

The Holy Bible Cebuano Translation

The Douay-Rheims Version of the Holy Bible is the most accurate English translation of the Bible available today. It was the only Catholic translation of Scripture commonly in use for over 200 years. Translated with profound respect for every word, the beautiful style of the Douay-Rheims Bible will instill in the reader a deeper understanding of the Word of God. Annotations, references and an historical and chronological index make it convenient for study as well as meditation. Item No. SB2056 Paperbound.

From ampapagot (Cebuano for triggerfish) to ligaya (bread with red filling from Bicol) to ukuh ukuh (a Tausug dish resembling a sea urchin risotto), this dictionary gathers more than 8,000 terms relating to food ingredients, dishes, cooking styles, preparation techniques, and utensils, among others. For anyone who cooks or simply loves Filipino food, this book is a vital reference and an excellent cookbook supplement. Together with a list of auxiliary and cooperating societies, their officers, and other data.

An anthology of prose fiction gathered from the mid-1800s until the year 2005. Each volume contains short stories or excerpts from short stories or novels in Cebuano.

Beginning with 1953, entries for Motion pictures and filmstrips, Music and phonorecords form separate parts of the Library of Congress catalogue. Entries for Maps and atlases were issued separately 1953-1955.

Biblical Studies on the InternetA Resource Guide, 2d ed. McFarland

This short book makes the case that deacons are model servants called to meet tangible needs, organize and mobilize service, preserve the unity of the flock, support the ministry of the elders, and further the mission of the church.

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

Kini nga basahon gipaningkamotan nga mahimo aron kadtong dili kaayo makasabot ug English makasunod-sunod ra pud. Gituyo pud nga ang mga discussion pinamubo sa tinguha nga ang mubasa dili ra kaayo mahago, especially sa kadtong dili hilig magbasa. Kini nga basahon, kung imong tinud-on, maka- hatag kanimo ug kaalam sa Dios pinaagi sa Bible.
