The Gothenburg Bar And Beer Guide A Beer Tourists Guide To The Best Bars Breweries And Bottle Shops In Gothenburg

CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. Now in its 45th edition, the guide is completely independent, with listings based entirely on evaluation and nomination by CAMRA members. The unique Breweries section contains a full listing of Britain's breweries - from national to micro - with information about their core beers.

This book builds on the highly successful *Geography of Beer: Regions, Environment, and Society* (2014) and investigates the geography of beer from two expanded perspectives: culture and economics. The respective chapters provide case studies that illustrate various aspects of these themes. As the beer industry continues to reinvent itself and its economic and cultural geographies, this book showcases historical, current, and future trends at the local, regional, national, and international scales.
