The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. Based on medieval Arthurian legends, CliffsNotes on The Once and Future King is a twentieth-

century version of young Arthur's quest for the sword Excalibur and his claim to the throne of England. Including many well-known and much-loved episodes with Merlyn, the sorcerer; Morgan La Fay, the witch; and knights jousting and hounds engaged in the hunt, White's novel adds to the lore surrounding the person of King Arthur. This study guide covers all four volumes of *The Once and Future King* with special emphasis given to the most popular volume, *The Sword in the Stone*. Other features that help you study include Character analyses of major players Personal background of the author, T.H. White A critical essay on Arthurian films A review section that tests your knowledge A Resource Center full of books, articles, and websites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Scoring a 5 on the AP Test Has Just Become Easier You no longer have to choose between "teaching the work" or "teaching to the test." Prestwick House Advanced Placement Teaching Units allow you to do both. Because we wanted the Prestwick House AP Teaching Units to meet the rigorous demands of the Advanced Placement class, we wrote detailed study guides that focus on the types of literary knowledge your students will have to demonstrate on their AP exams.

"The story of the passionate, adulterous, tragic love of Lancelot and Guenevere is at once the perfect expression of "courtly love" and its inversion. Lancelot, the superhuman stranger in King Arthur's court, sacrifices everything in service of his king, and yet also falls secretly in love with Arthur's queen, the most beautiful woman in all of Britain. That this spotless knight, who repeatedly saves Arthur and his world from

destruction, should also be the fateful underminer of the king's self-confidence and, ultimately, a terrible weapon in the hands of Arthur's great adversary Galehaut, is a contradiction that has fascinated the Western mind for hundreds of years." "The Arthurian legend that most of us know comes from Malory and *The Once and Future King*. But there are also several books of Old French romance, the most detailed of which, the thirteenth-century "Book of Galehaut," gives a surprising and unfamiliar version. It is a double love story - the tale not only of Lancelot's love for Guenevere, but also the love of Galehaut, the Lord of the Distant Isles, for Lancelot. It is the achievement of Patricia Terry and Samuel N. Rosenberg, both seasoned translators of medieval romance, to tease out from the French sources the essential story of Lancelot, Guenevere, Galehaut, and Arthur, and, without distorting the original, retell it for today's reader. Their rich, subtle, and deeply moving narrative is complemented by evocative wood engravings by Judith Jaidinger, the most distinctive visual interpreter of Arthurian legend since Arthur Rackham and Howard Pyle."--BOOK JACKET.

King Arthur as you've never seen her! This bold, sizzling YA novel reimagines the *Once and Future King* as a teenage girl determined to save the universe from an evil curse. My name is Ari Helix. I have a magic sword, a cranky wizard, and a revolution to start. I've been chased my whole life. As a fugitive refugee in the territory controlled by the tyrannical Mercer corporation, I've always had to hide who I am. Until I found Excalibur. Now I'm done hiding. When Ari crash-lands on Old Earth and pulls a magic sword from

its ancient resting place, she is revealed to be the newest reincarnation of King Arthur. Then she meets Merlin, who has aged backward over the centuries into a teenager, and together they must break the curse that keeps Arthur coming back. Their quest? Defeat the cruel, oppressive government and bring peace and equality to all humankind. No pressure. "All hail this worthier-than-ever, fresh, and affirming reincarnation of the legendary king and her round table of knights which dazzles with heroic flair, humor, and suspense." -- Kirkus, Starred Review

An analysis of women in The Once and Future King.

Rani Arturus is a chess prodigy with no plans to be a leader of any sort, let alone QUEEN. After she pulls the legendary sword Excalibur from the stone...well, no backsies. Now she must form a new round table made of friends and family to protect the Earth from an invasion of Fae, who'd like a new planet to call their own. It's magic, romance, adventure, and excitement as old myths reveal themselves to be fake, and new ones cause trouble for everyone!

- King Arthur is reimaged as a 21st century multi-ethnic teen girl
- Featuring a diverse team of characters with East-Asian, African, and British heritage, as well as diverse sexual orientation.
- Set in Portland, Oregon, and the UK
- From the team who created Amelia Cole, an all-ages heroine who ran for 6 arcs at Monkeybrain and IDW.

The Book of Merlyn
The Conclusion to The Once and Future King
University of Texas Press

The unpublished conclusion to The once and future king that tells how Arthur, Guenever, and Lancelot come to their ends.

“Cool. Fun. And, unlike a lot of zombie stories these days, smart. So glad to see brains used instead of eaten.” -- Jim Krueger (Earth X, Justice) KING ARTHUR returns to a future ravaged by a zombie apocalypse. The United Kingdom is no more and all that remains are the scattered fragments of humanity besieged by the voracious dead. The Once and Future King must now begin his quest to not only realize his purpose but to heal the land of this dreaded plague.

Bachelor Thesis from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Bayreuth, 31 entries in the bibliography, language: English, abstract: "There would be a day - there must be a day - when he would come back to Gramarye with a new Round Table which had no corners, just as the world had none - a table without boundaries between the nations who would sit to feast there. The hope of making it would lie in culture. (...) The cannons of his adversary were thundering in the tattered morning when the Majesty of England drew himself up to meet the future with a peaceful heart. RE X] QUONDAM RE X]QUE FUTUR US] THE BEGINNING" (Terence Hanbury White, "The Once and Future King") This quote from T. H. White's "The Once and Future King" is not the only reference to King Arthur's

return we can find when looking through the different Arthurian stories or that which is scattered among folk tales. Arthur is often carried away in a boat to Avalon, to be healed of his wounds and to return afterwards. In Italy, an "Arturo Magno" is believed to live within Mount Etna, occasionally seen, and also waiting for the day of his return. The Irish say he "rides round a rath" with raised sword, to the tune of Londonderry Air. The Scottish swear to him in Edinburgh, believing he presides from Arthur's Seat. The Britons still can hear his horn and see his armour. There seems to be a strong yearning within all kinds of people that refuses to let King Arthur die. T.H. White first published his book in 1958, about one millennium and a century after the early medieval historian Nennius wrote about Arthur, and eight centuries after Geoffrey of Monmouth's influential book "The History of the Kings of Britain." And even today, in the early days of the third millennium, the mystery and fascination about Arthur, his knights, his queen Guinevere and Merlin the Wizard is still unbroken.

An evocative and exciting tale of wizardry and war, this magnificent fantasy of the last days of King Arthur, his faithful magician and his animal teachers, completes the tragedy and romance of T. H. White's masterpiece The Once and Future King.

King Arthur is well known in folklore as a hero. He was a wise and brave king

who defended his kingdom from all sorts of magic and evil. The stories of King Arthur have bonded together nations in mutual understanding of the values and lessons from his tales. Would you like to know some of the most popular Arthurian folk tales? Then read this book today!

This remarkable book shatters just about every myth surrounding American government, the Constitution, and the Founding Fathers, and offers the clearest warning about the alarming rise of one-man rule in the age of Obama. Most Americans believe that this country uniquely protects liberty, that it does so because of its Constitution, and that for this our thanks must go to the Founders, at their Convention in Philadelphia in 1787. F. H. Buckley's book debunks all these myths. America isn't the freest country around, according to the think tanks that study these things. And it's not the Constitution that made it free, since parliamentary regimes are generally freer than presidential ones. Finally, what we think of as the Constitution, with its separation of powers, was not what the Founders had in mind. What they expected was a country in which Congress would dominate the government, and in which the president would play a much smaller role. Sadly, that's not the government we have today. What we have instead is what Buckley calls Crown government: the rule of an all-powerful president. The country began in a revolt against one king, and today we see the

dawn of a new kind of monarchy. What we have is what Founder George Mason called an “elective monarchy,” which he thought would be worse than the real thing. Much of this is irreversible. Constitutional amendments to redress the balance of power are extremely unlikely, and most Americans seem to have accepted, and even welcomed, Crown government. The way back lies through Congress, and Buckley suggests feasible reforms that it might adopt, to regain the authority and respect it has squandered.

An evocative and exciting tale of wizardry and war, this magnificent fantasy of the last days of King Arthur, his faithful magician and his animal teachers, completes the tragedy and romance of T. H. White's masterpiece *The Once and Future King*.

Part of *The Round Table Chronicles* You've all heard the story: how Arthur Pendragon, son of the tyrant King Uther, vanquished all in his path with the aid of his fellow knights. How Merlin, a young sorcerer, born with magic, helped the young king achieve great things. How Merlin served Arthur, and how they formed an unbreakable bond. How their friendship was so strong, that they were unbeatable. You've probably also heard how Arthur married the love of his life: a lonely black smith's daughter named Guinevere. And how you must of heard of Arthur's corrupted sister, Morgana, and the terror in which consumed her. And of course, Arthur's end: the druid boy Mordred. How wrong you are. You know nothing. The stories you have heard are just that: stories.

Now, let me tell you what actually happened, for I know more than anyone. For I am...
Emrys. The Truth of the Once and Future King: Arthur Pendragon by Emrys Tristan and
the Lure of Caraval

Studienarbeit aus dem Jahr 2011 im Fachbereich Anglistik - Literatur, Note: 2,7,
Universität Duisburg-Essen (Geisteswissenschaften), Veranstaltung: Proseminar: "Man
and Animal in Contemporary Fiction", Sprache: Deutsch, Abstract: "Even the Greek
definition anthropos, He Who Looks Up, is inaccurate. Man seldom looks above his
own height [...]" (White 53). This acknowledgement by Merlyn gives a good impression
of the whole tenor of the novel The Book of Merlyn. This work is part of the pentalogy
The Once and Future King, which retells the Arthurian legend. In this book King Arthur,
not a young boy anymore and facing a battle with his enemy Mordred, finds himself
standing in front of a council consisting of various types of wise animals who deal with a
difficult question: In what way does human kind distinguish itself from other species and
how do they fit into the world? It is common knowledge that neither modesty nor
peaceableness is one of human kind's speciality. No species eliminates land, other
creatures and even members of their own race in such great extent like mankind did
and is still doing. These and other issues are in the centre of attention in this novel.
Furthermore the characters discuss a lot about political and social systems and in how
far some of these are or are not just a characteristic of human societies. However, the
reader of the pentalogy by T.H. White could wonder why these matters are so important

for the Arthurian legend or the course of this version of the story in specific. Especially the fact that many subjects of discussion refer to many historical events and figures who existed in the modern age and some of them even at White's time is very confusing and does not fit into the pattern of the pentalogy. Nevertheless, there is no doubt that these issues have a special meaning within the whole work and support the plot in many ways. The modern aspects of this book turn the whole historical fantasy saga into a socio-political and philosophical reading. And this makes the story more multifaceted. So, beneath the fact that Arthur represents a thoroughly heroic figure, who stands in contrast to the evil ones and does heroic deeds, the reader is also confronted with a more complex picture of the human race and with the inconvenient truth about its apparent leading position in the world.

Traditional Chinese edition of the Terence Hanbury White classic "The Once and Future King." In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

An old wizard named Merlyn takes care of a curious young boy named Wart and transforms him into Arthur, the future king of Britain, in a beautiful new edition of the classic tale, enhanced by luminous paintings. Children's BOMC Main.

King Arthur, the Once and Future King, is destined to return, and Tom is destined to wake him. When sixteen year old Tom's grandfather mysteriously disappears, Tom stops at nothing to find him, even when that means crossing to a mysterious and unknown world. When he gets there, Tom discovers that everything he thought he knew about himself and his life was wrong. Vivian, the Lady of the Lake, has been watching over him and manipulating his life since his birth. And now she needs his help to wake King Arthur. From Excalibur and Arthur, to the

Lady of the Lake, Nimue and Merlin, Tom finds the old myths are real - and dangerous. If he's to survive, he has to learn how to fight. This multi-volume set contains Call of the King, The Silver Tower, and The Cursed Sword. If you love magic, mystery and old myths with a new twist, you'll love this re-imagining of the Arthurian legend. Buy now to read your new fantasy series. *This title was previously released as Tom's Arthurian Legacy, containing Tom's Inheritance, Twice Born, and Galatine's Curse. Call of the King, (previously Tom's Inheritance), has been fully rewritten with expanded scenes and a new ending. Consequently the beginning of The Silver Tower (# 2) has changed to reflect this. The Cursed Sword remains the same.

The Once and Future King returns in this modern day young adult action and adventure story. If you are familiar with the legends and have seen the excellent movie "Excalibur," then this is the sequel to those events. Sixteen year-old Brian Braddock is having visions of a time long lost, a time and place that he feels somehow strangely connected to. As he strives to figure out what is happening to him he meets a man who reveals himself to be the legendary sorcerer Merlin, he who was the mentor and advisor to one of the greatest leaders the world has ever known. Merlin informs Brian that he is the vessel of the renowned King Arthur and that it is time for the Once and Future King to live once again. As the

sword in the stone appears in front of the United Nations Building signaling a new era an adventure begins where Brian, Merlin, and the regrouped Knights of the Round Table set forth to bring about the peaceful and harmonious world that Arthur had always envisioned. However, an evil long thought lost has returned from Arthur's past to attempt to thwart his plans. Arthur and his knights now live once again to fight once more not just for the peace of a nation, but for the peace of a world.

An omnibus volume of the author's complete story of the Arthurian epic which includes: "The sword in the stone" (1939), "The witch in the wood" (1939), "The ill-made knight" (1940), "The candle in the wind" (published for the first time), and "The book of Merlyn." 1996.

"The Once and Future King" by T. H. White. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This magical account of King Arthur's last night on earth, rediscovered in a

collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. The *Book of Merlyn* has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, *The Book of Merlyn* stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center.

Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility.” —Gregory Maguire, from the foreword
