The words of Jesus still have the power to change the world and set people free. Unfortunately, the problem we have seen over the last 2000 years is that religion and the traditions of men have been slowly pulling people away from the simple truth and original call of Jesus. "The Call of Jesus," by Torben S ndergaard, is like an easy to understand "instruction manual" pulled from Scripture to help us effectively live the life to which Jesus has called us. Using Jesus' words in Luke chapter 10, Torben refreshingly reveals that Jesus' message was not only for His disciples and those who lived during that period of time, but it is also for all of us who are living today. Will you heed "The Call of Jesus"?

“And, behold, I send the promise of my Father upon you:” To obtain the “power,” the commandment given to us by Jesus: “Tarry ye in the city of Jerusalem (your present city) until ye be endued with power from on high” (Luke 24:49) must be obeyed. Many Christians claim the experience of Acts 2:4, but they have not attained the experience provided for in Luke 24:49. The progress so far is fine, but the deceiver still has many of us lulled to sleep, deluded, and self-satisfied, far from the goal Jesus intended for us to reach. I once owned an airplane, but owning an airplane and getting the motor going so it will take off with its own power are two different things. If you have the Holy Spirit, He still may not have sufficient sway in your life for you to have the advanced experience of power and the gifts of the Spirit. Many do not seek God far enough, and in quite the right manner to allow the Holy Spirit to exert His power, even though He has been received. Every evidence points to the fact that the early church and apostles put into practice what the church has failed to do today. Therefore, they had an experience that overshadows ours. Every single new testament church was founded in fasting and prayer. Acts 14:23. After Jesus said, “I send the promise of the Father upon you” He also told them, “Tarry . . . until ye be endued with power.” Where there is a lack of perfection and refinement among God’s people, as there is today, this power and the gifts of the Holy Spirit cannot very well be received by prayer alone. (If they can be received in this manner, I ask, where are they? Even in the days of the apostles, they too, found it necessary at times to employ this method to arrest the flesh and become refined in order to receive this power. They were in a state of perfection that far exceeded ours today. We believe many put into practice the prophet’s-length fast and obtained the power and gifts. Without following their example and deeds, we are without their mighty experiences. Consecrated fasting acts as a refining fire to the saint of God, and enables him to become purified and cleansed to such an extent he can obtain the power and the gifts of the Spirit. It actually requires a further process of purification and sanctified living to obtain and retain the gifts of the Spirit than otherwise. The best means of reaching that goal is to do as Paul asked us to do, follow him “in fastings often.” This volume endeavors to take what has generally been overlooked, and reveal, perhaps for the

first time in detailed form, the secret of the early church. It is made so simple and easy of accomplishment that anyone can have an experience as dynamic as those of any of the apostles and followers of Jesus Christ.

Fasting is an important key to successful Christian living. It is found throughout the Bible, yet it has been largely set aside by the church. Discover how to release the power of prayer and fasting in your life with this handbook by Derek Prince. In his clear, easily understood teaching style, he explains that this power is immeasurable when fasting is practiced with right motives and in accordance with the principles of Scripture.

**A Passionate, Prophetic Summons to Prayer and Fasting** We are poised at a key moment in history. Amidst pain and chaos, we can turn the tide of evil in our lands. With excitement and profound insight, seasoned prophetic leader Lou Engle shows how: through bold faith and aggressive, passionate prayer and fasting. Here he equips you with the dynamic, practical tools you need to answer the call of countercultural consecration. Using Jesus as the role model, he reveals that 40 days of prayer and fasting always precede breakthrough, revelations of God's glory, breakage of demonic hindrances, and more. As we join together in fasting and intercession, we'll see victory in the critical issues of our day--and we'll awaken the nations for Christ. Global revival and transformation is imminent. Will you answer the call? When the author began to study the subject of fasting some years ago he was shocked by the number of biblical references he found referring to it. Clearly fasting was not some biblical "side issue," but a central element of spiritual life. Fasting is a discipline that has been practised by many influential men and women of God throughout church history with dramatic results. The author says, "Fasting has become an essential part of my walk with the Lord. It continues to amaze me that I lived for so long without this key that unlocks so many blessings." Using the metaphor of a key, this book discusses how Fasting will unlock the blessings of God.

This sequel to **Prophets and Personal Prophecy** is packed with the same kind of cutting instruction that made the first volume a best-seller. Prophetic insights, how-to's, and warnings make this book essential for the Spirit-filled church. You can sin with food in many ways -- by not sharing it, by eating way too much of it, by throwing it across the restaurant table... But you do not sin with food by bowing your head over it, saying grace with true gratitude in your heart, and tucking in. Sharp-edged but humorous, **Confessions of a Food Catholic** addresses the unscriptural approach to food that many Christians have developed in recent years. (By the way, a "food catholic" is somebody who accepts all eaters of all foods, even if he or she doesn't actually eat quinoa.) Specifically, the book addresses divisive threats to Christian table fellowship, the know-it-all pride of newfangled "health food" rules, and the dislocated moralism that makes "organic" and

"natural" the signs of righteousness while disdaining the brethren who buy their beef at Stuffmart.

What drives you? Or what is the "motivation" or "purpose" of your life? Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God-fearing and God-loving people who are still asking the fundamental question of life: "What does God want me to do with my life?" At the end of your life you don't want to catch yourself saying, "That was it?" You see, without God, your life will be only earthly, natural, and predictable; it won't be supernatural or godly. You reap what you sow. The Prayer Driven Life is an invitation to enter this incredible supernatural life--fashioned by God and through your own prayer. What does God want you to do with your life? Why don't you ask Him? Pray!

Do you know that just beneath your feet are deep wells of revival? Are you aware that you are standing on bottomless geysers and founts of the anointing and mandates of our spiritual forefathers and mothers that are just waiting be released afresh to you? God is calling us as instruments today to unstop the wells and reclaim the spiritual inheritance of our nation. This same God who visited America in the Great Awakening, the Azusa Street Revival, the Jesus Movement, the Charismatic Outpouring, and more, wants to again honor His eternal covenants with the men and women of faith who have gone before us. God is ready to loose revival fires and miracles to the spiritual descendants of people like Jonathan Edwards, Henrietta Mears, Aimee Semple McPherson, Charles Finney, William Seymour, and Frank Bartleman. But who will contend for the mantle they wore? Will you? As America stands on the brink of the judgement of God for her sins, revival is our most glorious hope. This book is a prophetic call from the heart of a pastor in Los Angeles who calls his city, his country, and you to renew covenant with God, reclaim our glorious roots, and believe for the greatest revival the world has ever known.

There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would

not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do.

This came through discovering their purpose, unlocking their potential, and walking the earth as Kingdom citizens, fueled by Heaven's vision. His voice continues to challenge Christ-followers around the world to fulfill their destinies. Today, Dr. Munroe's Kingdom message is more crucial than ever. To read this book is to read a story. Yes, partly my story, but primarily it's the story of Jesus and his original forty-day Jesus Fast that released the original Jesus anointing for evangelism and harvest. It is also a prophetic summons calling for a global reenactment and recovery of Jesus' original pattern and pathway leading to power from on high. This is a book of dreams and, if I may say so, of God's dreams, dreams of a new world where the Bride of Christ is beautified, where Satan is cast down, where the Kingdom comes, where evangelism is empowered, and where shouts of joy fill the streets because the Spirit of the Lord has come to heal every disease and sickness. This is a book about the Jesus Fast that will open the heavens and precipitate the latter rain. Let us all go up to the Mountain of the Lord. Let the earth go up in the global Jesus Fast.

Your mind is a BATTLEGROUND, but THE TRUTH WILL SET YOU FREE We have all experienced battles with thoughts that need to be diffused and defeated. We have all battled mental strongholds, though we may not have realized it. A stronghold of the mind is a lie that Satan has established in our thinking that we count as true but is actually a false belief. When we embrace these lies, they affect our attitudes, emotions, and behaviors. God wants all of His children to walk in victory and freedom in their thought lives. But the Bible tells us that we have an evil and deceptive enemy who is "the father of lies and of all that is false" (John 8:44, AMP). Defeating Strongholds of the Mind explains how Satan traps us in lies and false perceptions. It shows us how to partner with God, enter into worship, and embrace our kingdom identity to gain victory through: Identifying thinking patterns that can become strongholds Explaining how certain types of

entertainment can negatively influence our thinking Offering specific prayers to bring victory in the mental battles we fight Sharing stories from people who have overcome the deceptions, struggles, and strongholds in their minds

This is the true story of Carlos Annacondia, whose faithfulness, devotion, and faith in signs and miracles brought about an awakening in Argentina that has spread throughout the world and continues to this day. Annacondia's ministry is marked by the same signs and wonders of the early church—sick bodies are healed, bondages are broken, the demonized are set free, oppression is lifted—and he knows these subjects as very few people do. Listen to Me, Satan! is full of amazing testimonies that will renew, inspire, and charge your faith. It's the story of how one man confronted the devil, in the authority of the name of Jesus, and experienced extraordinary results. Join him on his journey from the poor villages of Buenos Aires to a global ministry, and find victory and freedom in your own life as well.

Empress Carlota traveled to London to obtain help for her beleaguered husband, Emperor Maximilian of Mexico.

Accompanying the empress was a young emissary who assisted her in the negotiations. When their efforts dragged on, she suggested the young man tour the glamorous capitals of Europe while she continued to pursue her negotiations. For weeks he traveled across the continent, longing for his beloved Adela, whom he had left in Mexico, to be with him to share the delights of his journey. On his return to London, he was released by his Empress and told to sail back to their homeland. On November 4, 1866 the young emissary boarded the English ship Tasmanian, the image of Adela set in his mind. Spending hours writing to her of his love and devotion, and his European adventures, the young emissary was tormented by a single question: Would his beloved Adela be swept up in the conflagration of a revolution that threatened Mexico?

"Prayer and fasting is Jesus Christ's message to His people everywhere. A study of the science of fasting in relation to the great spiritual, physical and spiritual power obtained thereby."

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

There is freedom from the torment of the enemy!

Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. This book includes a biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament.

“When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times.” -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island “like a mighty wind” continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

“STAND FAST, AND hold the traditions which ye have been taught, whether by word, or our epistle .... Comfort your hearts; and stablish you in every good word and work .... Finally, brethren, pray for us, that the word; of the Lord may have free course, and be GLORIFIED, even as it is with you.” II Thess. 2:15, 17; 3:1. FASTING, like PRAYER, is a part of the word of God. To dispute this would be as foolish as denying water is wet. Shall we “STAND FAST” on this IRREVOCABLE “TRADITION,” which we have been taught in the WORD, since it is indisputably a part of the WORD of God? Let us pray that it will “have free course, AND BE GLORIFIED,” in its proper place in order that JESUS may receive more glory and honor from His children. The purpose of this volume is to popularize, perhaps one of the most downtrodden of all Biblical subjects, and assist in the author's small way to reestablish this part of the Gospel, bringing it out in all its glorious aspects. We are dealing with a tremendous portion of the Word—able to open up an avenue to tremendous power and glory with JESUS for the mutual welfare of His body, and the bringing of a mighty last day revival. By the proper utilization of fasting, praying, crying and mourning for souls, and by going into the
