This fully illustrated guide to the Smithsonian's newest museum takes visitors on a journey through the richness and diversity of African American culture and the history of a people whose struggles, aspirations, and achievements have shaped the nation. Opened in September 2016, the National Museum of African American History and Culture welcomes all visitors who seek to understand, remember, and celebrate this history. The guidebook provides a comprehensive tour of the museum, including its magnificent building and grounds and eleven permanent exhibition galleries dedicated to themes of history, community, and culture. Highlights from the museum's collection of artifacts and works of art are presented in full-color photographs, accompanied by evocative stories and voices that illuminate the American experience through the African American lens.

MODX is an advanced Open Source Content Management System (CMS). If you are

not familiar with the term CMS, think of a word processor for web sites, but on steroids. A CMS will usually provide you with a graphical view of your web site, a database that stores the site's content, and one or more editors for creating web pages and populating them with links, lists, headings, and formatted text. This book is perfectly suitable for MODX beginners but contains plenty of in-depth information for power users as well. If you are brand new to MODX, some parts of the book may go over your head the first time you read them. Over time, however, you will grow more familiar with how MODX works, and they will gradually begin to make sense to you.
