetic. Likability is one of the most important traits you'll ever learn. It's more important than your intelligence, looks, status, wealth, prestige, or education. Likability is the true currency of life.

Do you seem to fade from people's memory as soon as the conversation ends?

Banish those feelings of rejection and dejection. Principles of Likability

investigates the aspect of human nature that affects us the most - what makes us drawn to someone without our even realizing it? This is what we strive for

everyday, and it can make or break our moods. Likability - what is it and how can

we achieve it consistently? Use the principles laid out in this book and you'll

wonder no more. Make a powerful first impression and build a thriving social

circle. Patrick King is an internationally bestselling author and social skills coach.

His writing draws of a variety of sources, from scientific research, academic

experience, coaching, and real life experience. He has taught the art of becoming likable for years and only writes about real tactics that have been proven to work.

Utilize the subconscious causes of likability and charm. •Simple everyday

decisions to be more likable. •Why conventional advice about focusing on others

is flawed. •How to actually listen - a unique and different approach. •What value

has to do with your likability and charm. Become pursued and sought out instead

of ignored and forgotten. •Why being shallow isn't always bad, and is actually

valuable. •What abrasiveness is and why it's more powerful than likability. •How

to become worthy of being liked as second nature. Likability has the power to

take you anywhere you want in life.

This volume explores the nature of charisma as it accounts for the success of

leaders. Charisma is deconstructed and illustrated through the "case studies" of

three influential leaders in Singapore. Cultural issues are discussed and

leadership qualities in general are explored.

The Laws of Charisma explores the vital skills and traits needed to earn trust,

generate interest, and motivate others in the workplace. Bestselling author Kurt

Mortensen defines the intersection of these pivotal abilities as charisma--an

enviable quality that can lead to improved relationships, greater income, and

more success in every area of life. To some extent, charisma is innate, but in this

inspiring guide Mortensen explores the trait's four core elements to show how

anyone can draw out a more charismatic and compelling presence. With the help

of practical tools, simple principles, applicable exercises, and insightful assessments, you'll learn how to radiate confidence, passion, power, and optimism; influence others by improving communication skills; and persuade and empower anyone by creating instant rapport. People with the ability to enter a room and draw instant attention, effortlessly exuding charm and radiating energy, are better able to influence what gets done and ultimately achieve what they want. The Laws of Charisma is packed with everything you need to develop and bring out the more charismatic person within.

Leadership expert Drew Povey takes the reader through the seven characters that make up exceptional leaders

This book traces the history of the word 'charisma', and the various meanings assigned to it, from its first century origins in Christian theology to its manifestations in twenty-first century politics and culture, while considering how much of the word's original religious meaning persists in the contemporary secular understanding.

This ground-breaking and innovative book examines the influence of charisma on power, authority and nationalism. The authors both apply and challenge Max Weber's concept of 'charisma' and integrate it into a broader discussion of other theoretical models. Using an interdisciplinary approach, leading international scholars draw on a diverse range of cases to analyse charisma in benign and malignant leaderships, as well as the relationship between the cult of the leader, the adulation of the masses and the extension of individual authority beyond sheer power. They discuss idiosyncratic authority and oratory, and they address how political, social and regional variations help explain concepts and policies which helped forge and reformulate nations, national identities and movements. The chapters on particular charismatic leaders cover Abraham Lincoln, Kemal Atatürk, Adolf Hitler, Benito Mussolini, Gamal Nasser, Jörg Haider and Nelson Mandela. Political Leadership, Nations and Charisma will appeal to readers who are interested in history, sociology, political communication and nationalism studies.

The thing about Charisma We are all born as unique individuals, all with a different set of skills. Your prior achievements and the goals you have reached are a direct result of the abilities you possess and have developed over time. These abilities can through practice and effort be mastered and allow you to reach more ambitious goals and live a richer life with purpose. In a world where everything is possible and within reach, the ability to connect and interact with others to open new doors and speed up the timeline has become an increasingly more important asset. To be more consistently successful with your interactions and connection with other people, improving your level of charisma will be of great value. This book contains proven steps and strategies on how to improve your charisma to increase your attractiveness and to become more successful in your career, in your relationships, and in life. In order to improve your current level of charisma, you will need to take a holistic approach by learning the art of body

language, building rapport and making a good first impression. Equally important is the art of active listening, making small talk, and effective questioning, all of which will be discussed in more detail in this book. This book will help you with the answers you need to develop a more magnetic personality! In this book you will learn... What Charisma is and which personality traits are required Using your body language to increase your influence Building rapport and making a good first impression Active listening and gathering useful information How to question effectively Quick and simple techniques for influencing others Quit feeling clueless. Reclaim your power! Use this book to develop your charming and attractive personality to increase your popularity and influence today! Scroll up and click "Buy Now" to immediately start improving

DISCOVER THE HIDDEN SECRETS OF PERSONAL CHARM AND

INFLUENCE

Charisma. This unique quality of confidence, natural ability and personal magnetism exists within each and every one of us, just waiting to be unlocked. But while everyone is born with the capacity for charisma, few ever take full advantage of this amazing personal gift. More than a guide to becoming popular or charming—The Charisma Factor is part mentor, part roadmap to embracing your individuality, discovering your authenticity and empowering yourself. By determining what we really want in life, we ignite the drive necessary to reach new heights and become our best possible self. This is the “it” factor—the charisma factor—that separates leaders from followers, students from teachers, and dreamers from doers. With The Charisma Factor, you’ll discover . . . -The key characteristics of charismatic people -How to find—and enhance—your unique charisma factor -Effective strategies for being more charismatic in personal and professional settings -Daily tools and techniques for developing charisma -The secrets to turning charisma into authentic influence Within every person is a hidden spark of charisma waiting to be fanned into a flame.

Are you wondering how you can improve your relationships with your friends and family? Are you curious how to get or keep the job of your dreams? Do you want to become a more popular person? This book will show you how to do all that by raising your likeability factor—or how much other people like you. After all, life is a series of popularity contests. The choices other people make about you determine your health, wealth, and happiness. And decades of research prove that people choose who they like. They vote for them, they buy from them, they marry them, and they spend precious time with them. The good news is that you can arm yourself for the contest and win life’s battles for preference. How? By being likeable. The more you are liked—or the higher your likeability factor—the happier your life will be. This book will show you how to raise that likeability factor by teaching you how to boost four critical elements of your personality:

- Friendliness: your ability to communicate liking and openness to others
- Relevance: your capacity to connect with others’ interests, wants, and needs
- Empathy: your ability to recognize, acknowledge, and experience other people’s feelings
- Realness: the integrity that stands behind your likeability and

guarantees its authenticity What happens when you improve in these areas and boost your likeability factor? •You bring out the best in others •You survive life's challenges •You have better health—and even improve others' health, too •You outperform in your daily roles •You win the popularity contests that define your life Join me for a few hours and I'll share the results of hundreds of thousands of pages of research, numerous seminars, and hundreds of interviews with people just like you! Together let's build our likeability factor and improve our lives! Also available as a Random House AudioBook

Develop your own personal gravity with concrete skills to stand out, be noticed, and captivate people. If you (1) walk into a room and feel invisible, or (2) want to ensure you make a powerful personal impact - NEWSFLASH you need better advice than "fake it 'til you make it" or "just be yourself." Confidently approach and excel in any social setting. Magnetic Charisma is a book that just might fundamentally change how you interact with others. Never before have you looked behind the curtain of so-called charismatic people and the subtle ways they act and think differently. You get the "how to" along with the "why" and a multitude of illustrative examples. We are always told that our interpersonal skills are the key to what we want in life, and it's true. Let the actionable tips, questions, approaches, and replicable techniques in this book be your guide to growing your sense of personal magnetism and charm. Advice from an internationally-known, professional charisma coach. Patrick King is an internationally bestselling author and teaches charisma and social skills for a living. He's also a late bloomer and former social recluse - he made the transformation, knows exactly what it takes, and can relate to you every step of the way - advice from someone who simply gets it. He has been featured in: GQ Magazine, Tedx, Forbes, Men's Fitness, and the Huffington Post. The highly focused advice will teach you what matters in an interaction, from beginning to end, subtle to obvious, small to big. -How to wield your attention and focus for maximum impact. -How choosing and being a role model help your charisma quotient. -The subconscious body language signals that matter. -How to exude true empathy and warmth. Solve: small talk, interviews, networking events, and strangers. -How to demonstrate your value, confidence, and powerful presence. -How to tailor your communication and speak to individuals. -How to listen and validate effectively. -The top charisma mistakes people unknowingly commit. Charisma can be the difference between: a promotion and being terminated; a significant other and a mere friend; a smile and a dismissive frown. Charisma is the one skill that opens all the doors you want in life, and the benefits are endless. It is the lubricant, step ladder, and crowbar that will give you access to anywhere in the world. Your life will visibly improve in all respects - the benefits are countless and will show anywhere people are involved. -You will feel the power to literally shape the world around you. -You will build connections quickly. Be like Bill Teach Yourself The Clinton Factor shows you how to cultivate a charismatic persona in your working life using the 42nd president as your model.

The book concentrates on three areas of communicating in which President Clinton excels: story, status, and focus.

Having researched human performance for more than twenty years, a business expert shows how one important personality trait--charisma--can be learned and cultivated to reach seemingly impossible career goals.

The long-time head of psychological profiling at the CIA puts President Trump under the psychiatric microscope, examining the unique connection between Trump and his base. Offering an in-depth psychological and political portrait of what makes Donald Trump tick, *Dangerous Charisma* combines psychoanalysis with an investigation into the personality of the current American president. This narrative not only examines the life and psychology of Donald Trump, but will also provide an analysis of the charismatic psychological tie between Trump and his supporters. While there are many books on Donald Trump, there has been no rigorous psychological portrait by a psychiatrist who specializes in political personality profiling. As the founding director of the CIA's Center for the Analysis of Personality and Political Behavior, Dr. Post has created profiles of world leaders for the use of American presidents during historic events. As once stated by Jane Mayer of the *New Yorker*, who characterized Dr. Post as "a pioneer in the field of political personality profiling," "he may be the only psychiatrist who has specialized in the self-esteem problems of both Osama bin Laden and Saddam Hussein." In this new book, the psychiatrist who once served under five American presidents applies his expertise to profiling the current resident in the White House, with surprising and revelatory results.

This is the 10th anniversary edition, we seek to update the theoretical and empirical work and professional practice issues associated with transformational and charismatic leadership that have transpired over the past decade.

Would You Like to Become More Commanding, Convincing, And Charismatic? In this book, Steve Cohen, master magician and star of the long-running Chamber Magic show in New York City, will reveal the secrets of all great showmen and magicians—how to persuade, influence, and charm, and ultimately accomplish the things you've always wanted to do. As Cohen writes, "You'll discover how to take over a room, read people, and build anticipation to a feverish pitch so people are burning to hear what you have to say." *Win the Crowd* will teach you Steve Cohen's Maxims of Magic, simple rules you can use to take charge of practically any situation, from on-the-job disagreements to dating to important cocktail parties. The Maxims of Magic will wash away insecurities and hesitations, and replace them with confidence, poise, and leadership. What's more, Steve Cohen will show you: How to Create a Magic Moment. Capturing people's imaginations and attention so they listen carefully to every word you say. How to Command a Room. Showing everyone in the room that you are speaking right to them, making them all feel unique—and completely focused on you. How to Read People. Learning to sense what people are feeling and thinking as you speak, what they want from you, and how to make them feel like they are getting it.

Misdirection. The most important trick in all of magic—getting inside people's heads, and directing what they are thinking at every minute. When you strip away the sleight of hand tricks, magicians are essentially masters of attracting and holding attention and impressing audiences, exactly the psychological secrets you need to be successful in life and business.

Corporate CEOs are headline news. Stock prices rise and fall at word of their hiring and firing. Business media debate their merits and defects as if individual leaders determined the health of the economy. Yet we know surprisingly little about how CEOs are selected and dismissed or about their true power. This is the first book to take us into the often secretive world of the CEO selection process. Rakesh Khurana's findings are surprising and disturbing. In recent years, he shows, corporations have increasingly sought CEOs who are above all else charismatic, whose fame and force of personality impress analysts and the business media, but whose experience and abilities are not necessarily right for companies' specific needs. The labor market for CEOs, Khurana concludes, is far less rational than we might think. Khurana's findings are based on a study of the hiring and firing of CEOs at over 850 of America's largest companies and on extensive interviews with CEOs, corporate board members, and consultants at executive search firms. Written with exceptional clarity and verve, the book explains the basic mechanics of the selection process and how hiring priorities have changed with the rise of shareholder activism. Khurana argues that the market for CEOs, which we often assume runs on cool calculation and the impersonal forces of supply and demand, is culturally determined and too frequently inefficient. Its emphasis on charisma artificially limits the number of candidates considered, giving them extraordinary leverage to demand high salaries and power. It also raises expectations and increases the chance that a CEO will be fired for failing to meet shareholders' hopes. The result is corporate instability and too little attention to long-term strategy. The book is a major contribution to our understanding of corporate culture and the nature of markets and leadership in general.

Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a “mind reader” and forge deep connections. How to get inside people’s heads without them knowing. Read People Like a Book isn’t a normal book on body language of facial expressions. Yes, it includes all of those things, as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you’ve ever read. Take a look inside yourself and others! Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws of a variety of

sources, from scientific research, academic experience, coaching, and real life experience. Learn the keys to influencing and persuading others. •What people's limbs can tell us about their emotions. •Why lie detecting isn't so reliable when ignoring context. •Diagnosing personality as a means to understanding motivation. •Deducing the most with the least amount of information. •Exactly the kinds of eye contact to use and avoid Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people's actions and words. Decode people's thoughts and intentions, and you can go in any direction you want with them.

Hatred is complicated, clothing is simple-Edward doesn't need a man, and he certainly doesn't need cosplayer and tattoo artist, Izzy Montes, AKA The Masked Gentleman, Edward's ultimate nemesis. Edward and Izzy have been antagonising each other for over three years. Their rivalry is fierce, and Edward is determined to keep Izzy at arm's length. Which would be all well and good... if they weren't engaging in a secret, heated hook-ups. Forced to appear together at a film premier in LA, Edward is determined to get in and out with minimal damage to his reputation... and his heart. But Izzy Montes proves to be a complication Edward couldn't have predicted. Biting, funny, and charming in equal measure, he's the one man Edward needs to loathe. He's also the one man Edward can't get out of his mind. Not that Izzy plans on letting him. Charisma Check is a 80,000-word contemporary MM romance featuring comic conventions, snark, many costume changes, and only one bed. It is book two in the Roll for Love series and is best enjoyed as part of the series.

The Charisma Code is a hand- book for living and communicating in this new world. While we know the next big innovations will spring from global culture, it's not always clear how to join this planet-without-borders conversation. Robin Sol Lieberman's 3-step process-laid out in The Charisma Code- teaches you how to connect and collaborate with anyone, anywhere by speaking charisma's language beyond words. Whether you're an emerging global leader, a volunteer for human rights, or simply a world traveller who doesn't understand the native tongue, these step.

The book seamlessly links fundamental insights and practical approaches to address the most important leadership problems and challenges. Each of the 11 chapters takes a close look at a specific leadership aspect and explains how to develop personal leadership qualities, such as charisma, the ability to motivate others, assertiveness, and how to overcome crises and conflicts to create new structures. Ethical questions and possible negative developments in connection with leadership and power are also examined. Unlike conventional leadership manuals, this book on leadership goes beyond the standard 'recipes' and models by providing clear trains of thought as well as a psychological and philosophical basis, and by focusing on major achievements in terms of leadership, it creates a

more profound understanding and holistic view of the subject of leadership, while promoting a genuine fascination for it.

If you are an extrovert, you have the set of skills to be the life of the party. What you need to do is to learn how to listen. Good improv requires excellent listening skills.

The Routledge International Handbook of Charisma provides an unprecedented multidimensional and multidisciplinary comparative analysis of the phenomenon of charisma – first defined by Max Weber as the irrational bond between deified leader and submissive follower. It includes broad overviews of foundational theories and experiences of charisma and of associated key issues and themes. Contributors include 45 influential international scholars who approach the topic from different disciplinary perspectives and utilize examples from an array of historical and cultural settings. The Handbook presents up-to-date, concise, thought-provoking, innovative, and informative perspectives on charisma as it has been expressed in the past and as it continues to be manifested in the contemporary world by leaders ranging from shamans to presidents. It is designed to be essential reading for all students, researchers, and general readers interested in achieving a comprehensive understanding of the power and potential of charismatic authority in all its varieties, subtleties, dynamics, and current and potential directions.

"Don't wait for a miracle to happen in your life. Have an epiphany now and realize that your life is the true miracle." "Leesa Rowland's book, The "It" Factor brings to light all the intricate details of how to access personal uniqueness, charisma, and ultimately own it! Every reader here will learn how to harness their authentic power and with that, become fearless and excel in life. This book can make all the difference-it's not to be missed." -Robin Cofer, Ordained Swami Priest

"Akash is a wonderful professional speaker who has a great message, is motivating, inspiring and interactive at the same time..." ~ Brian Tracy, #1 Bestselling Author and Success Expert "Akash is a phenomenal coach! The information I gained in just a few short hours is priceless." ~ Fatema Dewji, Director of Marketing for billion-dollar conglomerate, MeTL "Akash is a very effective, inspiring and energetic speaker!" ~ Azim Jamal, Nautilus Gold Award Winner "Akash is THE best coach I've ever had!" ~ Eric Laughton, Certified John Maxwell Trainer

Through profiles of such entrepreneurs as Lee Iacocca, Steve Jobs and Ross Perot, the author defines and examines the qualities a charismatic leader possesses and shows the impact those qualities can have in corporate innovations.

Most everyone has something they are passionate about. But without the ability to actually effect change, things just stay the same. To truly inspire change, we must be able to explain the problem, inspire people to join us, and create a vision for the new reality that motivates others to take the actions that lead to lasting transformation. Inspiring change requires charisma—the ability to communicate a clear, visionary, and inspirational message that captivates and motivates an audience. Charisma, a social skill, like listening, can be learned. Once learned, it becomes the difference between being heard or ignored. Whether you're the head of a company, a Girl Scout troop leader, or a freelance artist all alone in your studio, charisma can help you get what you want.

In recent years, scholars have focused more on the "dark sides of leadership."

Both the negative and positive aspects of the relationship between leaders and followers are considered. But the relationship between leaders and followers is also influenced by the context in which the relationship occurs. Organizational aspects such as culture and structures are studied in relation to how negative leadership develops. Organizations, just like humans, are able to develop justifications for their actions, to self-aggrandize by claiming their exclusivity. In this book, the dark sides of organizational behaviors and leadership are considered from different aspects and contexts. The book contributes knowledge of how negative leadership develops, what part organizational structures play, and what the consequences are for the leader, the subordinates and the organization.

The seeds of charisma reside in all of us. We each have the ability to spark extraordinary followings and engender amazing allegiance in others. To bring this admirable personality trait to life, all it takes are a few simple strategies that past leaders have been using for centuries. You'll find those strategies in this handbook. Destroying forever the myth that charisma is a gift given only to a few, "The Charisma Factor" shows you how to become the natural-born leader you can be by focusing on the emotional energy of others and inspiring them to move toward greater endeavors. The guide provides strategies that show you how to reach others with the language of emotion. You'll walk in the footsteps of such proven leaders as Reagan, Kennedy, King, Churchill, even the ancient Greeks, when you follow the examples and techniques in this practical handbook, including: -- ways to impact others at both the conscious and subconscious level -- secrets for developing rapport with any audience -- methods for inspiring the actions you desire in anyone at any time -- steps for creating a charismatic presentation -- procedures for developing the high performance workplace -- plus, the 4 qualities of every charismatic leader. These techniques are broken down into simple-to-follow steps that have been drawn from hundreds of hours of interviews, transcripts, film analysis, and testing -- giving you the tools you need to consistently inspire and charismatically lead others. You'll also find: -- The one tool used to trigger motivation in others: This straightforward method has been proven by history's most powerful leaders to be the most effective and enduring for energizing and motivating employees and followers. -- Three steps of charismatic communication: Presents charisma as a tangible concept that, when broken down, you can easily use to achieve results in your own life. -- Fourteen techniques of emotional management: Offers six primary and eight advanced techniques for managing the emotions of others in order to fuel their highest performance. -- Techniques to bond with followers: Shows you how to apply the entertainment technique and others to easily bond with people and break down any barriers that might be hindering your natural leadership ability. "The Charisma Factor" will show you how to become a leader who can guide different types of people with differing backgrounds, beliefs, and values to focus on a project in total synchrony and passion.

Have you ever wondered what is it about some people that draw others to them like a swarm of bees? Would you like to learn how they outshine the best-looking people at a social gathering, hold them spellbound with their conversation skills, or make a powerful impact wherever they go? What is the one factor that separates regular people from these social superstars? It is called the charisma factor. The good news is that charisma or magnetism isn't some inborn trait that you either possess or lack throughout your life. It is a skill that can be acquired through implementation, practice, and effort. You have the confidence to excel and shine in every social setting. All you need to do is unlock your inner rock star with everything that is shared in this book. Just about anyone can start applying these strategies in their life right away. Here are some things you'll take away from the book: 20 Tips to increase your charisma and transform the most socially awkward person into a social magnet How to acquire endless reserves of confidence in any social situation Using the power of words and non-verbal communication to demonstrate authority, charisma, and magnetism Busting myths about charisma - what it is and what it isn't And more... If you want to fundamentally alter the way you approach people and social situations, these practical, actionable, and easy to follow strategies will take you from being a socially inhibited being to a power-packed communicator, one step at a time. You'll understand the characteristics of an irresistibly charismatic person, and how to go about being one with easy to implement tips. Once you know what makes a person charismatic, it becomes relatively easier to adopt these strategies to become the ultimate social bee. You have a choice to make today. Do you want to remain socially inhibited, awkward, and nervous all your life or do you want to transform into a socially self-assured and confident people magnet? The choice is yours! If you want to transform into a much loved and admired social being, get a copy of this valuable resource on conversation skills, charisma, and social interaction.

The Charisma Factor Unlock the Secrets of Magnetic Charm and Personal Influence in Your Life Hatherleigh Press

Cabane takes a hard scientific approach to a mystical topic, covering what charisma actually is, how it is learned, what its side effects are, and how to handle them.
