The only book published by a major test prep company dedicated to explaining quantitative practice problems in the 2015 and 13th Editions Official Guide for GMAT Review, the Official Guide Companion is an essential tool for test-takers of all ability levels. This book is designed to be used in conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. In the Official Guide Companion, each math question is broken down and explained by our expert instructors, who not only have 99th percentile scores, but years of experience teaching the GMAT. The explanations in this book provide detailed, step-by-step approaches to every Problem Solving and Data Sufficiency question in the Official Guide. Where appropriate, The Official Guide Companion also details more than one way to arrive at the solution. And perhaps most importantly, all explanations are accessible and provide a framework for answering the particular question as well as similar questions you may see on the real test. Purchase of this book includes one year of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.

The NEW edition of the best-selling guide to the GMAT Test. The Official Guide to the GMAT, 13th Edition will be the first guide on the market that contains official questions from the new Integrated Reasoning component being fully integrated into the test in June 2012. Because this component is more interactive than other core components in the GMAT exam (Verbal, Quantitative, and Analytical Writing), the Integrated Reasoning practice questions will be housed on a companion website that readers will be able to access after purchasing the book\*. In addition, 20% of the current questions will be replaced – all with official questions used on actual GMAT exams - more than 800 questions are included!. No other GMAT study guide can provide this. The book will publish three months before the new test is integrated and will be the only guide on the market to include study information and practice questions written by the writers of the test. \*To use the Integrated Reasoning companion website, you must have one of the following browsers: Safari, Google Chrome, Firefox, or Internet Explorer version 7 or higher.
