

## The Life Of A Scilly Sergeant

By 1818 five of the six Islands of Scilly were desperate, their inhabitants literally starving, their future more than bleak. The tenant, the Duke of Leeds had declined to renew his lease, and the Duchy of Cornwall were desperate to unload their responsibility. Augustus Smith's arrival in 1834 changed everything since he was a man of vision, hard but generous, the first lessee ever to live on the islands. This is his story, with details of his tenancy, his death, his will, his affair with a Tresco shop girl, and the three children he fathered, much of which has never before been made public.

The Works of Sir Walter Raleigh: The life of Sir Walter Raleigh, by William Oldys. The life of Sir Walter Raleigh, by Tho. Birch

Wildlife Review  
Southern English Varieties Then and Now  
Walter de Gruyter GmbH & Co KG

Most of the world's Extraterritorial Englishes stem historically from southern English dialects - Southern England having been the most densely-habited part of the country. However, the dialects of Southern England remain under-studied. The papers in this volume consider both diachronic and synchronic aspects of the dialects of Norfolk, Suffolk, Essex, Kent, Sussex, Dorset, Somerset, Devon, Cornwall, Gloucestershire and the Isles of Scilly.
