A Thief in the Night is the third book in the series, and the final collection of short stories. In it, Raffles, a gentleman thief, commits a number of burglaries in late Victorian England. Chronicler and accomplice Bunny Manders narrates additional adventures which he had previously omitted, from various points in their criminal careers... Ernest William Hornung (7 June 1866 - 22 March 1921) was an English author and poet known for writing the A. J. Raffles series of stories about a gentleman thief in late 19th-century London. Hornung was educated at Uppingham School; as a result of poor health he left the school in December 1883 to travel to Sydney, where he stayed for two years. He drew on his Australian experiences as a background when he began writing, initially short stories and later novels. In 1898 he wrote "In the Chains of Crime," which introduced Raffles and his sidekick, Bunny Manders; the characters were based partly on his friends Oscar Wilde and his lover, Lord Alfred Douglas, and also on the characters of Sherlock Holmes and Dr. Watson, created by his brother-in-law, Arthur Conan Doyle. The series of Raffles short stories were collected for sale in book form in

1899, and two further books of Raffles short stories followed, as well as a poorly received novel. Aside from his Raffles stories, Hornung was a prodigious writer of fiction, publishing numerous books from 1890, with *A Bride from the Bush* to his 1914 novel *The Crime Doctor*. The First World War brought an end to Hornung's fictional output. His son, Oscar, was killed at the Second Battle of Ypres in July 1915. Hornung joined the YMCA, initially in England, then in France, where he helped run a canteen and library. He published two collections of poetry during the war, and then, afterwards, one further volume of verse and an account of his time spent in France, *Notes of a Camp-Follower on the Western Front*. Hornung's fragile constitution was further weakened by the stress of his war work. To aid his recuperation, he and his wife visited the south of France in 1921. He fell ill from influenza on the journey, and died on 22 March 1921, aged 54. Although much of Hornung's work has fallen into obscurity, his Raffles stories continued to be popular, and have formed numerous film and television adaptations. Hornung's stories dealt with a wider range of themes than crime: he examined scientific and medical developments, guilt, class and the unequal role played by women in society. Two threads that run through a sizeable proportion of his books are Australia and cricket; the latter was also a lifelong passion.

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY DWIGHT GARNER, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle | NPR | The Root | The Telegraph | The Globe and Mail NATIONAL BESTSELLER • FINALIST, PHILLIS WHEATLEY BOOK AWARD • TEJU COLE WAS NAMED ONE OF THE MOST INFLUENTIAL AFRICANS OF THE YEAR BY NEW AFRICAN MAGAZINE For readers of Chimamanda Ngozi Adichie and Michael Ondaatje, *Every Day Is for the Thief* is a wholly original work of fiction by Teju Cole, whose critically acclaimed debut, *Open City*, was the winner of the PEN/Hemingway Award and a finalist for the National Book Critics Circle Award, and was named one of the best books of the year by more than twenty publications. Fifteen years is a long time to be away from home. It feels longer still because I left under a cloud. A young Nigerian living in New York City goes home to Lagos for a short visit, finding a city both familiar and strange. In a city dense with story, the unnamed narrator moves through a mosaic of life, hoping to find inspiration for his own. He witnesses the “yahoo yahoo” diligently perpetrating email frauds from an Internet café, longs after a mysterious woman reading on a public bus who disembarks and disappears into a bookless crowd, and recalls the tragic fate of an eleven-year-old boy accused of stealing at a local market. Along the way, the man reconnects with old friends, a former girlfriend, and extended family, taps into the energies of Lagos life—creative, malevolent, ambiguous—and slowly begins to reconcile the profound changes that have taken place in his country and the truth about himself. In spare, precise prose that sees humanity everywhere, interwoven with original photos by the author, *Every Day Is for the Thief*—originally published in Nigeria in 2007—is a wholly original work of fiction. This revised and updated edition is the first version of this unique book to be made available outside Africa. You’ve never read a book like *Every Day Is for the Thief* because no one writes like Teju Cole. Praise for *Every Day Is for the Thief* “A luminous rumination on storytelling and place, exile and return . . . extraordinary.”—San Francisco Chronicle “Cole is following in a long tradition of writerly walkers who, in the tradition of Baudelaire, make their way through urban spaces on foot and take their time doing so. Like Alfred Kazin, Joseph Mitchell, J. M. Coetzee, and W. G. Sebald (with whom he is often compared), Cole adds to the literature in his own zeitgeisty fashion.”—The Boston Globe
