

## The Complete Poems Classics

Member of Parliament, tutor to Oliver Cromwell's ward, satirist and friend of John Milton, Andrew Marvell was one of the most interesting and important poets of the seventeenth century. The Complete Poems demonstrates his unique skill and immense diversity to the full, and includes lyrical love-poetry, religious works and biting satire. From the passionately erotic To his Coy Mistress, to the astutely political Cromwellian poems and the profoundly spiritual On a Drop of Dew, in which he considers the nature of the soul, these works are masterpieces of clarity and metaphysical imagery.

Eloquent and compelling, they remain among the most vital and profound works of the era - works by a figure who, in the words of T. S. Eliot, speaks clearly and unequivocally with the voice of his literary age'.

John Milton wrote poetry of such sublime beauty that he managed, through its universal influence, to transform the character of the English language. From his astonishing epic Paradise Lost, with its magnificent blank verse and mesmerizing characters, to the tragic brilliance of Samson Agonistes, Milton engaged the political and religious issues of his troubled times with subtlety and sophistication. His moving elegy "Lycidas," written after the untimely drowning death of a friend, has been hailed as the greatest lyric poem in English. The classic shorter works, from the pastoral poems "L'Allegro" and "Il Penseroso" to the enchanting masque Comus, to the intensely personal

sonnets, share the grandeur and vitality of his epics; all serve as continual reminders of the heights the human imagination can achieve. With an introduction by Gordon Campbell. (Book Jacket Status: Jacketed)

With a new introduction by Pulitzer Prize–winning poet Stephen Dunn, this redesigned and fully reset edition of Complete Poems collects and presents all the poems published or designated for publication by E. E. Cummings in his lifetime. It spans his earliest creations, his vivacious linguistic acrobatics, and through his last valedictory sonnets. Combining Thoreau's controlled belligerence with the brash abandon of an uninhibited Bohemian, Cummings, together with Pound, Eliot, and William Carlos Williams, helped bring about the twentieth-century revolution in literary expression. Today Cummings is recognized as the author of some of the most sensuous lyric poems in the English language as well as one of the most inventive American poets of his time—in the words of Richard Kostelanetz, “the major American poet of the middle-twentieth century.” Formally fractured and yet gleefully alive and whole, at once cubistic and figurative, Cummings's work expanded the boundaries of what language is and can do.

In 1855 Walt Whitman published *Leaves of Grass*, the work which defined him as one of America's most influential voices, and which he added to throughout his life. A collection of astonishing originality and intensity, it spoke of politics, sexual emancipation and what it meant to be an American. From the joyful 'Song of Myself'

and 'I Sing the Body Electric' to the elegiac 'When Lilacs Last in the Dooryard Bloom'd', Whitman's art fuses oratory, journalism and song in a vivid celebration of humanity.

The Poems of Catullus describes the lifestyle of the Latin poet Catullus, his friends, and his lover, Lesbia. Catullus writes about each of his subjects in tones unique to them. With wild stories of the trouble and comradery shared by his friends, Catullus provides insight on more scandalous aspects of high society Roman culture. However, Catullus' most shocking and compelling subject is his lover, Lesbia, the wife of an aristocrat. The two share a secret and sensual love, taboo not just because of the infidelity, but because Lesbia is many years older than Catullus. Throughout his poems, Catullus depicts their complicated relationship, first in a tender, lustful way, detailing their affairs, then gradually becomes more heated with angst and confusion. In his exploration of their relationship, Catullus embodies the possibility of simultaneously loving and hating someone. With vivid emotion and imagery, The Poems of Catullus provide a clear picture of the poet, his friends, and his lover and invoke a strong impression on its audience. Because of the deep emotions infused with each word and the visceral depictions of ancient Roman life, this collection of poetry is relatable to a modern-day

audience, and is an essential educational source. Catullus paved the way and inspired change in the art of poetry, influencing countless poets and poetry styles. The Poems of Catullus also helped create the idea of poetry as a profession. The Poems of Catullus serves a valuable and educational source, enlightening audiences on the culture of the upper-class of the late Roman Republic. However, because Catullus also explores the complex human emotions regarding friendship, sex, and love, The Poems of Catullus have proven to be a timeless testament to the duality of humankind, embracing emotions that lie between the extremes in the spectrum of feeling. Catering to a contemporary audience, this edition of The Poems of Catullus features a new, eye-catching cover design and is reprinted in a modern font to accompany the timeless exploration of human emotion and the humorous, exciting life events of the influential poet Catullus.

George Herbert combined the intellectual and the spiritual, the humble and the divine, to create some of the most moving devotional poetry in the English language. His deceptively simple verse uses the ingenious arguments typical of seventeenth-century 'metaphysical' poets, and unusual imagery drawn from musical structures, the natural world and domestic activity to explore a mosaic of Biblical themes. From the wit and wordplay of 'The Pulley' and the formal experimentation of 'Easter Wings' and 'Paradise', to the intense, highly personal relationship between man and God portrayed in 'The Collar' and 'Redemption', the works collected here show the transcendental

power of divine love.

Originally published between 1909 and 1917 under the name "Harvard Classics," this stupendous 51-volume set—a collection of the greatest writings from literature, philosophy, history, and mythology—was assembled by American academic CHARLES WILLIAM ELIOT (1834-1926), Harvard University's longest-serving president. Also known as "Dr. Eliot's Five Foot Shelf," it represented Eliot's belief that a basic liberal education could be gleaned by reading from an anthology of works that could fit on five feet of bookshelf. Volume IV features all the verse written in the English language by

English poet JOHN MILTON (1608-1674), including the essential Paradise Lost and Paradise Regained, plus "Song on May Morning," "Sonnet to the Nightingale," "The Passion," "To a Virtuous Young Lady," and others.

John Clare produced some of English poetry's most poignant and glorious lyrics.

Writing not as an observer of nature but from an intimate knowledge of the wheatfields, hedgerows, and ditches of his village in Northamptonshire, he described animals, insects, trees, rivers, sunlight, and clouds with sublime sensitivity. But as enclosures and "improvements" came in the early nineteenth century, dismembering the rural landscape, his later poems became infused with a sense of disorientation and loss, and scattered with threads of madness. Clare's genius has been rediscovered by fellow poets in every generation since his death, from Dylan Thomas to Ted Hughes to Seamus Heaney. First time in Penguin Classics Landmark edition based on Clare's original manuscripts Includes introduction, explanatory notes, and glossary

Poems covering a wide range of topics, from images of animals to meditations on human nature, are accompanied by the author's notes revealing the inspiration for many of the poems

The poems of Emily Jane Bronte are passionate works that convey the vitality of the human spirit and of the natural world. This volume contains the poems attributed to her. A wonderful edition of Herbert's poetry, edited by his acclaimed biographer John Drury and including elegant new translations of his Latin verse by Victoria Moul. George Herbert wrote, but never published, some of the very greatest English poetry, recording in an astonishing variety of forms his inner experiences of grief, recovery, hope, despair, anger, fulfilment and - above all else - love. This volume, edited by John Drury, collects Herbert's complete poetry - including such classics of English devotional poetry as 'The Altar', 'Easter-Wings' and 'Love'. It also includes the verse Herbert wrote in Latin, newly translated into English by Victoria Moul. George Herbert was born in 1593 and died at the age of 39 in 1633, before the clouds of civil war gathered. He showed worldly ambition and seemed sure of high public office and a career at court, but then for a time 'lost himself in a humble way', devoting himself to the restoration of a church and then to his parish of Bemerton, three miles from Salisbury. When in the year of his death his friend Nicholas Ferrar published Herbert's poems under the title *The Temple*, his fame was quickly established. John Drury is Chaplain and Fellow of All Souls College, Oxford. His books include *The Burning Bush* (1990), *Painting the Word* (1999), and, most recently, *Music at Midnight*, the culmination of a lifetime's interest in Herbert. Victoria Moul is Lecturer in Latin Literature and Language at Kings College London. She is author of *Jonson, Horace and the Classical Tradition* (2010) and editor of *Neo-Latin Literature* (2014).

Hiawatha, and other lyric and narrative poems

As a diplomat in Renaissance Europe, and a luminary at the court of Henry VII, Sir Thomas Wyatt wrote in an incestuous world where everyone was uneasily subject to the royal whims and rages. Wyatt had himself survived two imprisonments in the Tower as well as a love affair with Anne Boleyn, and his poetry - that of an extraordinarily sophisticated, passionate and vulnerable man - reflects these experiences, making disguised reference to current political events. Above all, though, Wyatt is known for his love poetry, which often dramatizes incidents and remembered conversations with his beloved, with an ear acutely sensitive to patterns of rhythm and colloquial speech. Conveying the actuality of betrayal or absence, and the intense pressure of his longing for a love that could be trusted, these are some of the most haunting poems in the English language.

Jelaluddin Rumi was a 13th-century philosopher, mystic, scholar and founder of the Whirling Dervishes. He was also an inspirational poet, and this collection of his work shows the themes that underpin his verses - tolerance, goodness, the experience of God and awareness through love.

Writer and religious rebel, William Blake ((1757-1827) sowed the seeds for Romanticism in his innovative poems concerning faith and the visions that inspired him throughout his life. Whether describing his own spirituality, the innocence of youth or the corruption caused by mankind, his writings depict a world in which spirits dominate

and the mind is the gateway to Heaven. This collection of his greatest works spans his entire poetic life from the early, exquisite lyrics of Poetic Sketches to his Songs of Innocence and Experience - a compelling exploration of good and evil. Together, they illuminate a self-made realm that has fascinated artists and poets as diverse as Wordsworth, Coleridge, Yeats and Ginsberg.

Contains all the poems published in the poet's lifetime, arranged chronologically, and includes important earlier versions of such poems as "The Eolian Harp" and "The Rime of the Ancient Mariner."

The poems of Rabindranath Tagore (1861-1941) are among the most haunting and tender in Indian and in world literature, expressing a profound and passionate human yearning. His ceaselessly inventive works deal with such subjects as the interplay between God and the world, the eternal and transient, and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies. Poems such as 'Earth' and 'In the Eyes of a Peacock' present a picture of natural processes unaffected by human concerns, while others, as in 'Recovery - 14', convey the poet's bewilderment about his place in the world. And exuberant works such as 'New Rain' and 'Grandfather's Holiday' describe Tagore's sheer joy at the glories of nature or simply in watching a grandchild play.

No poet is more emblematically American than Robert Frost. Hailed as 'the most eminent, the most distinguished Anglo-American poet' by T.S. Eliot, he is the only writer

in history to have been awarded four Pulitzer Prizes. In iconic poems like 'Stopping by Woods on a Snowy Evening', simple images summon the rural landscape of New England, and Frost unfailingly moves the reader with his profound grasp of the human condition. This is the most comprehensive and authoritative volume of Frost's verse available, comprising all eleven volumes of his poems, meticulously edited by Edward Connery Lathem.

Presents a complete collection of poems by the English author along with a chronology, further reading, and notes.

A pioneer of the Romantic movement, William Wordsworth wrote about the natural world and human emotion with a clarity of language which revolutionized poetry. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition has an introduction by Peter Harness. Selected Poems brings together some of Wordsworth's most acclaimed and influential works, including an extract from his magnum opus, The Prelude, alongside shorter poems such as 'I Wandered Lonely as a Cloud', 'To a Skylark' and 'Tintern Abbey'. Wordsworth's poems, often written at his home in Grasmere in the beautiful English Lake District, are lyrical evocations of nature and of spirituality. They have a force and clarity of language akin to everyday speech which was truly groundbreaking. No poet has been more wilfully contradictory than John Donne, whose works forge

unforgettable connections between extremes of passion and mental energy. From satire to tender elegy, from sacred devotion to lust, he conveys an astonishing range of emotions and poetic moods. Constant in his work, however, is an intensity of feeling and expression and complexity of argument that is as evident in religious meditations such as 'Good Friday 1613. Riding Westward' as it is in secular love poems such as 'The Sun Rising' or 'The Flea'. 'The intricacy and subtlety of his imagination are the length and depth of the furrow made by his passion,' wrote Yeats, pinpointing the unique genius of a poet who combined ardour and intellect in equal measure.

This unique anthology offers a more comprehensive look at the poems of Christopher Marlowe, England's first great poet and playwright.

This collection of works from the French novelist, essayist, critic and poet features new translations of works that have never been published in a bound book or translated into English before. Original. 25,000 first printing.

Published in order of first publication as far as possible, this selection ranges from initial offerings such as 'Tinker's Wife' and 'Inniskeen Road: July Evening' to his tragic masterpiece 'The Great Hunger' (1942) and his celebratory later verse, 'To Hell with Common Sense' and 'Come Dance with Kitty Stobling', which show his increasing comic verve and detachment. The first comprehensive selection of Kavanagh's poetry to be published, this volume offers a timely reassessment of a poet unfairly neglected outside Ireland.

A collection of Poe's classic poetry that includes classic poems such as "To Helen" and "The Raven" alongside lesser-known poems such as "Alone."

WITH AN INTRODUCTION BY DIRECTOR JANE CAMPION John Keats died in penury and relative obscurity in 1821, aged only 25. He is now seen as one of the greatest English poets and a genius of the Romantic age. This collection, which contains all his most memorable works and a selection of his letters, is a feast for the senses, displaying Keats' gift for gorgeous imagery and sensuous language, his passionate devotion to beauty, as well as some of the most moving love poetry ever written.

Keats's first volume of poems, published in 1817, demonstrated both his belief in the consummate power of poetry and his liberal views. While he was criticized by many for his politics, his immediate circle of friends and family immediately recognized his genius. In his short life he proved to be one of the greatest and most original thinkers of the second generation of Romantic poets, with such poems as 'Ode to a Nightingale', 'On First Looking into Chapman's Homer' and 'La Belle Dame sans Merci'. While his writing is illuminated by his exaltation of the imagination and abounds with sensuous descriptions of nature's beauty, it also explores profound philosophical questions. John Barnard's acclaimed volume contains all the poems known to have been written by Keats, arranged by

date of composition. The texts are lightly modernized and are complemented by extensive notes, a comprehensive introduction, an index of classical names, selected extracts from Keats's letters and a number of pieces not widely available, including his annotations to Milton's *Paradise Lost*.
