A collection of teachings on how to correctly practice the view and meditation of Dzogchen by one of its most accomplished and beloved masters of the twentieth century. This volume is a heartfelt, intimate presentation of the entire system of the Nyingma tradition from sutra to tantra to Dzogchen, the Great Perfection, and how through it, modern-day practitioners can succeed in attaining fully realized buddhahood. Inspiring stories of the great masters Longchenpa and Jigme Lingpa kindle the prerequisites of faith and devotion that are the basis for the practices that follow. The Tibetan Buddhist master Nyoshul Khenpo Jamyang Dorje gave these talks during a three-year retreat in France from 1982 to 1985. Includes Part 1, Number 1 & 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - December)

The 1st ed. includes an index to v. 28-36 of St. Nicholas.

The Harry Potter series of books and movies are wildly popular. Many Christians see the books as largely if not entirely harmless. Others regard them as dangerous and misleading. In his book *A Landscape with Dragons*, Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting. His analysis, written before the rise of the popular Potter books and films, anticipates many of the problems

Harry Potter critics point to. A Landscape with Dragons is a controversial, yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture, O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society. His analysis of the degeneration of books, films, and videos for the young is incisive and detailed. Yet his approach is not simply critical, for he suggests a number of remedies, including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution. In doing so, he points the way to rediscovery of time-tested sources, and to new developments in Christian culture. If you have ever wondered why a certain children's book or film made you feel uneasy, but you couldn't figure out why, this book is just what you need. This completely revised, much expanded second edition also includes a very substantial recommended reading list of over 1,000 books for kindergarten through highschool.

This book is based on two historic seminars of the 1970s, in which Chögyam Trungpa introduced the tantric teachings of Tibetan Buddhism to his Western students for the first time. Each seminar bore the title "The Nine Yanas." Yana, a Sanskrit word meaning "vehicle," refers to a body of doctrine and practical instruction that enables students to advance spiritually on the path of Buddha-dharma. Nine vehicles, arranged in successive levels, make up the whole path of Buddhist practice. Teaching all nine means giving a total picture of the spiritual journey. The author's nontheoretical,
