

The Cow Book A Story Of Life On A Family Farm

Klara is a little different from the other cows, because she has a very special talent. She is so special that a Prince offered to buy her from the farmer, but the Prince soon learned that Klara is more precious than any money he could ever offer. It's okay to be different, and it feels good to be loved and special, let's learn more about Klara and her friends in this fun rhyming picture book! This rhyming book for children is full of colorful and fun illustrations that will enchant your kids' hearts, and they will want to read this rhyming story over and over again. This baby cow book for kids is a great read-aloud book and is perfect for preschoolers at bedtime as well as a self-read book for older children. Additionally, you can download the free sing-along soundtrack and sing-along with the whole family. Once you and your kids hear this catchy tune about Klara The Cow, you will be singing yourselves to sleep! This a great rhyming book for toddlers and also a perfect early reader book. Rhyming teaches children who are learning to read about the patterns and structures in both spoken and written words. Rhyming and songs expose children to the rhythm of language, which helps them read with some animation in their voice instead of just a monotone voice. Rhyming also helps children learn about word families such as cow, now, bow, how and so on. For instance, if your child is learning to spell, if they can spell cow, they can spell how and if they can spell how they can spell now. Have you ever seen kids sitting and happily listening to someone reading in a monotone voice? I haven't. If you want to hold a child's attention, read with inflection and animation, and they will sit glued to your voice. Rhyming and rhythm are very important skills that help a young reader learn to use inflection and animation when reading aloud. Rhyming also prepares kids to make predictions while learning words and gives them crucial interpreting skills. Another free download that comes with Klara The Cow Who Knows How To Bow, is an audio MP3 file of the author Kimberley Kleczka, reading the book in her always fun and animated style. Your children can read along with the author, or just listen and enjoy.

This is the coloring book version of the hilarious story: Cora the Cow Crashes the Circus. Includes the story text. Cora the Cow enjoys her life on the farm, but when a mysterious train shows up one day, she's determined to find adventure. When she discovers a circus has come to town, she wants to be a part of an act-but being in the circus is a lot harder than it looks. Follow along with Cora as she learns that everyone has a role to play and that it's ok to be a little different than your friends! With fun illustrations and an easy-to-read story, this book is sure to be a family favorite! This delightful children's book is ideal for bedtime and beginner readers and is perfect for fans of Leela Hope, Mary Lee, or Elwyn Tate. In this funny and lighthearted picture book, a fussy eraser tries to keep the pages clean by erasing the scribbles of a mischievous pencil. But before long, the eraser discovers what can happen when two opposing forces come together to have fun. Full color.

She is everywhere: as a vehicle for both farmers and advertisers, a subject for research scientists and poets, and ever-present in the form of lucky charms, children's toys, or simply as a tasty sandwich-filler. The female of the bovine species is revered as sacred or reviled as stupid, but one thing she never inspires is indifference. After more than ten thousand years living alongside us, she remains a beguiling mystery. Combining a myriad of richly entertaining anecdotes and an abundance of illuminating discoveries, Florian Werner presents the curious cultural history of that most intriguing of animals: the cow. Since evolving from the aurochs, an ungulate that grazed the Persian grasslands, the cow has embedded itself into virtually all aspects of our lives. Cow is the first book to look at the animal in its countless manifestations in cultures around the world. Werner examines cows' role in commerce as an early form of currency and their place on our plates and in our stomachs in the form of meat and dairy products. Florian Werner examines how cows are worshipped in some circles, such as in Hindu mythology, and abhorred in others, today being vilified as an agent of climate change. And he waxes philosophic about the significance of the cow's rumination and cud chewing, as well as her simple but meaningful moo. Combining thorough research with an accessible writing style, Florian Werner offers readers an eye-opening perspective on this commodified animal, whose existence is inextricably intertwined with ours and which we too often take for granted.

Moody Cow has a lot of angry thoughts after a frustrating day, but his grandfather sets up a Mind Jar with sparkles and shows him that just as the sparkles settle in

the jar, Moody Cow's angry thoughts can settle through meditation.

When Britain is overrun by a rampaging horde of zombie bovines, the fate of the nation falls in the hands of three unlikely heroes including an abattoir worker who smells unpleasantly like his profession, a besotted teen vegan and an inept journalist. Original.

Do you know how to speak cow? Discover what a cow is really telling you when it says moo. "Moo" means "hello." "Moo" means "goodbye." "Moo" means "my grass is tasty. Do give it a try." With delightful, rhyming text, this is the perfect read-aloud picture book. Kids and adults will be laughing at all the things the word "moo" can mean. And they will have loads of fun thinking up all the other things the word "moo" could be used for!

Romy the Cow loves what Momma Cow tells her is called the moon. When it goes missing, Momma Cow promises, "It will come back, Romy." Romy does not wait and sets out to find it. With no help from the other cows, Romy is persistent and trusts what Momma Cow told her, until finding what she is looking for. This fun on the farm children's book is a great addition to a preschooler's classic library collection, perfect for bedtime or anytime reading. The engaging story with read-a-long MOOs is written by Sandrina Kurtz, and the delightful, brightly colored illustrations are by well known artist John Kurtz.

A complete guide to the basics of cow selection, handling, milking, care, and breeding that provides detailed information on raising feed crops and utilizing manure

Aware that she lacks many of the skills her fellow barnyard cows possess, Marjorie is left feeling sad until a group of caring chickens with a plan comes up with the perfect solution to make her realize just how special she is.

This children's book tells the story of a cow who loves to eat fruit. One day, her owner and neighbors get sick because of the cold weather. She magically pumps strawberry milk, papaya milk, and watermelon milk to feed the patients. After getting well quickly, everyone now loves to eat fruit as much as the cow.

Hendrika, a Dutch cow, visits a large city when she accidentally falls in a canal and floats downstream

That Cat will love her newest tween novel, Moo. Following one family's momentous move from the city to rural Maine, an unexpected bond develops between twelve-year-old Reena and one very ornery cow. When Reena, her little brother, Luke, and their parents first move to Maine, Reena doesn't know what to expect. She's ready for beaches, blueberries, and all the lobster she can eat. Instead, her parents "volunteer" Reena and Luke to work for an eccentric neighbor named Mrs. Falala, who has a pig named Paulie, a cat named China, a snake named Edna—and that stubborn cow, Zora. This heartwarming story, told in a blend of poetry and prose, reveals the bonds that emerge when we let others into our lives.

The horse loves hay, the chickens need feed, the geese munch on corn, the hogs devour slop, the dog eats treats, but the cow loves...COOKIES? With an original twist on the ordinary barnyard book, the latest read-aloud from bestselling author Karma Wilson is a clever exploration of a curious incident on the farm. As the farmer makes his rounds each day, most of the animals chew on the foods a young reader would expect. But when it's time to feed the cow, she feasts on a special treat. Wilson's signature style and Marcellus Hall's spirited watercolors will delight children on and off the farm—because when it comes down to it, who doesn't love milk and cookies?

Have you ever had an extraordinary pet? Sally the Cow makes life on the farm better with her fun-loving personality. From having popcorn with the children to venturing to the creek, Sally is always near her friends on the farm. This rhythmic story is sure to capture any young audience inviting youngsters to share in the excitement.
