MY LIFE: A Story of Resilience and Love is a memoir that celebrates the beauty of how much self-expression resides in each of us. It is an uncommon saga of unique depth that tracks eight transformative decades, beginning with circumstances that dare the imagination and that became a personal marker for Tom Delebo. From childhood, Tom put his dreams into action with fearless individualism, expressing himself in one endeavor after another, a blueprint for how to live an engaged life. He would learn, too, that fueling his relentless drive was a profound quest for personal connection and love. It has been quite the ride.

Eighteen years, eight series, eight defeats. These are the facts. I look around the room. We're a young team. Strauss, Flintoff, Vaughan, the new guy, Kevin Pietersen. None of us remember England holding the Ashes. We are a generation that have grown up in Australia's shadow. In 2005 Simon Jones took part in the greatest Ashes series of all time. As a devastating fast bowler in a brave young England team, Jones went toe to toe with the might of the seemingly unbeatable Australians. Over the course of 54 days Simon would experience the greatest highs of his career, and plunge to the lowest depths. The series would change his life forever. In chapters that alternate between an unforgettable, insider's account of each of the five Tests and the remainder of his life, Simon presents the raw and

In writing my book I tried, to the best of my memory (and with the help of a lot of people), to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama. Even though times were hard then, I feel very fortunate to have grown up during that time and in that place. I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life. I also had some great teachers which I am thankful for knowing. Most of our teachers loved us and tried to help, when they could, to prepare for our future. All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions. I believe that growing up in Roanoke gave me the knowledge and background to have a great life, for

This book is an autobiographical memoir. It tells the story of how God prepared me for the work of theology during childhood and during my schooling at Princeton, Westminster, and Yale. It focuses on those events that shaped my theological convictions and led me to develop my distinctive emphases in theology, apologetics, and philosophy. It seeks to

honor God's providence in leading me from one point to another in my life as a son, husband, father, theologian, apologist, and churchman. My goal in the book is to show how one's theological convictions are products, not only of logic and reasoning, but also of the events of one's life and the people one interacts with.

To: Editor, Atlanta Journal-Constitution I believe your newspaper has been missing something for the last two decades. In fact it was the original reason I became a loyal subscriber in the first place: the thriceweekly columns of my all-time favorite writer, the late, great Lewis Grizzard. Trust me when I say that as a loyal University of Florida graduate it's difficult for me to admit there is actually something good that came out of the University of Georgia, and that something would be Lewis Grizzard. Born and raised in nearby Moreland (I reside in Peachtree City, Georgia), Grizzard had a major influence on my writing style. This is my sixth self-published book; one of them sold so well a publisher

They say that Ted Bundy started his killing spree in 1974, in the state of Washington. When he tried to get me in the car, it was in 1965, nine years earlier! He was approximately eighteen and I was twenty-one. I saw the horror in his face at this time! I'm sure that I wasn't his first intended victim. Ted Bundy's horror would have been over in a couple days; others can put us through misery for years. Even sabotage us to protect themselves while the blame will be put on us and no one cares. Why?

This book is inspired by the true story of my life and journey from homelessness and beyond. father, fear of my mother, and life in the navy. I suffered thirty years from low self-esteem, fear, anger, resentments, worthlessness, loneliness, hopelessness, homelessness, substance abuse, failed attempts to maintain employment, mental institutions, churches, shelters, jails, bad relationships, and marriages too! I walked in the kingdom of darkness (Hell) for thirty years determined to find myself; I finally made a final decision to get my life on track once and for all! One day, I evaluated my entire life as far as I could remember. I began to peel off the layers of my unresolved issues like a banana. I confronted the tragic death of my three sisters, which I honestly haven't done before, for closure purposes. I confronted the anger and resentments I harbored toward my mother for her failures, including my father for abandoning me. I was angry with myself for my history of substance abuse and homelessness, also for not reaching out for help in the beginning when I should have done so. I completed an intense, detailed evaluation of my life one day. I began to cry until I was all cried out. I had enough faith to pray to God at the time. I asked God to renew in me a new heart and spirit to serve him. To be the man that he intended me to be. After I finished praying, I felt a huge weight lifted off my shoulders. This was my defining moment and the turning point of my life. I began to see light at the

end of the tunnel! I began to seek treatment for my depression and PTSD. I attended (NA) meetings. I began to read and apply the word of God in my life daily. The wounds of my past miraculously began to heal. Over a period of time, my wife noticed an internal transformation taking place in my life! I began to forgive everyone who done me wrong, including my worst enemy of all, myself! Today, I live a life of purpose, not defeat, drug free and living one day at a time. I was compelled to write my life and journey from homelessness and beyond in hopes that my story may convey to anyone who may be struggling with their personal giants, especially the homeless; there is hope!!! You can make it. I'm grateful that I had the opportunity to have gotten the help I needed. There are good people in the world. I'm a veteran who enlisted and was honorably discharged from both, the US Navy from 1986 to 1991, and the Army reserve from 1992 to 2000. Today, I currently serve as an enlisted soldier in the Army of the Lord!

'That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease. I wanted my life to be normal, which it could not be.' For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—*The test of my life*—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

Another great accomplishment happen also in the early 2000s. I met a nice guy who later became the love of my life, who later on became my husband, Romeo Lewis, who inspired me to be a better woman, mother, person, etc. A man that made me fill whole again! A man that became a huge father figure that my children didn't have. A man that loved all his children and grandchildren as well, that loves his family unconditionally. I want to share my story to inspire and help other young adults out there that maybe facing some of the same hardships as myself.
