The OPD Second Canadian Edition English/Spanish is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Spanish, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Spanish speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains

two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Spanish is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

4,000 words and phrases are organized thematically within 163 topics. Includes English to Thai translations of vocabulary throughout, and an extensive index in Thai at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

4,000 words and phrases are organized thematically within 163 topics. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

New in the internationally successful Visual Dictionary series, the Oxford Visual Dictionary of Animals introduces animals from around the world through highly illustrated dynamic spreads in thematic sections. There are over 1,500 words and incredible 3D artwork. All the animals are labelled in English and French, so that children can learn the names for their favourite animals and expand their vocabulary in a foreign language. Stunning atmospheric spreads introduce each habitat, followed by spreads showing the animals that live there. It includes maps and feature panels providing a wide range of vocabulary in both languages. At the back of the book is a section giving vocabulary for names of groups of animals, the noises animals make, and

animal young. The Animal Detective Quiz send readers back into the book to find the answers. Full indexes in English and French.

Vibrant, realistic illustrations and unparalleled teaching support make the Oxford Picture Dictionary Program what every classroom needs to build students' vocabulary, reading, and critical thinking skills. Help your students picture their journey to success with the Oxford Picture Dictionary Third Edition - now enhanced with new topics to prepare learners for work, academic study, and citizenship.* Increase vocabulary retention with over 4,000 words, 421 verbs and practice activities - available as an American English dictionary or in 5 bilingual editions (Arabic, Chinese, French, Spanish and Vietnamese).* Prepare students to meet the requirements of their daily lives with updated content including Job Search, Career Planning and Digital Literacy.* Access everything you need for a successful classroom from the online Teacher Resource Center - giving you more time to focus on teaching!
