

The Legend Of The Wandering King Dofn

Ten short stories from Cixin Liu, the award-winning author of the *The Three-Body Problem*, take you from Earth to the edge of the Universe and back again.

The Wandering Wildebeest tells the story of the massive annual migration across the African plains in search of food and water. In the blistering heat, our heroes keep on walking over the parched, dusty ground in their quest to find lush grassland to graze upon. Having faced starvation, exhaustion and dehydration, they finally see a happy, grazing herd of buffalo in the distance! But in order to reach the grassland, the wildebeest have one more dangerous challenge ahead – to cross the deep, wide, river filled with crocodiles! Written in humorous rhyme and including off-the-wall characters and scenarios, Martin Coleman's funny, silly story, accompanied by Tim Slater's stunning and hilarious illustrations will both educate and entertain children of all ages, (and we think the grown-ups will secretly enjoy it, too!)

The Legend of the Wandering King Arthur Levine

The most unusual novel you will read all year, where you create your own story 'An ingenious choose-your-own-adventure challenge' Lauren Elkin, *Guardian* Longlisted for the 2021 Stella Prize You've grown roots, you're gathering moss. You're desperate to escape your boring life teaching English in Jakarta, to go out and see the world. So you make a Faustian pact with a devil, who gives you a gift, and a warning. A pair of red shoes to take you wherever you want to go. Turn the page and make your choice. You may become a tourist or an undocumented migrant, a mother or a murderer, and you will meet other travellers with their own stories to tell. Freedom awaits but borders are real. And no story is ever new. 'Sets you free to roam the Earth... an incisive commentary on the cosmopolitan condition' Tiffany Tsao 'An electrifying novel about cosmopolitanism and global nomadism that keeps readers on their toes' *Book Riot* Winner of an English PEN Translates Award, and a Heim Translation Fund Grant from PEN America

From Pulitzer Prize-winning journalist Matt Richtel, a brilliant, narrative-driven exploration of technology's vast influence on the human mind and society, dramatically-told through the lens of a tragic "texting-while-driving" car crash that claimed the lives of two rocket scientists in 2006. In this ambitious, compelling, and beautifully written book, Matt Richtel, a Pulitzer Prize-winning reporter for the *New York Times*, examines the impact of technology on our lives through the story of Utah college student Reggie Shaw, who killed two scientists while texting and driving. Richtel follows Reggie through the tragedy, the police investigation, his prosecution, and ultimately, his redemption. In the wake of his experience, Reggie has become a leading advocate against "distracted driving." Richtel interweaves Reggie's story with cutting-edge scientific findings regarding human attention and the impact of technology on our brains, proposing solid, practical, and actionable solutions to help manage this crisis individually and as a society. A propulsive read filled with fascinating, accessible detail, riveting narrative tension, and emotional depth, *A Deadly Wandering* explores one of the biggest questions of our time—what is all of our technology doing to us?—and provides unsettling and important answers and information we all need.

Motivated by jealousy and the desire to receive acclaim as a great poet, Walid ibn Huyr, a prince of ancient Arabia, commits acts which completely change the course of his life.

What do three twelve-year-olds who are the disgrace of their tribe, do when they turn out to be the only three among their peers to have evaded a mass-kidnapping? In 1972, Inaya, Raksha, and Abu, members of a tribe descendent from Thuggees (dacoits and marauders), end up being the most unlikely heroes of a great misadventure. Through the course of their tale, the three friends reveal themselves to be true Thugs—daring and dauntless—who redeem themselves in the eyes of their tribe when they rise to the occasion to rescue their friends, who mysteriously vanish one night. In this Pied-Piper-style fantasy, the three friends find themselves in possession of legendary magical gifts that aid them in their battle against evil. A gripping saga about the magic of steadfast, enduring friendship in facing life's trials and tribulations, *The Legend of the Wandering Circus* is the first in a series of books chronicling the exploits of the three inglorious young Thugs—Inaya, Raksha, and Abu.

This book traces the enduring legend and changing meanings of the Wandering Jew through the ages, from St.

Heidi, Johanna Spyri, Classics, prabhat books, low price books, prabhat books on kindle According to the myth of the Wandering Jew, Ahasverus denied Christ a resting place while Christ was traveling to Golgotha. In turn, Ahasverus was cursed to roam the earth until the Second Coming. Stefan Heym's novel *The Wandering Jew* re-creates and expands this myth to propose that the right synthesis of love and rebellion can bring human-kind to the Kingdom of Heaven. Beginning at the Beginning, Heym introduces both Ahasverus and Lucifer as angels in free fall, cast out of heaven for their opinions of God's order. The story follows their respective oppositions through the rest of time: Ahasverus defiant through protest rooted in love and a faith in progress, and Lucifer rebellious by means of his biblically familiar methods. In a doggedly funny eternity of run-ins, debates, and meddling with such characters as Christ, a disciple of Martin Luther, and a twentieth-century Marxist professor in East Germany, Ahasverus and Lucifer struggle on, awaiting the Second Coming.

The boy known as Tor Baz—the black falcon—wanders between tribes. He meets men who fight under different flags, and women who risk everything if they break their society's code of honour. Where has he come from, and where will destiny take him? Set in the decades before the rise of the Taliban, Jamil Ahmad's stunning debut takes us to the essence of human life in the forbidden areas where the borders of Pakistan, Iran and Afghanistan meet. Today the 'tribal areas' are often spoken about as a remote region, a hotbed of conspiracies, drone attacks and conflict. In *The Wandering Falcon*, this highly traditional, honour-bound culture is revealed from the inside for the first time. With rare tenderness and perception, Jamil Ahmad describes a world of custom and cruelty, of love and gentleness, of hardship and survival; a fragile, unforgiving world that is changing as modern forces make themselves known. With the fate-defying story of Tor Baz, he has written an unforgettable novel of insight, compassion and timeless wisdom. It is true, I am neither a Mahsud nor a Wazir. But I can tell you as little about who I am as I can about who I shall be. Think of Tor Baz as your hunting falcon. That should be enough.

Continuing up the Missouri River with her wealthy English clan, Tasmin Berrybender, on the verge of motherhood and living with elusive Native American Jim Snow, witnesses her father's deterioration in the wake of her family's rise in power.
