The book describes a marvelous change in handling finances bringing confidence into a household of uncertainty and power into a household of fear. The New Financial Nature changes worry into confidence with power from the Holy Spirit. Individually the change is awesome. The book also exposes us to

sinful, hurtful, and corrupt financial transactions. Your personal money nature is the sum of qualities, temperament, values, and worldview making you distinct from others. The New Financial Nature is a change in all personal characteristics about money from the inside out, from a change in heart, formed by the Holy Spirit. With the New Financial Nature the budget balances not because of computer software, or intensified guilt, or a motivating life coach, but because a change in heart changes the desire, the hunger for things replacing these pushers with a new contentment, a new satisfaction, a new financial peace. The heart is changed by the power of God so we are governed by new and holy motives. The change is extraordinary and affects work habits, entertainment, saving, giving, and attitudes in financial storms. We live in a sinful world with unholy motives and hurtful financial transactions around us in families, companies, and government. Practicing Christians are to be a light in the midst of this dark financial world and with a New Financial Nature we have power to say no and turn away from enticing unholy activities and power to overcome financial struggles in innovative ways. Many believe in the notion of prosperity in God but only few really know how to work it out. This misunderstanding has led to lots of struggles for Christians to make ends meet. But it takes a revelation from the Holy Spirit to understand and apply God's principle for your prosperity. God's principle to ensure a successful life for His children is straightforward. The treasure has always been there, but only few could access it, but now it has been made known. The book, "God's final Word for your financial freedom" is valid to the letter. It is designed to usher you into a place of freedom financially and otherwise in God and at the same time help you to strengthen your relationship and faith in Him. There are better ways of doing things in God and living in satisfaction as a Christian. You can hardly be a success and find fulfillment in life if you don't walk in God's principle for your life. The struggles are unnecessary. Be warned nonetheless that this is not a get-rich-quick solution to living successfully as a Christian, but one thing remains clear: it is a foolproof method to help you come out of your struggles to living a fulfilled life in Christ. Make up your mind to fall into God's plan for your life. Sometimes, there are many ways to get something done, but in this matter, there is only one way to get it done with happiness and fulfillment. Get the Word and act on it then watch life taking a new turn and becoming more meaningful for you.

One day, I was in my room, and I was thinking, and I was like, God if only you would drop an idea in me that will make me financially buoyant for a lifetime. Unluckily for me, I just got sacked after only three months of getting a new job. I was PERPLEXED and frustrated until the day I prayed in my heart, and the Holy Spirit said, Hey Sammy, pick up your pen. I was like, "Pick up my pen?" You wouldn't believe it; but that pen I picked up that day, made me financially established up until now... Until you believe in God and have complete faith in Him, you might struggle to stand out in life. I made the MONEY I never made in several years in one year all because of some powerful prayers I prayed... This led me to ask God, "Won't You even wait for me to call before You answer?" His reply was, "No. There is a company of people who, before they call, I answer, and while they are yet speaking, I am on the line to perform." You can provoke HEAVENLY response without utterance. You can secure divine financial interventions without crying your eyes out. The violent prayers in this book do not cancel or take

the place of speaking and making UTTERANCES in prayer; it is only an extra depth in communicating with God. It is knowing how to position yourself in the realm of answers without tears. A realm where God contends with all that fight with you, without you having to ask Him. It is a realm where God silences all the PARASITES eating up your financial blessings. It is a realm where you can reach heaven and receive from heaven - a realm where you compel things to happen on their own accord. So, winning the financial war is not only a function of INTERCESSIONS, supplications, and prayers of agreement; other direct avenues to God, bring you victory without a sweat. I call it operating God's private lines - the violent prayer frequency. If you want to be a SUCCESSFUL thinker, there is a need to separate yourself from the noise and row of activities and create quietness around you. It's time to work on your IMAGINATION so that you can be free from all frustrations. Your vision is a pace-setter for your destiny; it determines how far you go in life. That means you must put a leash on your mind, so it doesn't lead you to destruction. Let me be honest with you; financial breakthrough will never be possible if you don't conceive financial BUOYANCY in your mind. Whatever your DESIRE from God, act it, and God will respond. If He responded to Ahab (that wicked king), how much more will He respond to you, the son of His love? If you believe that when you pray according to His will, God hears you and that if He hears, you have received your PETITION, then act it. Stop looking sorrowful and mournful, because no good thing will He withhold from you. After praying these prayers, don't tell me you are jobless and then stay at home all day, SLEEPING. You should get up every morning, dress up faster than those who have jobs and be on your way out. If anybody asks where you are going, say, "I'm going to work." You have PRAYED to God for a job, and He has heard you, but the job won't come to you on your bed,

Download Free The Holy Spirit Your Financial Advisor Gods Plan For Debt Free Money Management

you have to go for it. Don't tell me you are broke after you have prayed to be financially stable. When you pray these prayers, believe it will come to pass.. If you desire to be strong, and you say you are strong, then look strong. Act wealthy, and you will be prosperous. When you allow God's Word to determine your actions, you can't miss divine intervention. Don't only confess your desires; act it! Let it show in everything you do. All the Violent prayers in this book will grant direct access to God. However, they call for self- discipline, and COMMITMENT, to operate in them. You will never have to sweat again to get answers to command financial breakthroughs and issues troubling your life, in Jesus' name.

Throughout the Bible, God always prospered His people but something dramatically and radically wrong has happened to today's New Testament believer. Your Father doesn't want you making due with just enough or living from one paycheck to another. No! He said He wants you to be blessed and be a blessing until all ends of the earth are blessed. This part of the Gospel of the Kingdom must go to all ends of the earth just like salvation, healing and deliverance. In order to do this, it's going to take some MONEY. The truth is, when it comes to genuine investment, many of us act like four-year-olds jumping inside a well. That is, we test ignorantly, and invariably wind up making some terrible mistake that sends us rolling across the room in financial shock.Throughout this Book, we're going to focus on what I consider to be the ten most "demoralizing" mistakes that Christian investors should
