Writing in a highly engaging and accessible style, Partington introduces the purposes and functions of English law, the law-making process, and the machinery of justice, whilst also challenging assumptions and exploring current debates.

This book comprehensively examines the United States legal system. While the most extensive coverage is given to the U.S. Supreme Court, the book also provides separate chapters on state courts, the U.S. District Courts, and the U.S. Courts of Appeals. The book systematically compares the effects of legal and political factors on different courts' decisions. Finally, we provide extended coverage to American legal process, with separate chapters on civil procedure, evidence, and criminal procedure.

This edition of an established text provides a concise and up-to-date introduction to the English legal system. Both law students and students on vocational courses will welcome it as a highly readable and stimulating overview of the subject. This book offers a modern, contemporary and innovative approach to the core curriculum, offering clear explanations to clarify the material without oversimplification. Carefully developed learning tools are used to help students to build their knowledge of the legal system of England and Wales; moreover, all the materials needed by a reader new to legal education are here in one place. English Legal System will also help students to translate knowledge successfully to an assessment situation (whether examination, tutorial preparation or coursework) through the acquisition and development of key skills such as problem solving and application, critical reasoning and evaluation, and research and referencing. The text has been written with the changes to legal education envisaged by the Solicitors Regulation Authority and Bar Standards Board in mind. The focus throughout will be on recent and key case law and contemporary real-life examples, bringing the subject alive and helping students to understand the foundations on which the law in England and Wales is based. The key pedagogic features seek to embed those legal skills within the context of the content on the legal system. The associated website provides a comprehensive learning environment that will provide further illumination of the text and graphics and that caters for a number of different learning styles with additional video and audio content.

The Continuity of Legal Systems in Theory and Practice examines a persistent and fascinating question about the continuity of legal systems: when is a legal system existing at one time the same legal system that exists at another time? The book's distinctive approach to this question is to combine abstract critical analysis of two of the most developed theories of legal systems, those of Hans Kelsen and Joseph Raz, with an evaluation of their capacity, in practice, to explain the facts, attitudes and normative standards for which they purport to account. That evaluation is

undertaken by reference to Australian constitutional law and history, whose diverse and complex phenomena make it particularly apt for evaluating the theories' explanatory power. In testing whether the depiction of Australian law presented by each theory achieves an adequate 'fit' with historical facts, the book also contributes to the understanding of Australian law and legal systems between 1788 and 2001. By collating the relevant Australian materials systematically for the first time, it presents the case for reconceptualising the role of Imperial laws and institutions during the late nineteenth and early twentieth centuries, and clarifies the interrelationship between Colonial, State, Commonwealth and Imperial legal systems, both before and after Federation.

English Legal System Concentrate is a high quality revision guide which covers the main topics found on undergraduate and GDL courses. The clear, succinct coverage of key legal points within a specific topic area, including key cases, enables students to quickly grasp the fundamental principles of this area of law. The book focuses on the needs of students to succeed in their exams, showing how all the legal rules fit together and the approach that should be adopted when answering questions. A range of pedagogical features help with preparation for exams and suggest numerous ways to improve marks. English Legal System Concentrate provides succinct coverage of all key elements of the law, while also offering students further avenues of investigation, presenting key academic debates and other analytical features. OUP's Concentrate revision series is endorsed by students and lecturers for level of coverage, accuracy, and exam advice. Online Resource Centre English Legal System Concentrate is accompanied by a free, open-access Online Resource Centre (http://www.oxfordtextbooks.co.uk/orc/vollans_concentrate2e) which offers the following resources to support students: - Multiple choice questions which provide instant feedback - Interactive flashcards of key cases (the student is presented with a case and has to supply the principle, or vice versa) - Interactive version of glossary - Updates to case law and legislation - Further reading - Web links to key online sources - Advice on revision and exam technique authored by renowned textbook writer and experienced examiner Nigel Foster, Professor of Law and Deputy Vice-Chancellor of the University of Buckingham.

English Legal System in Context provides a critical overview of the legal system. It establishes a sound theoretical framework within which to analyse the system and its various intricacies, encouraging students to develop a critical approach to the study of this important topic. The authors provide an insightful contextual analysis of the system and its main protagonists: as well as the traditional core areas of the English legal system such as the courts, case law, legal professionals, and the civil and criminal proceedings, the text discusses the police and their powers, the role of the CPS, private policing, the work of non-police agencies. This edition also contains a new chapter on alternative dispute resolution, designed to broaden the reader's appreciation of this central issue, plus new material on the role of law schools and law students. With a clear, logical structure, and a wealth of references to take the reader further into the subject, this is a perceptive and wide-ranging study that explains and illuminates this fascinating topic.

Are you new to studying law? You've decided to study one of the most fascinating and intellectually stimulating subjects - law. Whether you're working towards a law degree or studying law as part of another subject, Introduction to the English Legal System is your ideal starting point. Right from the word go, Martin Partington enlivens and clarifies the legal system, and explains the central role it plays in society. Do you want to think critically about the world in which you live? What is the purpose of law? Whose interests does the law favour? Consolidating over 40 years' experience in the law, Martin Partington will challenge your assumptions about the English legal system, and encourage you to question how far it meets the demands placed upon it. Are you aware of contemporary debates on the legal system? Annually updated, Introduction to the English Legal System discusses all the latest debates and issues that will affect you during your studies and looking ahead to your career. Interview podcasts, discussion questions and more can be found on the accompanying author blog and Online Resource Centre.

Offers an accessible overview of Hong Kong's legal system and guides first-year law students in legal research and methods. An engaging guide to the English legal system which helps students new to law develop a critical legal mind. Presenting and critiquing the law in a lively style, this text invites students to question, analyse, and evaluate.

This edition provides a clear and comprehensive account of the English legal system, covering the institutions, personnel and procedures, and the handling of case law and statutes.

The book documents Lord Irvine's lectures and articles and contributes to the debate on Human Rights, Constitutional Law and the English Legal System.

This edition has been updated and revised to take into account recent developments in the English legal process. Many recent Court of Appeal and High Court case law developments are incorporated, as are important pronouncements by the House of Lords.

The real reason for the emergence of this book is that it is hard to find resources to explain complex issues of the EU Law in plain language, which makes it very difficult for those taking an interest, in particular law students. Moreover, many years of teaching experience in this subject and seeing students experience difficulties is the key driver behind this book. This book does not repeat material that is available in many textbooks that are in print. Rather, it endeavours to present every topic in plain language and concludes every chapter with a fictitious explanatory sample case. In other words, it is an introduction to the subject of EU Law, the objective of which is to explain the topic both theoretically and in its application dimension. Additionally, this book will assist students to prepare for courseworks/examinations. At the end of the book there is also a test that summarizes all the subjects contained in the book, which is appropriate to the first stage SQE (Solicitors Qualifying Examination) examination model that will be introduced in September 2021. 'This is a clear and concise book with many helpful visual aids (diagrams, tables etc...) that make it very easy to follow. The content defines, explains and covers the key aspects of the English Legal System.' Ms Amel Ketani, Barrister and Senior Lecturer at BPP University 'Through explanation, questions and application examples, this book compliments traditional English Legal System textbooks in an easily accessible and practically useful way.' Dr Ryan Hill, Deputy Head of School, Anglia Ruskin University Law School CONTENTS: Abbreviations About the author Foreword. CHAPTER I Introduction: History, Sources and Institutions CHAPTER II Sources of Law I: Domestic Legislation CHAPTER III Source of Law II: Case Law CHAPTER IV Source of Law III: International Law CHAPTER V The Civil Justice System CHAPTER VI The Criminal Justice System CHAPTER VII Legal Professionals in the English Legal System Summary: Sample Test Questions Answers Glossary of Legal Terminology. Recommended Reading List Index

A novel experiment in comparative legal history, exploring the legal world in England during two different periods.

The English Legal System 2015-2016 Routledge

Slapper and Kelly's The English Legal System explains and critically assesses how our law is made and applied. Trusted by generations of academics and students, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution. This latest edition of The English Legal System has been substantially updated. Slapper & Kelly can always be relied upon for accurate and reliable coverage of all of the latest developments which impact on the legal system in England and Wales. Key learning features include: useful chapter summaries which act as a good check point for students 'food for thought' questions at the end of each chapter to prompt critical thinking and reflection sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways an online skills network including how tos, practical examples, tips, advice and interactive examples of English law in action. Relied upon by generations of students, Slapper and Kelly's The English Legal System is a permanent fixture in this ever-evolving subject.

Seminar paper from the year 2015 in the subject Law - Civil / Private / Trade / Anti Trust Law / Business Law, grade: 1,2, Anglia Ruskin University (Ashcroft International Business School Cambridge), language: English, abstract: Different to the vast majority of the European Countries the legal system in the United Kingdom is not based on a constitution. English law is uncodified, this means that the laws of certain areas of law are not systematically bundled into one specific code. Basically, the English law is composed of three elements: directly enforceable EU law, common law and legislation created through Parliament whereas the latter is the highest form of UK law. Under British Constitutional Law the Parliament is sovereign. Following the traditional interpretation of Parliament Sovereignty "it has the power to make any statutes on any subject matter, and British courts are bound to enforce that laws" without questioning their validity. Contrary to countries with a written constitution, UK courts do not have the power to overrule statutes that appear to be unconstitutional. Characteristically, judges have a significant role within the English legal system. Unlike the, for example, German legal system judges in the United Kingdom do not only decide on cases according to existing laws but also are able to create and influence laws. Due to the unique role of judges in the English

court system the Doctrine of Precedent and Statutory Interpretation were manifested as principles of the national court system. Consequently, this paper will discuss the following statement in the light of the Doctrine of Precedent, the rules of Statutory Interpretation and whether judges should be creating new law. "It is not for the judge to invent fancied ambiguities as an excuse for failing to give effect to its [legislation] plain meaning because they themselves consider that the consequences of doing so would be inexpedient, or even unjust or immoral."

Slapper and Kelly's *The English Legal System* explains and critically assesses how our law is made and applied. Trusted by generations of academics and students, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution. This latest edition has been extensively restructured and updated, providing up-to-date and reliable analysis of recent developments that have an impact on the legal system in England and Wales. Key learning features include: useful chapter summaries which act as a good check point for students; 'food for thought' questions at the end of each chapter to prompt critical thinking and reflection; sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways; and an online skills network including how tos, practical examples, tips, advice and interactive examples of English law in action. Relied upon by generations of students, this book is a permanent fixture in this ever-evolving subject.

Volume 1 on public law provides an introduction to the Nigerian legal system. The various chapters deal with: introduction and sources of law; jurisprudence and Nigerian perspectives; African customary law; Islamic law; comparative constitutionalism and Nigerian perspectives; citizenship, immigration and administrative law; judicial system and legal profession; criminal law, evidence and civil procedure; statutory marriage and divorce laws; customary marriage and divorce; marriage and divorce under Islamic law; matters of children; gender and law in Nigeria with emphasis on Islamic law. Volume 2 has 25 chapters on private law that includes security of the environment and environmental law, land and property administration, commercial business and trade laws, communication, media and press laws, transportation and carrier laws, law enforcement, armed forces and military laws, investments, and intellectual property.

The ideal companion to developing the essential skills needed to undertake the core module of English Legal System as part of undergraduate study of law or a qualifying GDL/CPE conversion course. Providing support for learning and revision throughout, the key skills are demonstrated in the context of the core topics of study with expertly written example sets of notes, followed by opportunities to learn and test your knowledge by creating and maintaining your own summaries of the key points. The chapters are reinforced with a series of workpoints to test your analytical, communication and organisational skills; checkpoints, to test recall of the essential facts; and research points, to practice self-study and to gain familiarity with legal sources. "Course Notes: the English Legal System" is designed for those keen to succeed in examinations and assessments with view to taking you one step further towards the development of the professional skills required for your later career. In addition, concepts are set out both verbally and in diagrammatic form for clarity, and the essential case law is displayed in a series of straightforward and indisposible tables illustrating how best to analyse and compare legal points as expressed by the opinions of the authorities in each case. To check your answers to questions examples are provided online along with sample essay plans and web links to useful web sites and sources at www.unlockingthelaw.co.uk, making this the ideal resource to guide you through the demands of compiling and revising the information you will need for your exams.
