A NEW YORK TIMES BESTSELLER The definitive biography of the NFL's most enigmatic, controversial, and yet successful coach Bill Belichick is perhaps the most fascinating figure in the NFL--the infamously dour face of one of the winningest franchises in sports. As head coach of the New England Patriots, he's led the team to five Super Bowl championship trophies. In this revelatory and robust biography, readers will come to understand and see Belichick's full life in football, from watching college games as a kid with his father, a Naval Academy scout, to orchestrating two Super Bowl-winning game plans as defensive coordinator for the Giants, to his dramatic leap to New England, where he has made history. Award-winning columnist and New York Times best-selling author Ian O'Connor delves into the mind of the man who has earned a place among coaching legends like Lombardi, Halas, and Paul Brown, presenting sides of Belichick that have been previously unexplored. O'Connor discovers how this legendary coach shaped the people he met and worked with in ways perhaps even Belichick himself doesn't know. Those who follow and love pro football know Bill Belichick only as the hooded genius of the Patriots. But there is so much more--from the hidden tensions and deep layers to his relationship with Tom Brady to his sometimes frosty dealings with owner Robert Kraft to his ability to earn the unmitigated respect of his players--if not their affection. This is a man who has many facets and, ultimately, has created a notorious football dynasty. Based on exhaustive research and countless interviews, this book circles around Belichick to tell his full story for the first time, and presents an incisive portrait of a mastermind at work.

In Bed Stuy, New York, a small misunderstanding can escalate into having a price on your head—even if you're totally clean. This gritty, triumphant debut that Publishers Weekly calls "a funny and rewarding read" captures the heart and the hardship of life for an urban teen. A lot of the stuff that gives my neighborhood a bad name, I don't really mess with. The guns and drugs and all that, not really my thing. Nah, not his thing. Ali's got enough going on, between school and boxing and helping out at home. His best friend Noodles, though. Now there's a dude looking for trouble—and, somehow, it's always Ali around to pick up the pieces. But, hey, a guy's gotta look out for his boys, right? Besides, it's all small potatoes; it's not like anyone's getting hurt. And then there's Needles. Needles is Noodles's brother. He's got a syndrome, and gets these ticks and blurts out the wildest, craziest things. It's cool, though: everyone on their street knows he doesn't mean anything by it. Yeah, it's cool...until Ali and Noodles and Needles find themselves somewhere they never expected to be...somewhere they never should've been—where the people aren't so friendly, and even less forgiving.
