New York Times bestselling author Margaret Peterson Haddix takes readers on a thrilling adventure filled with mysteries and plot twists aplenty in this absorbing series about family and friendships. Perfect for fans of *A Wrinkle in Time* and *The City of Ember*! What makes you you? The Greystone kids thought they knew. Chess has always been the protector over his younger siblings, Emma loves math, and Finn does what Finn does best—acting silly and being adored. They've been a happy family, just the three of them and their mom. But everything changes when reports of three kidnapped children reach the Greystone kids, and they're shocked by the startling similarities between themselves and these complete strangers. The other kids share their same first and middle names. They're the same ages. They even have identical birthdays. Who, exactly, are these strangers? Before Chess, Emma, and Finn can question their mom about it, she takes off on a sudden work trip and leaves them in the care of Ms. Morales and her daughter, Natalie. But puzzling clues left behind lead to complex codes, hidden rooms, and a dangerous secret that will turn their world upside down.

From New York Times bestselling author Margaret Peterson Haddix comes the first book in a "crisp, intriguing, and thought-provoking" (Booklist, starred review) new series about twins who are on a quest to discover the secrets being kept by their new family. Nick and Eryn's mom is getting remarried, and the twelve-year-old twins are skeptical when she tells them their lives won't change much. Well, yes, they will have to move. And they will have a new stepfather, stepbrother, and stepsister. But Mom tells them not to worry. They won't ever have to meet their stepsiblings. This news puzzles Nick and Eryn, so the twins set out on a mission to find out who these kids are—and why they're being kept hidden.

It was awful. All those eyes, all looking at him. It was straight out of Luke's worst nightmares. Panic rooted him to the spot, but every muscle in his body was screaming for him to run, to hide anywhere he could. For twelve years his entire life he'd had to hide. To be seen was death. "Don't!" he wanted to scream. "Don't look at me! Don't report me! Please!" But the muscles that controlled his mouth were as frozen as the rest of him. The tiny part of his mind that wasn't flooded with panic knew that that was good -- now that he had a fake I.D., the last thing he should do was act like a boy who's had to hide. But to act normal, he needed to move, to obey the man at the front and sit down. And he couldn't make his body do that, either. --

from Among the Impostors Luke Garner is terrified. Out of hiding for the first time in his life, he knows that any minute one of his new classmates at Hendricks School for Boys could discover his secret: that he's a third child passing as the recently deceased Lee Grant. And in a society where it's illegal for families to have more than two children, being a third child means certain death at the hands of the dreaded Population Police. His first experience outside the safety of his home is bewildering. There's not a single window anywhere in the school; Luke can't tell his classmates apart (even as they subject him to brutal hazing); and the teachers seem oblivious to it all. Desperate to fit in, Luke endures the confusion and teasing until he discovers an unlocked door to the outside, and a chance to understand what is really going on. But to take this chance -- to find out the secrets of Hendricks -- Luke will need to put aside his fears and discover a courage that a lifetime in hiding couldn't thwart. Once again, best-selling author Margaret Peterson Haddix delights her fans with this spine-tingling account of an all-too-possible future. Among the Impostors is a worthy companion to Among the Hidden and a heart-stopping thriller in its own right.

Many surprises await twelve-year-old Edwy Watanaboneset when the Freds return him to Cursed Town, including that he has siblings in Refuge City who he will join in boarding school. When thirteen-year-old Luke Garner unwittingly sets off a rebellion which sweeps the country and ousts the Population Police from power, he quickly realizes that the new regime is corrupt and he may hold the only key to true freedom.

discovers home is not what she expected it to be.

In a future world of false identities, government lies, and death threats, Luke feels drawn to the younger brother of the boy whose name Luke has taken.

In a future where the law limits a family to only two children, third-born Luke has been in hiding for twelve years, until another "third" convinces him that the government is wrong and he then enters boarding school under an assumed name.

In the aftermath of a crisis that threatens the safety of all shadow children -- illegal third-borns in a society that allows only two children per family -- Trey's friends expect him to take charge -- a function he doesn't want or think he can do. Trey's new role leads him to travel with Luke Garner's brother, Mark, to Population Police headquarters. There he impersonates an officer to try to rescue Luke, who has been taken prisoner. The nonstop adventure puts all three boys in danger and risks exposing the underground movement to help all shadow children. In this, the fifth book in the Shadow Children series, Margaret Peterson Haddix returns to the futuristic setting and compelling characters she created in *Among the Hidden*. With an adrenaline-fueled plot and surprising twists, Haddix has again crafted a story that is suspenseful until the last page.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?
