THIS IS BOOK #5 IN THE ENGLISH ROSES SERIES Amy's convinced that her life as she knows it will be over after the arrival of her new baby sister. When pregnancy forces her mother to cancel their long-planned trip to Milan, she feels that things couldn't possibly be worse...until the English Roses have to take Charlotte's younger brother to the circus! Patrick is the brattiest of all brats and his tantrums make Amy glummer than ever at the thought of having a younger sibling. But when she visits her mother in the hospital and holds the baby for the first time, Amy realizes she can't wait to be a big sister after all!

When Amy takes an after-school job working at a department store preparing for a fashion show, she does not have time for her best friends. Four best friends are jealous of a neighbor girl and refuse to have anything to do with her, until they each have a dream in which a fairy godmother shows them what the girl's life is really like.

After learning that her father is going to marry the English Roses' teacher, Miss Fluffernutter, Binah becomes unhappy at the prospect of having a stepmother, but the English Roses do their best to change her mind.
