Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

Illustrations and rhyming text present ten different endangered animals.

A snake is too greedy for his own good in this book and CD package illustrated by children's book legend Eric Carle and narrated by award-winning actor Stanley Tucci. In this classic picture book from Richard Buckley and Eric Carle that includes a CD with audio narration by Stanley Tucci, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the eaten animals befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. This humorous tale about manners, respect, and friendship will delight readers—and listeners!

Coco the Chameleon loves who she is, inside and out...until her first day of school. When Coco meets her new classmates, she suddenly wishes she could be anyone other than herself...but what if she really could be? Would Coco discover that being herself is actually the best of all? Full of colorful illustrations and relatable feelings, Coco the Chameleon's inspiring journey to self-acceptance will leave readers feeling confident and proud to be who they are! Read along as Coco learns to love and celebrate herself for who she uniquely is!

Challenged by the other jungle animals for its seemingly lazy ways, a sloth living in a tree explains the many advantages of his slow and peaceful existence.

Chameleon can turn himself into anything and appear to fit in anywhere, but it seems that neither the swirly snail, the green grasshopper nor the striped sock want to be friends. Will he ever find someone to talk to? Someone just like him? With a subtle and witty interplay between words and illustrations this introduction to colors and shapes (and chameleons!) is sure to delight kids of all ages.

A spider, blown by the wind to a fence post near a farm yard, begins to build her web and cannot be distracted from the task at hand--not by the horse, cow, sheep, goat, or dog. But when the rooster asks if she wants to catch a pesky fly, the busy spider is able to catch it in her web immediately!

This is a story of an artist who, from his earliest years, draws. The artist draws a star! Then, the tree, house, flowers, clouds, rainbow, and night. In drawing, he discovers not only his art, but his life. Holding on to his star, he creates a world of light and possibility. With his brilliant collage, poignant and powerful in its simplicity, Eric Carle creates an unforgettable story that celebrates imagination and the artist in us all.

"The Very Hungry Caterpillar is a beloved classic, and has sold 41 million copies worldwide in 62 languages. With this board book, learn your numbers with The Very Hungry Caterpillar and lots of animal friends. Starting off with one giraffe and finishing with 10 gorgeous animals (including The Very Hungry Caterpillar himself!), this is the perfect introduction to counting for very young children."

One fine morning, a rooster decided he wanted to travel. In this mini-book edition, using strikingly designed, colorful collage illustrations and a beguiling simple text, Eric Carle takes his young readers on a trip with the rooster and his companions. As he travels, the rooster is joined by two cats, three frogs, four turtles, and five fish, offering the child a graphic introduction to the meaning of numbers, number sets, and addition within the context of an entertaining story. When night falls, the rooster's friends find he has made no provisions for their food or shelter and, disappointed, they abandon the expedition—once again in sets of five, four, three, and two, but this time in a declining series. Finally the rooster, too, decides that he has seen enough of the world and that he is, in fact, a little bit homesick. Eric Carle believes in letting children make learning discoveries at their own pace. This book can be read and enjoyed for its story and its beautiful illustrations alone; however, the child who is ready to begin to think mathematically will find additional pleasures in the opportunities presented in the text, the pictures and the diagrams for learning basic arithmetic concepts.

Follows the progress of a hungry caterpillar as he eats his way through a varied and very large quantity of food until, full at last, he forms a cocoon around himself and goes to sleep, only to emerge as a beautiful butterfly. Read by the author.
