

The Original Dog Bible The Definitive New Source To All Things Dog Original Dog Bible The Definitive Source For All Things Dog

The revised and expanded second edition of the best-selling The Original Dog Bible remains the most comprehensive dog lover's resource on the market: 830 pages and over 500 color photographs cover every topic under the canine sun! The book is divided into eight parts, each fully illustrated and designed for easy reference, plus helpful, entertaining sidebars covering hundreds of related topics. Section I: "The Dog in Our World" starts with the domestication of dog and the development of breeds, explores the dog's place in world religion, folklore, and popular culture, and analyzes how the dog fits into our society in terms of rescue, animal welfare, legal matters, and ethical and social issues. Section II: "A New Dog" is a new owner's primer to deciding upon the right dog, whether purebred or mixed breed, the requirements of keeping and caring for a dog, and various considerations before choosing a dog (children, size, energy, etc.). Individual chapters on finding a dog (from breeders, shelters, and rescue programs), preparing for the homecoming (puppy-proofing, supplies, safety), and bringing the dog home. Section III: "Life with a Dog" discusses pet-care partners (from doggy day care to boarding kennels to pet sitters), emergencies, lost-dog protocol, traveling with a dog, senior years, and activities with a dog. The expansive activities chapter covers agility, flyball, sledding, weigh pulling, canine freestyle, lure coursing, herding, field trials, dock diving, Schutzhund, tracking, showing, therapy, obedience trials, and more. Section IV: "Breeds" is the largest section in the book, providing an alphabetical catalog of over 250 purebred dogs, from Affenpinscher to Yorkshire Terrier, including all of the most popular breeds in the world as well as many little known breed. Each breed is represented by a full-color photograph and an article detailing alternative names, country of origin, kennel club group, history of breed's development, physical description, height/weight, temperament, activity level, health concerns; all information necessary for owners to determine which breed would make the best companion for their life style and family. Section V: "Health" extends over 100 pages and covers establishing a veterinary regimen for a dog; infectious diseases and vaccinations; canine anatomy and bodily systems; reproduction and breeding; chronic disease and conditions; and diagnostic tests and techniques. Section VI: "Daily Care" provides owners with fundamental information about grooming dogs, including breed-specific needs, history of grooming, and home grooming requirements. A chapter titled "The Complete Guide to Feeding Your Dog" addresses essential canine nutrition, including selection of the right food, safety, special needs, supplemental, obesity, and owner precautions. Section VII: "Training and Behavior" could be a complete book unto itself, discussing canine communication, the importance of socialization, puppy training, house-training, specific kinds of training methods, equipment, adult-dog methods, and trick training. A chapter on solving behavioral problems covers difficulties owners might encounter with their pets, from barking and separation anxiety to aggression, eating, housetraining, and health-related problems. Section VIII: "Dogs and Work" includes a chapter about dogs who work and a chapter about people who work with dogs. The text discusses the many jobs dogs do in our society, from ancient roles like herding, guarding, and military work to more contemporary jobs like search and rescue, film acting, and detection work. The careers chapter catalogs jobs caring for dogs (veterinary-related, groomers, day-care), protection and advocacy jobs (humane societies, animal control), and training and handling jobs (obedience, behaviorist, working dog handlers). The book concludes with an extensive glossary, a 50-page resource section of books, websites, and magazines, and a complete index.

It is a rarely discussed fact of history that the premise of Darwinian evolution has been deeply rooted in the worst racist ideology since its inception. This significant book gives a thorough account of the effects of evolution on the history of the United States, including slavery and the Civil rights movement, and goes beyond to show the global harvest of death and tragedy that still finds its roots in Darwin's destructive writings. The tragic legacy of Darwin's controversial speculations on evolution has led to terrible consequences taken to the deadliest extremes. One Race One Blood reveals the origins of these horrors, as well as the truth revealed in Scripture that God created only one race. You will discover:

- Nazi Germany used evolutionary concepts to justify the extermination of "unfit" people groups such as Jews, Gypsies, and Slavs
- The origins of people groups, the genetics of skin color, and the biblical truths on "interracial" marriage
- Eye-opening discussion on racism and its roots in the hearts and minds of millions still today.

Within these compelling pages, Dr. A. Charles Ware, president of Crossroads Bible College, and Ken Ham, president of Answers in Genesis examine the historical roots of racism that have permeated evolutionary thought, and the Bible's response to this disturbing issue. This is a crucial and timely study that profoundly addresses the Christian worldview regarding "race" from a compassionate and uniquely compelling perspective.

The New Believer's Bible commentary is an easy to read study guide designed for people who did not grow up in the church and the people who minister to them. It provides the background information needed to fully understand scripture, and emphasizes what this means in a person's life. In Genesis -Deuteronomy the sacrifices, feasts and laws are explained in a way that makes them easy to understand. Older Christians may enjoy this too, as it is a comfortable reminder of why you believe and a chance to revisit old friends. The book shows people in a very human light that one can relate to and identify with, helping us to understand how we should and should not behave, and what faith truly is.

A reference tool for children covers the whole range of the subject of dogs, including dog breeds, dog ownership, and training.

Women in the Biblical World: A Survey of Old and New Testament Perspectives is a volume featuring the most current research in biblical scholarship. This collection will whet the reader's appetite for cutting-edge research and encourage a closer look at some of the familiar passages that may have been overlooked in the biblical text. New insights will be gained, a greater depth of understanding in the biblical text will be fostered, and a greater appreciation for women in the Bible will inevitably result from this unique compilation. Contributors featured in this volume have shared their papers in conference meetings at the regional or national levels at the Society of Biblical Literature or are already published authors as well as professors in biblical studies. Contributors: Lynn B.E. Jencks, Lee A. Johnson, Rev. Karen Fitz La Barge, William L. Lyons, Elizabeth A. McCabe, Julie Faith Parker, Victoria Phillips, Tammi J. Schneider, Hope Stephenson, Gail P.C. Streete

Get your dog off the leash and in on the game. Organized games are a wonderful way to bond with your pet while giving him the mental stimulation and physical exercise he needs. Kristin Mehus-Roe has games for all types of dog personalities and abilities, complete with rules, equipment lists, safety reminders, and much more. Teach your energetic pooch how to play flyball and your water-loving retriever to enjoy an afternoon of dock jumping. You and your dog have never had so much fun!

How do we know the Bible is true? Why did God create the universe? How will we spend eternity? Neglecting and rejecting God's Word has its consequences: abortion, AIDS, troubled relationships, crime, immorality, personal freedoms - the Bible is vital in solving (and preventing) the very real problems facing people today.

- Will all men eventually be saved?
- How can I know God's will?
- Is a Christian supposed to obey the government?
- Why did God create Satan?

Is the end of the world near? There are many questions today that demand answers in our daily lives; we can't avoid them. After reading this book, you'll clearly see answers to questions such as these, and others that affect our Christian walk.

* Guidebook to 55 dog-friendly hikes in California's Central Coast, Carmel Valley, Big Sur, and the Sierra Nevada* Tips on trail etiquette, trip preparations, finding appropriate routes for your dog, reducing environmental impacts, and more* Most up-to-date info on leash laws and regulationsCentral California has it all - gorgeous coastal parkland, mountainous wilderness areas, and everything in between. Additionally, this guide presents information on hiking responsibly with your dog: what to do when you encounter other hikers, tips on minimizing negative impacts, and skills for preparing your dog for a hike in the varied terrain of Central California.

For over a century the ten-volume Dictionary of the Bible has been the definitive reference. "It is a Dictionary of the Old and New Testaments, together with the Old Testament Apocrypha, according to the Authorized and Revised English Versions, and with constant reference to the original tongues. ... Articles have been written on the names of all Persons and Places, on the Antiquities and Archaeology of the Bible, on its Ethnology, Geology, and Natural History, on Biblical Theology and Ethic, and even on the obsolete or archaic words occurring in the English Versions." James Hastings (1852-1922) was a distinguished scholar and pastor. He was founder and editor of the Expository Times and is also well known for editing the Encyclopaedia of Religion and Ethics, the Dictionary of Christ and the Gospels, and the Dictionary of the Apostolic Church.

An essential guide for canine aficionados presents unbiased advice on how to provide the best possible care, from understanding dog food labels and canine body language to giving first aid and making informed choices about traditional and alternative health care. Original. 40,000 first printing.

THE ULTIMATE RESOURCE FOR DOG PARENTS TO HELP YOU HELP YOUR DOG THRIVE! Comprehensive and simple to use, The Puppy Bible is uniquely structured to provide the best guidance for raising a happy, healthy pet. The week-by-week planner takes you from before your puppy arrives to beyond six months, shows how he is developing, and tells you exactly what to do and when to do it. The front section is cross-referenced with expert advice in the second half of the book that encompasses every area of care, including training, health, diet, socialization and first aid, as well as troubleshooting for any concerns over your dog's welfare. Clearly illustrated throughout, this is an indispensable guide to your puppy's first six months.

"A dictionary of the Bible and not of theology. It is intended to elucidate the antiquities, biography, geography, and natural history of the Old Testament, New Testament, and Apocrypha."--Pref.

This book is the third volume of a dictionary of the language, literature and contents of both the Old and New Testaments. It covers Kir-Pleiades.

Following in the paw- and hoof-prints of I-5's best-selling The Original Dog Bible and The Original Horse Bible comes The Original Cat Bible, the ultimate resource for cat owners and lovers from the editors of Cat Fancy magazine. This new 500-page volume promises to be the most complete and authoritative book of its kind, authored by award-winning writer Sandy Robins with special veterinary chapters by Dr. Arnold Plotnick and an extensive breed section by Sarah Hartwell and Lorraine Shelton. The Original Cat Bible delves deeply into all things feline, from the domestication of cats and the development of pure breeds to the anatomy and genetics of felines. Between its two covers, it bequeaths a wealth of information to the cat fanciers, detailing all aspects of cat care and ownership, bejeweled with fun tidbits and trivia to entertain even the most discerning of feline lovers. The book begins with a detailed history of the modern cat, including the noble big cats of the wild and the small domesticated cats adored indoors by millions around the world. In her venture into the modern-day world of cats, the author discusses the genesis of cat welfare and rescue, as well as concerns about stray and feral cats in our communities, explaining the problems and offering practical solutions. From a more universal perspective, the text explores the feline's place in world religions, the cat-laden folklore of Asia, Europe and North America, cats in religion, popular culture through the ages (literature, art, cartoons, and movies), and contemporary social media (YouTube, blogs, and Facebook). The Original Cat Bible discusses the development of cat breeds and the genetics of purebred cats. While the establishment of purebred cats is a fairly modern development, some breeds have existed in a "pure form" for many centuries. In order to explain the significance of specific breeds, the author describes the essential physical characteristics of the cat, including body types, coat types, colors, and patterns. Guest authors Hartwell and Shelton, both highly regarded experts in the purebred cat world, present seventy-five breeds of cat from the familiar Siamese and Persian to the lesser known Australian Mist and Pixie Bob, describing their origins, breed standards, personalities, all accompanied by dazzling color photography. The book features expansive coverage of every recognized cat breed in the world, plus many experimental and new breeds that have come and gone. Robins resumes the discussion of cat ownership, covering important topics such as finding a kitten, choosing between breeders and shelters, achieving the right feline match for your family, bringing the cat into a new home, cat-proofing and safety around the house, and shopping for supplies for the new cat (accessories ranging from litter boxes and beds to harnesses and cat trees). New owners will value the information about introducing the cat to family and other pets, the importance of selecting a qualified veterinarian, securing veterinary insurance, and establishing an immunization schedule with your vet. Information about kitten health concerns, including viral diseases and parasites, and complementary therapies and holistic medicine, diagnostic tests and new technologies available is thorough and detailed. A user-friendly, very readable chapter on grooming follows, offering advice on caring for the coats of kittens, adults and older cats, purchasing grooming tools, learning techniques, and establishing a regimen for brushing and bathing, nail, eye, ear and teeth care. The feeding chapter begins with a fascinating and entertaining history of pet food in America and then goes on to discuss such important topics as the nutritional requirements of cats at all life stages, the choice between commercial diets and natural foods, food allergies, and

In For and Against the Bible (1801), Sheila Delany translates Sylvain Maréchal's rationalist commentary on Jewish and Christian scripture. Atheist and supporter of the French Revolution, Maréchal hoped his text might remind compatriots of the values for which they had recently fought.

This unique commentary provides historical, social and cultural background for each passage of the Old Testament. From Genesis through Malachi, this single volume gathers and condenses an abundance of specialized knowledge, and includes a glossary, maps and charts, and expanded explanations of significant background issues.
