The aim of this book is to provide a complete handbook of information and opinion about the history of the music of the 1970s. There are over 1000 entries on the bands, musicians, songwriters, producers and record labels of this decade, everyone who had any significant impact on the development of rock and pop music. From the stars who, unlike Hendrix, Joplin and Morrison, survived the sixties only to be duded as dinosaurs, to the angry reactions of punk and the new wave and the sounds of glam rock and disco, this encyclopaedia aims to answer any query about any aspect of seventies music. As well as the giants of the decade, such as Queen, Abba and Fleetwood Mac, the book also includes those artists who only flourished briefly.

It describes the publication histories of each edition since the first, offers information about printers, engravers, and subscribers, and provides practical information on price histories, accessibility, and preservation.

Instead it leads to the end of a Boa Visk sword, its poison blade biting his throat. And the secrets he's spent his life trying to uncover will die with him. Until a mysterious swordsman drops from the trees and saves his life... Damen has only two things left in his life: his dragon-forged swords and his personal vendetta against the Boa Visk. The monstrous beings who've subjugated humans all across the continent have taken everything from him, leaving him broken and alone, with nothing to sustain him but the death of any Boa Visk who wander into his forest. But when he sees their captive mage, poisoned and weak, he hasn't the heart to let the man die alone. Compassion is his first mistake. The kiss he shares with Tamas is his second. With emotions he believed long dead flaring back to life, and the foolish mage destroying the walls Damen worked so hard to erect, Damen is certain his next mistake will be his last. He knows a lot about the preternatural, but he's not saying why. And he's the new Voice of God's only chance of survival. This collection contains the first three books of The Mage Craft Series, amounting to over 210,000 words. About Cast in Angelfire As a half-angel, half-human mage, Marion Garin is the most powerful witch in the world. She's been embroiled in preternatural politics since childhood and navigates the factions with ease. Or so she's been told. Unfortunately, she's lost her memory, and now Marion doesn't know much of anything. Casting magic? Forget about it. It's not an accident, either. Someone powerful wanted to take Marion out of preternatural politics, and they succeeded. She's told that a man named Seth Wilder could help, but she'll have to find him first. He's been missing for years. Marion needs to track Seth down and fix her memory before her unknown enemy finishes the job... * * * About Cast in Hellfire Marion Garin is the teenage daughter of Metaraon, the former Voice of God. Now she's also the steward of the Winter Court, which has been in anarchy since a revolution five years earlier. Problem: Marion still doesn't remember anything that happened before two weeks ago. Seth Wilder has a lead on her memories. Whoever stole them and sold Marion's essence to a demon lord in Sheol. Marion wants to help steal them back, even though that means abandoning the Winter Court to war. And Seth can't seem to tell Marion no. He wants Marion nearby. Very nearby. Possibly in his teeth. See, Seth has this little problem where he's developing a killing urge, and it seems to be centered primarily on the half-angel girl who adores him. It conflicts with everything Seth believes himself to be: a moral man, a doctor who heals instead of hurts. Yet he's obsessed with Marion. She wants her memories, and he wants her to have them as much as he wants her blood. They'll work together to make Marion whole, come hell or high water. Even if it means war. Even if it means Seth might hurt Marion. And damned be the consequences... * * * About Cast in Faefire Marion Garin, the Voice of God, is due to marry the Prince of the Autumn Court by the end of the week - assuming that the world's preternatural leadership doesn't have anything to say about it. They plan to strip Prince ErlKonig of his title, ensuring that Marion can't form a god-forbidden treaty with the angels. Still injured from his final fight in Sheol, Seth Wilder is seeking a way to stay alive. If he dies, he'll lose more than his life - he'll be slave to the gods' whims for all eternity. He's ready to take drastic steps. Maybe even make a bargain with the vampires. But what the gods want, they get. And they don't appreciate being defied. This is the third and final volume of Douglas Monroe's Merlyn series. The Dark Age of Druidism of Merlyn was entirely based upon the teachings of the Pheryllt, a British Megalithic Priesthood whose practices and philosophies set the essence of what later Druidism would become - set, quite literally, in stone. Drawing once again upon the 16th Century Book of Pheryllt in addition to countless other volumes from Plato to Einstein, the author clearly establishes that the answers to nature's deepest questions lie well within our capacity to grasp - providing we understand how to look at the completed picture.Does the mind possess supernormal abilities? Does individuality survive bodily death? Is rebirth the evolutionary design of a Creator? As a young military commander in training, Arthur now faces his deepest trials as he challenges Merlyn with these three ultimate questions. Alongside

him, begin your own quest to search out - and find! - answers to these and many other age-old mysteries.
