This is book 3 and the finale of the Shattered Hearts MC romance series! Dirk Dvorak takes what he wants. He came to keep me safe. He won't rest until he's claimed me for himself. But betrayal on all sides leaves us with only each other. Can I trust the man who's sworn to break me? MEGHAN I got away from the biker life a long time ago. Since then, I've put as much distance as possible between myself and my brother's club, the Shattered Hearts MC. I built a new life. Away from the hatred. Away from the violence. But then my brother gets in touch and tells me I'm in danger. Now, whether I like it or not, he's pulling me back into the world of the Hearts to "protect" me. The man he sends to collect me is everything I ran away from. Dirk Dvorak is dangerous, deadly, and drop-dead gorgeous. And if I'm not careful, he's going to break my heart. DIRK One rule in the biker world: Do what your president says. But when the job turns out to be collecting his baby sister and keeping her out of trouble, the stakes are that much higher. I'm supposed to keep my hands to myself. But that's impossible. Because Meghan is sassy, fierce, and too tempting. I've kept my distance until now, but I won't last much longer. The problem is, it's never as simple as making her mine. This started as a straightforward bodyguard gig. But then the killers came for us. And now it's a whole new ballgame. There's blood to be shed. A woman to be protected. And maybe, at the end of all this... A new life with her, there for the taking. Grandpa Joe's town has always been controlled by the

enemy, who walks openly among them. Yet, Max has always felt safer there than anywhere else. Until now that is. A perfect killer is on the loose. One that not only destroys a person's body, but steals their soul. Kacha, the changeling, has unlocked the secrets of the ancient magical book and is building a new hourglass and gateway. He discovers how to construct a powerful weapon called "The Demon's Fork," which allows him to capture the souls of everyone in the entire town, all at once. Kacha uses this curse on Grandpa's town to distract Max and the others so he can complete his ultimate goal of capturing descendants of magical ancestry to fill his hourglass. The hunt for Kacha leads Max and his friends on a dangerous quest as they try to capture Kacha before he is able to complete his evil plans. Secrecy will be the key to avoid an even deadlier situation. Young Adult Fantasy / Science Fiction - Suitable Age Range: 11 and Up. him. The Heckmasters, Book 3 Knowing the day will come when his demon blood will overcome his humanity, Tell Heckmaster has been searching for a miracle. Something, anything, to counteract the spell. So far, he's come up empty. Just as the town of Berner has finally found peace, Tell's worst fears manifest. Strange, new powers are tearing at his finely honed control. Putting everyone-including the pretty seamstress he's kept at arm's length-in terrible danger. Sylvie Duke has everything she needs. Everything except Tell, who doesn't seem to own a lick of sense. His resistance only strengthens her resolve to stay by his side, driven by a nameless inner knowing that without her, all will be lost. Reluctantly, Tell is forced to admit that the closer he is to Sylvie, the better he's able to quell his demon. But when a cryptic warning from an old ally tips the balance, nothing-not even love-may be strong enough to protect Berner from the raging fires of hell. Warning: Contains a woman who can handle a hatchet with as much skill as a needle, and a man whose touch can transport her to heaven. Or hell. Accidentally, of course. Shakespeare had extraordinary intelligence, unheard-of powers of observation and interpretation, a soaring imagination, a way with words that defies description, and a defining interest in the theater. He brought kings, queens, heroes, and peasantry to the stage so they could be seen in a more realistic fashion. Even so, in modern times, assistance is often needed to interpret Shakespeare's work. In "A Leg Up on the Canon," author Jim McGahern provides an extensive biography of Shakespeare and offers an introductory guide to his histories, comedies, tragedies, romances, and poems. McGahern presents summaries of the texts, explanations of difficult passages, extensive historical context, and glossaries of terms no longer in use. In each volume, he outlines the plot of plays in that category and then delivers a one-act play with inclusive commentary.

McGahern includes pertinent remarks and important speeches and soliloquies interlaced with brief explanations and descriptions of the actions on stage as well as plot developments. "A Leg Up on the Canon," a four-volume series, provides insights into the word music of the talented man from Stratford.

As one reviewer wrote after reading, "An entertaining read that I was drawn to from the first chapter. I enjoyed this story line, it was fast paced, well written with characters whose story you cannot help but become invested in. It was also good to catch up with the other couples and learn what has been happening. A fitting way to end an entertaining series." Ellen White, Goodreads Community
