

The Story Of Wales

The first ever full-scale biography of the last native Prince of Wales who fought to maintain an independent Wales. If it had not been for Owain Glyndŵr's 15-year struggle against overwhelming odds, the Welsh would not have survived as Europe's oldest nation. His war is the defining era in the history of Wales. Yet Glyndŵr is hardly known - a cultured, literate warrior who was never betrayed or captured and vanished into history. No less than six separate invasions were beaten back by Glyndŵr's army of volunteers before he disappeared into history, his family and children either dead or imprisoned for life, but he was never betrayed. Not for Glyndŵr the brutal public death of Braveheart, nor a grave to desecrate - only an immortal legacy of hope and freedom. His war of independence led the way for the success of another mab darogan (son of prophecy) seven decades later, when a Welsh army won at Bosworth Field and the Tudor Dynasty was founded. This book tells us how Glyndŵr came to stir Wales into war, and why his name still resonates today as one of the greatest warriors the world has seen.

Red Dragons covers the story of Welsh football since its earliest days in the nineteenth century, and looks at the characters, controversies and developments of the country's clubs, players, and most importantly, the national team - including a chapter on the journey to the Euro 2016 tournament.

200 years ago handball was a national obsession. People travelled to watch matches and won or lost fortunes through illegal gambling. Welsh player/official Kevin Dicks' meticulous research traces the long history of this folk sport from its medieval churchyard roots, through its glory

years in the 18th and 19th centuries to its modernisation today. Over 60 images. The Story of Wales is a vibrant portrait of 30,000 years of power, identity and politics. Revisiting major turning points in Welsh history, from its earliest settlements to the present day, Jon Gower re-examines the myths and misconceptions about this glorious country, revealing a people who have reacted with energy and invention to changing times and opportunities. It's a story of political and industrial power, economic and cultural renewal- and a nation of seemingly limitless potential. The Story of Wales is an epic account of Welsh history for a new generation.

Broadcaster Huw Edwards traces the history of London's Welsh churches, the origins of the London Welsh, the pattern of Welsh migration to London past and present, the influence of Howel Harris and the early Methodists, the tradition of Welsh preaching, and describes in detail the Welsh religious causes in London.

(son of prophecy) seven decades later, when a Welsh army won at Bosworth Field and the Tudor dynasty was founded. This book tells us how Glyndwr came to stir Wales into war, and why his name still resonates today as one of the greatest warriors the world has ever seen. REVIEWS 'A scholarly but highly readable book on a timely subject'.

The Good Book Guide

Examines the effects of the Industrial Revolution on the people of Wales. This book offers descriptions of the major industries, including developments in working conditions, tools and techniques and the development of Wales's transport network. It also includes useful information for visitors to The National Waterfront Museum.

Prince Frederick spent his childhood in Hanover and was twenty-one when he first arrived in England. He quickly won the affection of the people, and though his informal manners drew criticism from the court, he enjoyed the company of intelligent men and women. A friend of Pope and Dryden, he became the most important royal patron of the arts since Charles I. Many of his acquisitions of paintings and silverware enhance the Royal Collection today.

A history of Wales.

The Story of Welsh Boxing revives the memory of pugilists dating back to the 'prize fighters' who fought with sword and staff in the days of James Figg, the first Champion of England. For the first time, Lawrence Davies offers a vivid, atmospheric glimpse into the lost world of boxing's bare-knuckle era, and into the lives of its Welsh heroes.
