

page in this completely revised and updated edition of the critically acclaimed Kingfisher History Encyclopedia by the editors at Kingfisher. From man's earliest history right through to the technological and social revolutions of the current day, this trusted reference provides a one-stop source for research, and is the perfect companion to any study of world history. The encyclopedia is organized chronologically and then thematically within each time period. A timeline runs across the top of each page for context. Each section includes biographies of important people and key features on the art, architecture, and technology of the period. No more hunting and pecking all over the internet for incomplete or un-vetted information. With 3,500 indexed references and more than 2,000 full-color illustrations, photographs, and source materials, as well as research-friendly back matter and index, this encyclopedia provides a beautiful, authoritative reference that is essential for any home, school, or library.

What was the Black Death? Who fought in the Hundred Years' War? Based on the award-winning Kingfisher History Encyclopedia, this portable reference puts the whole of history and the legacy of human civilization at the fingertips of today's children. Special Features: Easy-to-use chronological and thematic arrangement. Illustrated biographies and key date boxes. Timeline throughout puts history and world events in context.

This comprehensive, 8.5" x 11" curriculum guide and activity book contains map activities, coloring pages, games, projects, review questions, cross-references to illustrated encyclopedias, and extensive book lists. Children and parents love the activities, ranging from cooking projects to crafts, board games to science experiments, and puzzles to projects. Each Activity Book provides a full year of history study when combined with the Textbook, Audiobook, and Tests—each available separately to accompany each volume of Activity Book. Science is vital for every inhabitant of today's world, and being scientifically informed and literate is a crucial part of any child's education. Science can seem daunting — especially as scientific knowledge advances so quickly — and this volume is the perfect purchase for any family. It will bear repeated use by all the family from 10+ through the teenage years. Fully updated for this new 4th edition with the very latest facts and data; clear text and more than 1000 photos and illustrations will inform and amaze.

There is an amazing diversity of life on Earth, from microscopic organisms to giant redwoods and blue whales, and on every part of Earth's surface from tropical rain forests to dark ocean depths. The Kingfisher Nature Encyclopedia is an authoritative, beautifully-illustrated guide to the living world and all its flora and fauna. Features brand new photography and comprehensive text updates by expert Camilla de la Bedoyere.

The Kingfisher History Encyclopedia

A student's reference guide to world history, featuring a timeline, key date boxes, and biographies of historical figures.

The fully revised Kingfisher History Encyclopedia is a companion volume to the Kingfisher Children's Encyclopedia and the Kingfisher Science Encyclopedia. It is an authoritative, up-to-date reference guide that brings to life world history from the Stone Age to the present day. The thematic and A-Z arrangement allow the young reader quick and easy access to specific information. The chronological context is reinforced by a timeline that runs throughout the book. Packed with scintillating facts, lavish illustrations and quality photographs, this is the definitive information book to enthuse any budding historian.
