Decades after a traumatized scientist blows up a mine where workers have savagely attacked one another, FBI agent Sean Reilly investigates the suicide of a Russian embassy attachâe and a mysterious device with a world-threatening capability.

Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers • Reveals for the first time the hidden link that connects James the Brother, Islam, the Cathars, the Knights Templar, and Freemasonry • Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul's desire to impose his vision for the Church, the true teachings of Jesus--as preserved by his family and disciples--were forced into hiding. This clandestine movement was evidenced by such early groups as the Nazarenes, Ebionites, and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics. However, despite the ongoing persecution by the Roman Catholic orthodoxy, this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival. Jeffrey Bütz, author of The Brother of Jesus and the Lost Teachings of Christianity, reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam, the Cathars, the Knights Templar, and Freemasonry. In The Secret Legacy of Jesus, Bütz demonstrates how this centuries-old underground stream of Christ's original teachings remained alive and how it surfaced again in Colonial America, where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a "New Jerusalem." With the rise of a fundamentalist Christianity, this potent spiritual vision was lost, but Bütz contends it can be recovered and used to bring about the reconciliation of Christians, Jews, and Muslims throughout the world.

????:The Talisman

Complete with introductions, full commentary, glossary, and a guide to further reading, Medieval Worlds is a comprehensive sourcebook for the study of Western Europe from the fifth to the fifteenth century. Drawing on a wide range of documents, from chronicles, legal, state, and church documents, to biographies, poems, and letters from all over

Europe, the authors expertly illustrate to the reader the unity – and complexity – of the medieval world. Amongst many more, central issues discussed include: the diverse world of monasteries the Papacy the Crusades women the roles of the town and countryside. Medieval Worlds presents the reader with a view of the medieval era as it was: one of immense diversity with openness to new ideas, and outreach in areas from technology to natural philosophy. When rival forces on both sides of the law discover the existence of a lost herb that induces profound experiences capable of shattering the foundations of Western civilization, a violent competition to locate the herb is overseen by FBI agent Sean Reilly and his girlfriend, Tess Chaykin, who race to prevent a cataclysmic disaster. By the best-selling author of The Templar Salvation.

Chinese translation of Cynthia Kadohata's "Kira-Kira," the 2005 Newbery Medal Winner. Distributed by Tsai Fong Books, Inc.

Focusing on modern-day fiction set in the Middle Ages or that incorporates medieval elements, this study examines storytelling components and rhetorical tropes in more than 60 works in five languages by more than 40 authors. Medievalist fiction got its "postmodern" start with such authors as Calvino, Fuentes, Carpentier and Eco. Its momentum increased since the 1990s with writers whose work has received less critical attention, like Laura Esquivel, Tariq Ali, Matthew Pearl, Matilde Asensi, Ildefonso Falcones, Andrew Davison, Bernard Cornwell, Donnal Woolfolk Cross, Ariana Franklin, Nicole Griffith, Levi Grossman, Conn Iggulden, Edward Rutherfurd, Javier Sierra, Alan Moore and Brenda Vantrease. The author explores a wide range of "medievalizing" tropes, discusses the negative responses of postmodernism and posits four "hard problems" in medievalist fiction.

Chinese edition of The Wednesday Letters. The grown children of a couple who owned a bed-and-breakfast discover their family history through letters written every week from their father to their mother throughout their years of marriage. Distributed by Tsai Fong Books, Inc.

Traditional Chinese edition of Angelology, a riveting thriller of the battle between ordinary people that will decide the fate of the world. In Chinese. Distributed by Tsai Fong Books, Inc.

Modern study of the Hospitallers, of other military-religious orders, and of their activities both in the Mediterranean and in Europe has been deeply influenced by the work of Anthony Luttrell. To mark his 75th birthday in October 2007 twenty-three colleagues from ten different countries have contributed to this volume. The first section focuses on the crusading period in the Holy Land, considering the Hospital in Jerusalem, relations with the Assassins, finances, indulgences, transportation and the careers of the brothers and knights. The second and third sections move to the later Middle Ages, when the Hospitallers had their centre on Rhodes, and military and charitable activities in the East had to be supported with men and money from the West. The papers in the second section consider the Hospitallers on Rhodes, relations between Rhodes and the West and plans for crusades, while the third section includes papers on the Hospitallers in the Iberian Peninsula and in Hungary, the territorial administration of the Order of Montesa in Valencia, a plan to transfer the headquarters of the Teutonic Order from Prussia to Frisia, and a Hospitaller reconsideration of warfare and learning on the eve of the council of Trent. The final paper proposes new definitions and guidelines for future work on the military-religious orders. The authors include both well-known experts and younger scholars who promise to follow in the footsteps of Anthony Luttrell and to continue research into the Hospitallers and their fellow
