From 1985 to 1992, The Baseball Hall of Shame series chronicled more than 100 years of baseball goofs and gaffes, selling more than 700,000 copies. Now, the authors of the most offbeat baseball books ever written are back, featuring their looniest lineup of classic stories and inducting their first new class of Hall of Shamers in twenty years. Bruce Nash and Allan Zullo cover everything from the battiest batters and craziest fielding fiascoes to the dumbest ballpark promotions and screwiest fan behavior. Hall of Shamers include outfielder Lou "The Mad Russian" Novikoff, who insisted his wife taunt him from the stands because it made him a better hitter... Pitcher Burleigh Grimes, who was so mean that he threw a beanball at the on-deck hitter... Outfielder Ping Bodie, who out-ate Percy the ostrich for the spaghetti-eating championship of the world... and Babe Ruth, who wore ladies' silk stockings for good luck. Among the new inductees are Ken Griffey Jr., who put a cow in manager Lou Piniella's office to pay off a steak dinner bet... Manny Ramirez, who abandoned left field to go to the bathroom during a game... and David "Big Papi" Ortiz, whose underwear was smeared with peanut butter as payback for the pranks he pulled on teammates. Filled with more than 200 stories and packed with photos, The Baseball Hall of Shame: The Best of Blooperstown is the most hilarious homage to the national pastime ever assembled, and a fitting testament to the Hall's motto: "Fame and shame are part of the game."

This full book explores the family background of Baseball Hall of Famer Ted Williams -- considered by many to be the greatest hitter who ever lived. With the Anglo surname of Williams, most people had no idea that his maternal grandparents came to America from Mexico until Bill Nowlin followed up on one line in Williams' autobiography where Ted had written, "if I had had my mother's name, there is no doubt I would have run into problems in those days, the prejudices people had in Southern California." As Ben Bradlee Jr. wrote, "No reporter...dug into [Ted Williams'] Mexican heritage until Bill Nowlin explored some of the Venzor family lineage in an article for the Boston Globe Magazine

published in June of 2002, a month before Ted died." -- Ben Bradlee, Jr., *The Kid: The Immortal Life of Ted Williams* The year after Ted Williams died, Bill Nowlin helped organize celebrations of Williams' life at the San Diego Hall of Champions, the Boston Public Library, and the National Baseball Hall of Fame in Cooperstown. For the San Diego celebration, he invited members of Ted's extended family to attend and 33 of them assembled in Balboa Park outside the Hall of Champions. Interviews with family members, with confirmation from Ted himself, helped build some of the backstory of one of the greatest baseball players -- and of a truly remarkable American family.

Most fans don't know how far the Jewish presence in baseball extends beyond a few famous players such as Greenberg, Rosen, Koufax, Holtzman, Green, Ausmus, Youkilis, Braun, and Kinsler. In fact, that presence extends to the baseball commissioner Bud Selig, labor leaders Marvin Miller and Don Fehr, owners Jerry Reinsdorf and Stuart Sternberg, officials Theo Epstein and Mark Shapiro, sportswriters Murray Chass, Ross Newhan, Ira Berkow, and Roger Kahn, and even famous Jewish baseball fans like Alan Dershowitz and Barney Frank. The life stories of these and many others, on and off the field, have been compiled from nearly fifty in-depth interviews and arranged by decade in this edifying and entertaining work of oral and cultural history. In *American Jews and America's Game* each person talks about growing up Jewish and dealing with Jewish identity, assimilation, intermarriage, future viability, religious observance, anti-Semitism, and Israel. Each tells about being in the midst of the colorful pantheon of players who, over the past seventy-five years or more, have made baseball what it is. Their stories tell, as no previous book has, the history of the larger-than-life role of Jews in America's pastime.

Arguing about the merits of players is the baseball fan's second favorite pastime and every year the Hall of Fame elections spark heated controversy. In a book that's sure to thrill--and infuriate--countless fans, Bill James takes a hard look at the Hall, probing its history, its politics and, most of all, its decisions.

In February 1925, 17-year-old Jimmie Foxx left his home in Sudlersville, Maryland, and joined the Philadelphia Athletics in spring training. Over the next twenty years, Foxx was one of the most consistent stars in the majors. His long home runs were legendary--his 535 were second only to Babe Ruth's 714 when he retired in 1945. Only six years later, he was elected to the Baseball Hall of Fame. Foxx tried his hand at a variety of jobs after he left baseball, but seemed always to be drawn back to the game. He coached and managed in the minor leagues and even managed the Fort Wayne Daisies of the All American Girls Professional Baseball League in 1953. This is the story of Foxx's rise to glory, his life in and out of the game, and his love affair with the national pastime.

The National Baseball Hall of Fame and Museum, tucked away in upstate New York in a small town called Cooperstown, is far from any major media market or big league stadium. Yet no sports hall of fame's membership is so hallowed, nor its qualifications so debated, nor its voting process so dissected. Since its founding in 1936, the Hall of Fame's standards for election have been nebulous, and its selection processes arcane, resulting in confusion among voters, not to mention mistakes in who has been recognized and who has been bypassed. Numerous so-called "greats" have been inducted despite having not been so great, while popular but controversial players such as all-time home run leader Barry Bonds and all-time hits leader Pete Rose are on the outside looking in. Now, in *The Cooperstown Casebook*, Jay Jaffe shows us how to use his revolutionary ranking system to ensure the right players are recognized. The foundation of Jaffe's approach is his JAWS system, an acronym for the Jaffe WAR Score, which he developed over a decade ago. Through JAWS, each candidate can be objectively compared on the basis of career and peak value to the players at his position who are already in the Hall of Fame. Because of its utility, JAWS has gained an increasing amount of exposure in recent years. Through his analysis, Jaffe shows why the Hall of Fame still matters and how it can remain relevant in the 21st century.
