

The Gloaming

Stories deal with a mother caring for her adult son as he is dying from AIDS, a man tempted to cheat on his pregnant wife, the confused memories of an Alzheimer's patient, and a woman leading an unfulfilled life in a safe marriage.

"The Gloaming was worse than the grave..."Or so Tryst believed when he banished the former prince to this secret and brutal exile. Now Tryst sits on the throne of Valemidas. He feasts with nobles and prepares an army to conquer the world. But things are never as stable as they seem. Old loyalties remain. The people of Valemidas groan under Tryst's heavy yoke and his network of spies. While the seeds of rebellion are planted, Tryst's own family is divided. His sister has ambitions exceeding her brother's, and their half-sister wants vengeance for the disappeared prince she loved. No one escapes the Gloaming, but the fallen prince is different. What would happen if a man emerged from a place worse than the grave? Alliances will crumble, battles will rage, and souls will transform in the Gloaming.

The Gloaming: the fifth book in the Little Forest mystery series. Beth Powers is a pretty normal twenty-one year old woman. She has a sister, a great group of friends, and a steady - if slightly boring - job. She lives in the traditional English village of Little Forest. Oh, and she can see dead people. When the Little Forest Investigations gang get a

request from an Irish gazer in trouble, Connor jumps at the chance to go back to his homeland, and soon, the whole LFI team find themselves in rural Ireland. It's cute, it's quaint, and it's jam-packed full of dead people. It isn't until they return back to England, however, that things really start to heat up. It's the height of summer, and the small village of Little Forest is teeming with tourists wanting to find out about Covershire county's dark past. Unfortunately for them, they're about to experience the darkness first-hand, as it seems that Beth didn't exactly leave Ireland empty-handed... Join Beth and the rest of the LFI gang in this Little Forest novel as they continue their quest to help the spectres of the Former World, dealing with madmen, witches, and unwanted visitors on the way. When the sun sets and the gloaming is upon you, anything can happen.

Sequel to Land of Midnight Days, Jeremiah's journey continues. Robbed from birth of his voice, Jeremiah Tully is nonetheless a musician of astonishing ability. Having fled after the demon wars to a place of tranquility, he must now return to the city and start all over again. This time his journey will take him into The Gloaming, a world steeped in perpetual twilight and filled with tormented souls, trapped forever in semi darkness.

Contains many biographical sketches and historical and descriptive articles regarding Utah, Utah communities and Mormon faith and history.

As the white raven flies, the journey of the lady of the mist, An Ceobrun continues. The fog-veiled path winds through the usual adventures of life, delightfully and lovingly embroidered with Celtic designs, and the unusual adventures of things fey. Those things most easily seen in

Two women are guests for the ceremony of an old Vietnamese gentleman one evening in a Louisiana cemetery. One woman loses her jade gold ring, and decides to go back to locate it. They flee after an apparition arises from a tomb screeching a warning, 'Take not what is yours.' They are drawn towards an unfamiliar house and met by a hound that desperately tries to prevent them from entering. They unknowingly steal belongings of others, which an old man has strategically placed there. If they cannot return objects into their rightful places before midnight, their souls will be trapped forever.

'The best lives leave a mark.' A bewitching tale of first love, shattering grief, and the dangerous magic that draws us home. Mara's island is one of stories and magic, but every story ends in the same way. She will finish her days on the cliff, turned to stone and gazing out at the

horizon like all the islanders before her. Mara's parents - a boxer and a ballerina - chose this enchanted place as a refuge from the turbulence of their previous lives; they wanted to bring up their children somewhere special and safe. But the island and the sea don't care what people want, and when they claim a price from her family, Mara's world unravels. It takes the arrival of Pearl, mysterious and irresistible, to light a spark in Mara again, and allow her to consider a different story for herself. *The Gloaming* is a gorgeous tale of love and grief, and the gap between fairy tales and real life.

Once upon a chime... Every day at four o' clock, an enchanted twilight sweeps over Vale Argantel. Strange things happen under its eldritch influence: mists boil up out of the ground, rain pours out of a cloudless sky, and the roses grow wild and fey. Such is the way of things. But when her friend falls through a magic mirror and disappears, Margot realises something's changed. An ancient enchantment has gone awry, and chaos quickly spreads. Magic-drunk, confused and hampered at every turn, Margot must find a way to reclaim Oriane — and before anybody else disappears. But for Oriane, things are stranger still. Lost in a topsy-turvy world, how can she ever find her way home? For she's adrift in a place very like Argantel — eerily familiar, yet strangely different; a place which follows none of the usual rules... Praise for *Gloaming*: "One part Eleanor Farjeon, one part Lord Dunsany, one part Vera Chapman, but mostly her unique self, Charlotte English is the first new (to me) writer to make me excited in a long, long time. Her faultless prose by turns ascends with the lark, leads you down secret paths like the willow-the-wisp, bewitches you into bewilderment, and sparkles with eye-bedazzling wonder, taking you at last to an enchanted ending that leaves you as drunk on words as her protagonists on ensorceled rose-wine. Please, milady, more!" - Mercedes Lackey
