Simplified Chinese edition of The Seven Moods of Craft Spirits: 350 Great Craft Spirits from Around the World /anglais

The second in the \_Seven Moods\_ series, this little guide is destined to become the pocket bible to craft spirits for years to come. Now is the most exciting time for craft spirits. Craft distilling is riding a perfect wave, as consumers look for provenance and heritage, drink less but better, and seek bespoke and original drinks rather than homogenous global brands. Gin distilling has become particularly popular in London, tequila is back in fashion, Cuban rum is making a resurgence, and great whiskies are being created everywhere, from France to Japan, Taiwan to Denmark. Gone are the days of brand loyalty. Instead, drinkers are choosing from a portfolio of drinks to match where they are and what they are doing, from a relaxing gunpowder tea-based gin to a festive spiced rum, and from a contemplative single malt to a fiery absinthe. Brought together in one accessible guide, here are 350 of the world\_s most interesting and innovative spirits \_ whiskies, gins, vodkas, rums, brandies, liqueurs, poteens, tequilas, piscas, schnapps, and brandies/cognacs. Researched and written by leading whisky writer, Dominic Roskrow, each entry includes a specially commissioned drawing, tasting description, strength, distillery information, and spirit type. Each chapter is devoted to seven different moods (Social, Adventurous, Poetic, Bucolic, Contemplative, Gastronomic, Imaginative), and alongside the entries there are numerous useful features on related subjects, including gin and whisky distilleries, spirit bars, whisky festivals, craft distillers, and mixing spirits and food.

The Informed Citizen is about interacting in communities that reach from the classroom to cyberspace to explore today's issues and develop informed opinions, effective arguments, and polished writing. In addition to covering the build-up to the invasion, including the elaborate and lavish campaigns to deceive Germans as to where and when the invasion would take place, Peter Caddick-Adams gives a full and detailed account of the German preparations, but the heart of the book is Caddick-Adams' narratives of the five beaches where the terrible drama played out--Utah, Omaha, Gold, Juno, and Sword, and the attempt by American, British, and Canadian soldiers to gain a foothold in Europe"--

On July 10, 1943, two great Allied armadas of over 2,000 ships readied to invade Sicily. This was Operation Husky, the first step toward winning a toehold in fascist-occupied Europe. Among the invaders were 20,000 Canadian troops serving in the First Canadian Infantry Division and First Canadian Tank Brigade — in their first combat experience. Over the next 28 days, the Allied troops carved a path through the rugged land, despite fierce German opposition. Drawing on firsthand accounts of veterans and official military records, Operation Husky offers a gripping, meticulous account of this seminal operation and the young men who fought, died, and survived it.

There is no time for the people of the world to waste to decide to change their ways and their ways of living. The world is in a crisis that it has not been in before. Actually the world has been in countless crises in the past, before disaster, calamity or catastrophe struck the people of the earth. We are not talking of crises of natural disasters, calamities or catastrophes that have hit the earth, we are talking about man made, man engineered and man designed disasters, calamities and catastrophes that have hit the world from time to time. History is full of them and apart

from those natural disasters caused by God or the Devil themselves; the rest were caused by man themselves. Now this revelation is not about the natural but about the spiritual. Power mad dictators, rulers and potentates the world over are normally the cause of these disasters, calamities and catastrophes and nature has little to do with them although they did affect nature, in some way or another. Small and great Wars were started by whosoever caused them without any due regard of men's lives, and the resultant horrors, hardships and horrendous pain, lived on in the hearts and lives of the people that survived. No one can add these things up nor can they count the cost in human suffering, misery and pain, nor the cost of men's souls lost all for the sake of man's vanity. "The current synopsis is catchy and intriguing. This synopsis is well written and it will entice readers into picking this book up and reading it." - Cynthia Sherman Writer's Literary & Publishing Services, Critique Division
