

The New Small Person

She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

Miniature people who live in an old country house by borrowing things from the humans are forced to emigrate from their home under the clock.

You will always be the first... A touching tribute to baby's early milestones -- those unforgettable moments that will always be cherished. From first smiles to first cuddles and even to that first kiss, here's a loving ode to every child's -- and parent's -- momentous "firsts."

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in

the city.

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps. In this Hugo Award-winning alternative history classic—the basis for the Amazon Original series—the United States lost World War II and was subsequently divided between the Germans in the East and the Japanese in the West. It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In this world, we meet characters like Frank Frink, a dealer of counterfeit Americana who is himself hiding his Jewish ancestry; Nobusuke Tagomi, the Japanese trade minister in San Francisco, unsure of his standing within the bureaucracy and Japan's with Germany; and Juliana Frink, Frank's ex-wife, who may be more important than she realizes. These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it

seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author, whose best-selling novel describes a world in which the US won the War... *The Man in the High Castle* is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

It's okay to need some help. It's okay to be a different color. It's okay to talk about your feelings. From the bestselling author Todd Parr comes a reassuring book about being who you are. Told with Todd Parr's signature wit and wisdom, *It's Okay to Be Different* cleverly delivers the important messages of acceptance, understanding, and confidence in an accessible, child-friendly format. The book features the bold, bright colors and silly scenes that made Todd a premiere voice for emotional discussions in children's literature. Targeted to young children first beginning to read, this book will inspire kids to celebrate their individuality through acceptance of others and self-confidence--and it's never too early to develop a healthy self-esteem. *It's Okay to Be Different* is designed to encourage early literacy, enhance emotional development, celebrate multiculturalism and diversity, and promote character growth.

-No one is immune to death. And no one who reads this will be immune to the charm - and power - of Colin Bird's wise and wildly original -how-to- for those who find themselves face-to-face with the great inevitable, DEATH: WHAT NOT TO SAY. Think Paulo Coelho, if Coelho ever had to sleep in his car, or make his living as a Nursing Home Chaplain. Colin Bird's brand of street-level pragmatism on matters of compassion and mortality is as massively refreshing as it is on-the-ground useful for anyone trying to be there for suffering friends and loved ones. They should pass this book

out in hospitals and funeral homes, or stick in hotel nightstands instead of bibles. It's a lot more useful - and a much better read. DEATH: WHAT NOT TO SAY is a fearless, heartfelt, and utterly invaluable handbook for anyone who isn't dead, but knows a few people who are - or are about to be.- -Jerry Stahl, Screenwriter and LA Times bestselling author: I, Fatty; Permanent Midnight -Colin Bird serves up his own brand of commentary in DEATH: What Not To Say. Supremely witty yet cuttngly honest, a richly worded yarn from a man that's seen the losing side of life and ran from it. Couldn't put it down.- -Dean Karnazes, Ultramarathoner and New York Times bestselling author -As a licensed therapist for 16 years I've seen a lot of grieving souls. Grief is no respecter of persons. It touches everyone. And it's relentless. People die and we can't stop it. People grieve and we can't stop it. But stopping it isn't really the goal, loving through it is. That's the message of Colin Bird's book, -Death: What Not to Say-. There are a myriad of books on grief written by professionals. We know what to say and what not to say. We know what to expect, how to listen well, and why honoring someone's grief is so delicate and crucial. We've had lots of practice. But approaching a Griever well is just not easily taught. We professionals were beginners once. True proficiency has come from trial and error. And honestly, grief filling up my living room is different from grief sitting in my office... so very different. Not because of the grief, but the relationship between me and the Griever. That's one of the reasons I love this book. Written in the style of an artist, -Death: What Not to Say- is a conversation with a man who has experienced pain, excruciating, life-altering, soul-searching pain. Not just his, but others'. He's walked his own grief journey and accompanied others on theirs. Filled with stories that raise your ire, melt your heart, and convict you to the core, Colin's words are raw, real and refreshing.

Access Free The New Small Person

Hopefully, readers will never look at a Grieving person the same. And if they follow these basic steps, they will truly approach with confidence.- -Carrie P Bussmann, LCPC Licensed Clinical Professional Counselor; Owner/Director Truth in Love Counseling, Normal IL -A wake up call intent on forcing the -helpers- to grow up. This work is something long overdue. PAY ATTENTION to the wisdom found in this bright young genius. Take notes. Trust me on this... THERE WILL BE A TEST.- -Geoff Thurman, DOVE Award-winning Singer/Songwriter, Pastor, Counselor -What you get is an unexpected, rich and fun (yes, you read that right) celebration of life. It seems that Colin Bird was bathed into the kind of holy water that makes people natural healers. The kind who knows that deepest truth, but doesn't preach it, he shares it.- -Simone Bartesaghi, Professor UCLA, Director, Writer, Author of The Director's Six Senses

#1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- The New York Times From the revered British illustrator, a modern fable for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book based on his famous quartet of characters. The Boy, the Mole, the Fox, and the Horse explores their unlikely friendship and the poignant, universal lessons they learn together. Radiant with Mackesy’s warmth and gentle wit, The Boy, the Mole, the Fox, and the Horse blends hand-written narrative with dozens of drawings, including some of his best-loved illustrations (including “Help,” which has been shared over one million times) and new, never-before-seen material. A

Access Free The New Small Person

modern classic in the vein of *The Tao of Pooh*, *The Alchemist*, and *The Giving Tree*, this charmingly designed keepsake will be treasured for generations to come.

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestseller An instant IndieBound bestseller The #1 Kids' Indie Next Pick A Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

Elmore Green started life as an only child, as many children do. He had a room all to himself, and everything in it was his. But one day, everything changed. This brand new picture book from the hugely talented Lauren Child about the arrival of a new sibling is bound to be a hit with parents and children. Told with humour and with wonderfully stylish artwork, this is Lauren Child at her absolute best.

“The Man Who Lived Underground reminds us that any ‘greatest writers of the 20th century’ list that doesn’t start

and end with Richard Wright is laughable. It might very well be Wright's most brilliantly crafted, and ominously foretelling, book." —Kiese Laymon A major literary event: an explosive, previously unpublished novel about race and violence in America by the legendary author of *Native Son* and *Black Boy* Fred Daniels, a Black man, is picked up by the police after a brutal double murder and tortured until he confesses to a crime he did not commit. After signing a confession, he escapes from custody and flees into the city's sewer system. This is the devastating premise of this scorching novel, a never-before-seen masterpiece by Richard Wright. Written between his landmark books *Native Son* (1940) and *Black Boy* (1945), at the height of his creative powers, it would see publication in Wright's lifetime only in drastically condensed and truncated form, and ultimately be included in the posthumous short story collection *Eight Men* (1961). Now, for the first time, by special arrangement with the author's estate, the full text of the work that meant more to Wright than any other ("I have never written anything in my life that stemmed more from sheer inspiration") is published in the form that he intended, complete with his companion essay, "Memories of My Grandmother." Malcolm Wright, the author's grandson, contributes an afterword.

Lauren Child tells the familiar tale of a less-than-welcome sibling with subtlety, insight, affection, and humor. Elmore Green starts life as an only child, as many children do. He has a room to himself, where he can line up his precious things and nobody will move them one inch. But one day everything changes. When the new small person comes along, it seems that everybody might like it a bit more than they like Elmore Green. And when the small person knocks over Elmore's things and even licks his jelly-bean collection, Elmore's parents say that he can't be angry because the small person is only small. Elmore wants the small person to

Access Free The New Small Person

go back to wherever it came from. Then, one night, everything changes. . . . In her signature visual style, Lauren Child gets to the heart of a child's evolving emotions about becoming a big brother or sister.

A paperback edition of E.B. White's classic novel about one small mouse on a very big adventure! With black and white illustrations. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure.

Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend?

In this international bestseller from the critically acclaimed Little People, BIG DREAMS series, discover the life of Frida Kahlo, the world-renowned painter. When Frida was a teenager, a terrible road accident changed her life forever. Unable to walk, she began painting from her bed. Her self-portraits, which show her pain and grief, but also her passion for life and instinct for survival, have made her one of the most famous artists of the twentieth century. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the artist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of

them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, **BIG DREAMS!**

When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a

handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, *The Damage* is an all-consuming read that marks the explosive debut of an extraordinary new writer.

The #1 New York Times bestseller. Over 2 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability

to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course;

...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's

books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It, Don't Bump the Glump!*, and *Runny Babbit*. And don't miss these other Shel Silverstein ebooks, *Where the Sidewalk Ends*, and *A Light in the Attic!*

"*The Very Small Person*" by Annie Hamilton Donnell. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital

format.

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

This classic work of science fiction is widely considered to be the ultimate time-travel novel.

When Daniel Eakins inherits a time machine, he soon realizes that he has enormous power to shape the course of history. He can foil terrorists, prevent assassinations, or just make some fast money at the racetrack. And if he doesn't like the results of the change, he can simply go back in time and talk himself out of making it! But Dan soon finds that there are limits to his powers and forces beyond his control.

Brooklyn Based * The Boston Globe A magnetic
novel about two families, strangers to each other,
who are forced together on a long weekend gone
terribly wrong. From the bestselling author of Rich

and Pretty comes a suspenseful and provocative novel keenly attuned to the complexities of parenthood, race, and class. *Leave the World Behind* explores how our closest bonds are reshaped—and unexpected new ones are forged—in moments of crisis. Amanda and Clay head out to a remote corner of Long Island expecting a vacation: a quiet reprieve from life in New York City, quality time with their teenage son and daughter, and a taste of the good life in the luxurious home they've rented for the week. But a late-night knock on the door breaks the spell. Ruth and G. H. are an older couple—it's their house, and they've arrived in a panic. They bring the news that a sudden blackout has swept the city. But in this rural area—with the TV and internet now down, and no cell phone service—it's hard to know what to believe. Should Amanda and Clay trust this couple—and vice versa? What happened back in New York? Is the vacation home, isolated from civilization, a truly safe place for their families? And are they safe from one other?

A critically acclaimed historical novel “that roars” (Kliatt), from the author of the National Book Award-winning novel *Homeless Bird*. Africa is the only home Rachel Sheridan has ever known. But when her missionary parents are struck with influenza, she is left vulnerable to her family's malicious neighbors. Surrounded by greed and lies, Rachel is entangled in a criminal scheme and sent to England, where she's forced into a life of

deception. Like the lion, she must be patient and strong, awaiting the moment when she can take control of her own fate—and find her way home again at last. Named one of New York Public Library's One Hundred Titles for Reading and Sharing, this tale of a strong young heroine “in the tradition of Frances Hodgson Burnett” (School Library Journal), by award-winning master of historical fiction Gloria Whelan, is a perfect read for schools and classrooms, as well as for fans of *A Long Walk to Water* by Linda Sue Park.

A lyrical picture book debut from #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman and #1 New York Times bestselling illustrator Loren Long "I can hear change humming In its loudest, proudest song. I don't fear change coming, And so I sing along." In this stirring, much-anticipated picture book by presidential inaugural poet and activist Amanda Gorman, anything is possible when our voices join together. As a young girl leads a cast of characters on a musical journey, they learn that they have the power to make changes—big or small—in the world, in their communities, and in most importantly, in themselves. With lyrical text and rhythmic illustrations that build to a dazzling crescendo by #1 New York Times bestselling illustrator Loren Long, *Change Sings* is a triumphant call to action for everyone to use their abilities to make a difference.

Examines the critical art of rethinking: learning to question your beliefs and to know what you don't know, which can position you for success at work and happiness at home. It is a book about the benefit of

doubt, and about how we can get better at embracing the unknown and the joy of being wrong

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal** • **Financial Times** In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* “Entertaining . . .

enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

From bestselling author David Nasaw, a sweeping new history of the one million refugees left behind in Germany after WWII. In May 1945, after German forces surrendered to the Allied powers, millions of concentration camp survivors, POWs, slave laborers, political prisoners, and Nazi collaborators were left behind in Germany, a nation in ruins. British and American soldiers attempted to repatriate the refugees, but more than a million displaced persons remained in Germany: Jews, Poles, Estonians, Latvians, Lithuanians, Ukrainians, and other Eastern Europeans who refused to go home or had no homes to return to. Most would eventually be resettled in lands suffering from postwar labor shortages, but no nation, including the United States, was willing to accept more than a handful of the 200,000 to 250,000 Jewish men, women, and children who remained trapped in Germany. When in June, 1948, the United States Congress passed legislation permitting the immigration of displaced persons, visas were granted to sizable numbers of war criminals and Nazi collaborators, but denied to 90% of the Jewish displaced persons. A masterwork from acclaimed historian David Nasaw, *The Last Million* tells the gripping but until now hidden story of postwar displacement and statelessness and of the Last Million, as they crossed from a broken past into an unknowable future, carrying with them their wounds, their fears, their hope, and their secrets. Here for the first time, Nasaw illuminates their incredible

Access Free The New Small Person

history and shows us how it is our history as well.

The New Small Person Candlewick Press

Feeling jealous when a new sibling arrives, little Elmore
Green becomes frustrated when the "small person"
knocks over his things and licks his jelly-bean collection
until a special night when their relationship changes. By
the award-winning author of the Charlie and Lola series.
Why is it so hard to make lasting changes in our companies,
in our communities, and in our own lives? The primary
obstacle is a conflict that's built into our brains, say Chip and
Dan Heath, authors of the critically acclaimed bestseller Made
to Stick. Psychologists have discovered that our minds are
ruled by two different systems - the rational mind and the

Access Free The New Small Person

emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In *Switch*, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results:

- The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients
- The home-organizing guru who developed a simple technique for overcoming the dread of housekeeping
- The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service

In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. *Switch* shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

Partly autobiographical, this is the third title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war-torn Germany, to London during the Blitz and her return to Berlin to discover the past...

Years ago, somewhere on the Internet, I posted a few dumb drawings making fun of my own anxiety and depression. The response to them was warmer than anticipated, and people kept asking for more. Blending humor with pure depression seemed to strike a chord with a decent amount of people. So I kept going, and after about three years of drawing, I had enough dumb drawings for a book. Mental health is a serious thing, and it gets heavier when humans don't talk about it

Access Free The New Small Person

outwardly. I bottled up feelings for many years. Feelings I considered "dark", "weak", "downhearted", "embarrassing", "shameful" or any number of self-deprecating words. But after saying (or drawing) them out loud to people, all that weight went away and I realized it was normal to feel these feelings. Humor has always been a primary mode of therapy for me. I still make fun of my own anxiety and "depresh" as catharsis. I sing about it on tour, talk about it on my podcast, and draw pictures of it here in this book. Putting my formerly-private-feelings out into the world has been tremendous therapy for me, and I wish I would've done it sooner. Over the span of many years, I've been illustrating the "hacks", "strategies", or "exercises" that have worked best for me in combating the struggles in my head. More than anything I want this book to be useful for people. I'm not a doctor, just a person who spends too much time in my head. The objective of *It's Hard to Be a Person* is not to give unsolicited advice, but to hopefully save you some headaches on the long n' winding road of life in your brain.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

NATIONAL BESTSELLER • A stunning "portrait of the

Access Free The New Small Person

enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, To Paradise, coming in January 2022.

The chilling Saga of Darren Shan, the ordinary schoolboy plunged into the vampire world.

The New York Times bestseller that celebrates the dreams, acceptance, and love that parents have for their children . . . now and forever. This is the perfect heartfelt gift to fill any Easter basket, or for any special occasion, including for new babies, birthdays, graduations, and other new beginnings! From brave and bold to creative and clever, Emily Winfield Martin's rhythmic rhyme expresses all the loving things that parents think of when they look at their children. With beautiful, lush illustrations and a stunning gatefold that opens at the end, this is a book that families will love reading over and over. The Wonderful Things You Will Be has a loving and truthful message that will endure for lifetimes and makes a great gift to the ones you love for any occasion.
